THE POST

SELINSGROVE..... OCT. 24, 1872.

TOWN AND COUNTRY.

THE brass band harvest is almost over in Pennsylvania. It was profitable in all parts of the State.

THE Constitutional Convention will meet at Harrisburg, on the 12th of November, next.

THE air is filled with the groans of dying "Liberals" and the curses of wounded Democrats.

SMALL advertisements and plenty of them is a good rule. We were all babies once, but we made considerable noise.

DON'T forget to examine your stove pipes before kindling fires in the stoves. By not tending to this caution bad consequences may ensue.

PERSONS who persist in sitting out upon the steps of the front doors, after night, with their heads bare, should not wonder where that neuralgic attack came from.

THE free Schools of our Borough opened on Monday Oct. 21st, the teachers selected we are informed are C. C. Bower and J. M Vanzandt.

GREELEY used to observe that more school houses were needed in the South. He now thinks there are too many in Pennsylvania and Ohio. He will probably sell out at Chappaqua and remove to Georgia.

SOME one wickedly says that the reason why very young girls usually take the prizes at the fairs for making good bread, is because their mothers make it for them, while the older girls think they can manage alone, and fail miserably.

OUR friend G. W. Granello, Esq., the popular watch maker & jeweller has moved from his former residence to the late home of Frederick Kremer a few doors west of Dreese's store.

ALMOST every borough and city of note in the State either projects or has started building a railroad car factory. The competition in this business is destined to be immense, as the demand increases.

ATTENTION is called to the advertisement of "Crumbs of Comfort," in another column. We would advise all prudent housewives to ask their grocer for "Crumbs of Comfort." They will find it the best and cheapest Stove Polish in the market.

THANKSGIVING.—President Grant has issued his annual proclamation setting apart Thursday, November 28th, as a day of Thanksgiving. Governor Geary will, most likely, issue his proclamation in accordance therewith, shortly.

FOR THE LADIES.—Ladies who are desirous of renovating their black dresses of last season, whether of silk, cashmere or alpaca, can clean them beautifully with borax dissolved in tepid water. The preparation is a tea-spoonful of borax to one quart of water. Apply with a black woolen rag or nail brush.

POSTAL CARDS.—Postmaster General Cresswell's efforts to place the postal card system into immediate operation are frustrated by the operation of an existing law which prevents the use of appropriations for the purpose desired. The next session of Congress will set the matter right, but until it does we can have no postal cards.

A LAD named Hoon, aged twelve years, had his right foot torn off, and the leg dreadfully mangled, at Marysville, recently, by hanging on the platform of one of the cars of the Northern Central railway company, while in motion near the bridge crossing the Susquehanna.

SUCCESSFUL SURGICAL OPERATION.—The friends of William Bolig of Middlecreek Twp., who has for several years been suffering from a diseased limb, and inflamatory rhumatism, will be pleased to hear that the amputation of the left leg above the knee has been accomplished. On the 9th inst., Dr's. J. W. Rockefellow and B. F. Wagenseller, met at the residence of Mr. Bolig, and in less time than we can write tals the operation was successfully performed; ever since the patient has been rapidly improving, and promises soon to regain his usual health.

UNDERSTANDS HIS BUSINESS.—Our press being out of order, we called several professed machinists and mechanics, all of whom were unable to repair the injury, when we were solicited to call to our aid J. J. Badman Esq., the gentleman, who made and erected the machinery connected with our flourishing Steam Planing Mill. We are both pleased and proud to say, that the press is in as good working order as ever. You that have need of the services of a good practical machinist, give him a call,

BRINARD'S MUSICAL WORLD for October comes to our table in an entire new dress, and is a model of handsome typography. The publishers offer a new and revised Premium List, containing One Hundred valuable and attractive premiums for new subscribers, and consisting of valuable books, music, silver-plated ware, elegant chromos, violins, guitars, pianos and organs.

The music in this number is a beautiful song and chorus "Mother, do not shut the door." "Beautiful Day Mazurka" and "Pony Gallop."

Subscription prize $1.00 per annum. Send ten cents for a specimen copy and premium list, to

S. BRAINARD'S SONS, Publishers, Cleveland, O.

A USEFUL THING IN THE HOUSE.—One of the most useful books to have in the house is BALLOU'S MONTHLY MAGAZINE, the November number of which is just out, and for sale at any depot in the country. It is just what cheers a fireside of a winter evening, and now that the publishers of Ballou's Gagazine propose to give a pretty little chromo to every subscriber the coming year, we may expect to see the publication increase rapidly in circulation, even 200,000 not being too much for such a cheap and good monthly. Such a selection of stories cannot be found in any other serial in this country. Besides, it has a juvenile department which is most interesting and instructive. Send a three cent stamp for specimens and premium lists, and you want regret it. Published by Thomas a Talbot, 63 Congress Street, Boston. $1.50 per year, or 15 cents single copies.

THE law forbidding the sale or presentation of liquor on election days was strictly observed in this place, its beneficial effects were most marvellous. Not a drunken man, nor a quarrel of any kind, disturbed the proceedings. All parties were pleased with its effect, and the cause of temperance was much strengthened.

BUILDING ASSOCIATION.—The Middleburg Building Association will meet on Saturday, Oct. 26, in the Court House, to adopt By Laws to the Constitution, and dispose of Stock. A large number of shares have already been sold. Women can take shares in their own name. Persons wishing to connect themselves with a good Building Association are invited to join us. J. CROUSE.

G. W. GRANELLO, Sec. Pres.

SERIOUS ACCIDENT.—While the section hands J. Reiser, section Boss. N. Bachman, James Buffington and N. Shannon, were conveying, the Division pay-master to the adjoining section of the S. & L. R. R. on the 15th inst., on a hand car, one of the employees George Lutz, was caught by the lever, thrown from the car, the same passing over his body, causing fracture of the right fore-arm, severely cutting and bruising the head, and severely tearing and lacerating the right foot and ankle. Dr. J. W. Rockefellow was promptly called, and speedily relieved the sufferer, who we are happy to say is rapidly improving.

The greatest want of the present age is men and women, healthy and vigorous in mind and body. The continued headaches, weaknesses, nervousness, and varying ailments which afflict women are generally the result of imperfect action of the stomach and other vital organs. DR. WALKER'S CALIFORNIA VINEGAR BITTERS, being composed entirely of vegetable substances indigenous to California, may be taken with perfect safety by the most delicate, and are a sure remedy, correcting all wrong action and giving new vigor to the whole system.
