

THE POST. MIDDLEBURG, JULY 31, 1873. Local News, &c.

Beware of unfair fruit and too aged vegetables if you wish to avoid the usual summer complaints. We have not heard of a single accident from mowing or reaping machines occurring in this neighborhood this season. Several fine showers of rain on Saturday night and Sunday, but we need still more, so that our farmers can do their fall plowing. John Schoch has been appointed postmaster at Hummel's Wharf, this county. Libby postoffice, Union Co., has been discontinued. The blackberry crop is said to be quite large this season. A great many vines are in the stores and to be sold to families in town. Snyder County Agricultural Society will hold its fair on the fair at this place, on the 5th of October.

On Saturday last, whilst Asaph Brown was travelling back to the farm near this place, the horses attached to the wagon became frightened, at the approach of a train of cars and ran towards the bridge scattering bark in all directions. At the bridge the horses were secured. Nobody hurt, but the wagon was wrecked considerably.

On Friday, 21st inst., of the 5 o'clock train west, ran over and killed James Shannon's cow. He is a poor, but honest, hard-working man with a large family and the loss is certainly a much greater than if some of our large farmers in this vicinity had lost every head of a cow on their farms.
