THE POST.

MIDDLEBURG,..... .....AUG. 14, 1872.

TOWN AND COUNTRY.

THERE is some talk of running passenger trains from Lewistown to Hazleton without change at Sunbury.

A beautiful display of aurora borealis was witnessed in this and other localities on several nights last week.

WEATHER prophets say central and eastern Pennsylvania are to be visited by a snow storm in August. We'll wait for old "Probabilities."

IRVIN BOWERSOX, whilst out mowing Hall on Friday, of last week, accidently cut his foot very badly. Amputation of several toes may be necessary.

RUSSIAN peach leaves are said to be an excellent application for wounds. In some cases where lock-jaw was apprehended they have cured it, as if by magic.

APPLES, pears, plums, and peaches are abundant in this quarter this year, though of the latter two trees are not as numerous as they might be.

SHAFFNER.—The new trial in the case of Emanuel Shaffner, for the murder of his wife Nancy, has been fixed for the second Monday of October, the 14th, in Harrisburg.

GUNNERS who do not wish to get in the meshes of the law had better be careful what they shoot. Every partridge they may kill before the 15th of October makes them liable to a fine of five dollars.

H. W. STAUFFER, Tobacconist, of Womelsdorf, Berks county, Pa., one of the best Tobacconists in the country will hereafter make regular visits to this county for the purpose of supplying our merchants with his extra brands of cigars, &c.

A STRANGER could readily tell which of our merchants believe in and practice advertising as their stores are the ones always filled with customers. People cannot tell by intuition what goods are kept for sale. The only way is to let them know.

BRIDGE REPAIRING.—The county Commissioners are having the old Bridge at this place repaired. One of the abutments had given way and the flooring was in a very dilapidated condition. The work is under the supervision of Captain Kinney.

SPRUCE BEER.—Take four ounces of hops boil half an hour in one gallon of water, strain it, add sixteen gallons of warm water, two gallons of molasses, eight ounces of essence of spruce, dissolved in one quart of water, put it in a clean cask, shake it well together and add half a pint of yeast; let it work one week; if warm weather less time will do. When drawn off add one spoonful of molasses to each bottle.

THE Evangelical Association will hold a camp meeting, near New Berlin, commencing Thursday, August 22d 1872, and continue 10 days. A childrens meeting will be held on Monday Aug. 26th. A special invitation is extended to Sunday School scholars and teachers, and to all friends of the Sabbath School cause to be present on the occasion.

All well disposed persons are also hereby inglied to be present during the meeting.

Great harm and discomfort is caused by the use of purgatives which gripe and rack the system, Parsons' Purgative Pills are free from all impure matter and are mild and health-giving in their operation.

At this season of the year, cramps and pains in the stomach and bowels, dysentery, diarrhoea, &c., are quite common, and should be checked at once. Johnson's Anodyne Liniment is the best article that can be used in all such cases, and should be kept in every family.

SALOON THIEVES.—On the 31 ult., two "hard cases," from Philadelphia, stole a lot of silver-plated forks, and a lot of other articles, from the saloon of Mr. Gehring in this place. They were arrested shortly after and taken before 'Squire Brice, who committed them to jail in default of bail. From letters found on their persons it was discovered that they belonged to Kleckner's Circus Company, which "busted" up a short time ago. Their names are John Day and Wm. Ward.—*Northumberland Co. Democrat.*

BALLOU'S MAGAZINE FOR SEPTEMBER.—The September number of Ballou's Magazine is one that should be read by all classes. It is full of stories, adventures, poetry, fun, engravings, and not a line in it but contains information. There is no serial in this country that will compare with it when price is considered. The contents for September are: "A Grand English Wedding;" "Sugar Making:" "South American Indians;" "The Pnoca, or Seal;" "Mechanic's Institute, Baltimore;" "Mount Egmont, New Zealand;" "City of Magdeburg, Prussia;" "Ancient Egyptian Kings; &c., &c. Address Thomes & Talbot, 63 Congress Street, Boston.

MENDING BROKEN LEGS OF HORSES.—The following way of treating broken legs of horses, which, if as good as asserted, might save many valuable horses, should be generally known and proved.

"A valuable horse in Hartford, Conn., had his legs broken recently. The leg was carefully set by an experienced surgeon, and covered thickly with plaster. When the plaster set or hardened, it kept the limb as immovable as if cased in iron. It is said that a broken leg thus treated will, in a short time, knit together and become as good as ever." This is at least worth a trial, and might save horses that their owners prize highly; if it does not succeed they are no worse off, and if it does they have saved their horses.

A WELCOME GUEST.—Good music is always welcome, and especially when it appears in as neat and cheap a form as is WHITNEY'S MUSICAL GUEST. This is a monthly Journal devoted to music and musical literature, and no where can so much choice music, in such a variety, and printed in so neat a form, be found at so low a price. The August number contains an excellent account of the Peace Jubilee, the fourth article of "Life in Cuba," and other interesting sketches; two very pretty songs, "The Good Time Coming," by Abbey, and "Little Snow white Hands are Folded," by Shattuck, another of Mr. Mathias' fine compositions, "Lake Breeze Waltz," and "Blue Bells Schottische," by Frank Howard. The above music cannot be obtained elsewhere for less than $1.00, while the Guest is but $1.00 per year. Send ten cents for specimen copy to the publisher, W. W. WHITNEY, Toledo, O.

TAKE CARE BOYS.—Our annual warning to those who are in the habit of bathing is now in order. There is nothing more dangerous than this during the heated term, but a little care and judgement will prevent bad effects. The body should be allowed to cool in some measure before bathing, and the stay in the water should not be prolonged beyond a reasonable time. This warning is repeated every summer, but there are many who are unmindful of it, and very serious results and often death ensue.

THE SOLDIER'S HOMESTEAD LAW.—The Commissioners of the General Land office has decided that soldiers who entered homesteads prior to the passage of the recent act of Congress, familiarly known as the Soldiers' Homestead law, are entitled to have the time they served in the army deducted from the time heretofore required to perfect title to homestead the same as those who made entries after the passage of said act, and therefore, the soldiers wo made homestead entries under the old law may receive their patents by making proof of the same and showing a compliance with the law and regulations, without waiting until the expiration of five years from the date of entry.

GREAT DISCOVERY.

Kunkels' Bitter Wine of Iron.

For the cure of weak stomach, genera debility, indigestion, disease of the nervous system, constipation, acidity of the stomach, and all cases requiring atonic.

The wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Mgnetic Oxide, combined with the most energetic of vegetable tonics—Yellow Peruvian Bark.

The effect of many cases of debility, loss of appetite, and general prostration, of an efficient salt of Iron, combined with our voluable Nerve, is most happy. I augments the appetite, raises the pulse takes off muscular flabiness, removes the pallor of debility, and gives a florid vigor to the countenance.

Do you want something to strengthen you?
Do you want a good appetite?
Do you want to build up your Constitution?
Do you want to feel well?
Do you want to get rid of nervousness?
Do you want energy?
Do you want to sleep well?
Do you want a brisk and vigorous feeling?
If you do, try Kunkel's Wine of Iron

This truly valuable Tonic has been so thoroughly tested by all classes of the community that it is now deemed indispensable as a Tonic medicine. It costs but little, purifies the blood and gives tone to the stomach, renovates the system and prolongs life.

I now only ask a trial of this valuable Tonic.

Price $1 per bottle. H. F. Kunkel, Sole proprietor, Depot, 259 North 9th st., below Vine, Philadelphia.

Ask for Kunkel's Bitter Wine of Iron and take no other. If your Druggist has it not, send $1 to my Address, and the medicine, with advice free, will come by next express train.

A mark of the unsuccessful man, that he invariably locks his stable when the horse has been stolen. This sort of wisdom never thinks about bodily health until it is gone. But just as much as any disease has become seated, the power of the system to resist and throw it off is weakened: hence time is all important. For dyspepsia, all diseases of the liver, stomach, skin and kidneys, and all that begin in vitiated blood, do not wait until the trouble is confirmed, but attack it by a timely use of DR. WALKER'S CALIFORNIA VINEGAR BITTERS. 4w
