Able speakers will be present to address the meetings.

In a little less then a week the citizens of this county will be called upon to exercise the elective franchise, and we deem it proper to call the attention of all to the candidates put in nomination by the Republican party, commencing with the State officers We have for Supreme Judge, Hon. Isaac G. Gordon, an able and upright Jurist, and for State Treasurer, R. W. Mackey, Esq., who now fills the office with ability.

OUR COUNTY TICKET.

Dr. B. F. Wagenseller, of Selinsgrove, our candidate for State Senator is in every way entitled to the united support of the Republican party of the district. As a citizen we are proud of him, and his public career is distinguished for the unswerving fidelity with which he discharged his duties. Our native pride should stimulate us to unusual exertions for his election, and the people of snyder county irrespective of party should give him their earnest support.

Col. Wagenseller was a faithful soldier during the rebellion, discharging his duty in face of the enemy with bravery, and deserves, as he will no doubt receive, the united support of the Republicans in the district. The district is now represented in the Senate by a Democrat, but the Republican majority at the last election was over eight hundred, and the Republicans have it now in their power to redeem it. The Colonel will make an attentive Senator and will represent the wishes of his constituents with ability.

Hon. Charles S. Wolfe Represented this district in the House of Representatives last winter and his record as a legislator is still fresh in the minds of his constituency. His ability and fitness is not questioned. His fidelity to the party and the interests of the people of the district is admitted on all sides. Let us be united and roll up an overwhelming majority for him.

JERE CROUSE.

Our candidate for Prothonotary is well known and we respectfully submit his case to the people.

JAMES M. VANZANDT,

for Register and Recorder is a young man of energy and good business qualifications, and fully competent to fill the office to which we intend to elect him. He was a good soldier and his now disabled right leg stopped one of the rebel bullets aimed and fired at and intended to perforate the charter of American liberties.

B. L. RAUDENBUSH,

for Associate Judge is in every respect qualified and fitted for that office. He has always stood firmly to the party and its interests. He is a man of good judgment and will make a fair and impartial officer. Let us give him a hearty support.

JOEL ROW,

is the candidate for County Commissioner. He is a hard working, industrious farmer, and a man of business, who will administer the county affairs in a safe manner. His fitness for the place is not disputed, and we may safely entrust the county affairs in his hands.

L. N. MYERS, ESQ.,

candidate for District Attorney is well qualified for the office; has no opposition and will certainly be elected.

G. W. ROW,

is the candidate for County Treasurer. Mr. Row is well known, especially in the lower end of the county, as an honest, upright farmer, and the second Tuesday of October will show that he is the right man for the place, and that the people will elect him by an unprecedented majority.

AARON S. HELFRICH,

is the candidate for Jury Commissioner, He will make an intelligent and honest selection of the Jurymen, for which he is peculiarly fitted.

JEFFERSON HALL,

is the candidate for Auditor. Mr. Hall is a young, active, intelligent business man, who will discharge the arduous duties entrusted to him with fidelity and promptness.

JUDGE LUDLOW is know in the West as the Philadelphia Josephine nominee of the Democracy, for Judge of the Supreme Bench. This is the whole story in a nutshell.—*State Journal.*

The Harrisburg *Mercury* says Dr. B. F. Wagenseller's chance for State Senator, from Snyder, Union, Northumberland and Perry, improve each day, as the real objects of the campaign of the opposition and the Doctor's unquestionable fitness for the position become apparent. There is now no doubt of his election by a handsome majority, if his Republican friends in the district manifest their accustomed energy and political tact.

DEMOCRATIC newspapers have falsely charged that State funds to a large amount were on deposit with the Union Banking Co. The officers of the company state that the State Treasurer had only $10,000 of State funds in that institution at the time of its suspension. The bank is solvent, and its depositors will not be losers. The fact is, Mackey's popularity and the certainty of his election so worries the Democrats that they are prepared to do anything to defeat him.

The Beaver *Argus and Radical* says, "Next to Grant, Mackey is the most popular candidate ever presented in Pennsylvania." The result of the election will prove the assertion true. Mackey is popular because he has proved faithful to the great trust reposed in him. For three years he has managed the finances of the State with signal ability and the strictest integrity.—The people know this, and in spite of the calumnies heaped upon him by the Democratic press, will show by their votes at the ensuing election that he has their entire confidence.

IT is reported that the Constitutional Convention, will conclude its labors within two or three weeks. Provision will be made for the printing of the proposed Constitution in the newspapers and pamphlets, so that a copy of it will be placed in the hands of every voter. It is altogether probable it will be submitted as a whole, but a separate vote may possibly be called for on one or two articles. The special election will be ordered in December, so that if adopted, the Constitution may be proclaimed the supreme law of the State before the meeting of the Legislature in January.

Speaking of Judge Gordon, the Germantown *Telegraph* says: "Judge Gordon, the nominee of the Republican party of Pennsylvania, for a seat on the bench of the Supreme Court, as he daily becomes more familiarly known to the people, is in the same ratio becoming more popular. That the choice of the Convention was a wise and Judicious one, is acknowledged on all hands. His character and qualifications are not simply admitted facts in the ordinary sense of partisan paragraphs, but they are of such a standing as will satisfy the most fastidious of our lawyers that he will prove upon the bench at least the peer of any one seated there. We do not depend upon ourselves for this personal statement, but upon the personal knowledge of those who have authority to speak."

THE nomination of B. F. Wagenseller, of Selinsgrove, Snyder county, for State Senator in this Senatorial district, gives general satisfaction. The Sunbury *American* says, Dr. Wagenseller has a most excellent record as a faithful Republican. During the war he served as surgeon, with the rank of Major, and so well did he discharge his duties that he was promoted to the rank of Colonel. Since the Republicans have a candidate in every way worthy of public trust, it will be their fault if he is not elected over Hon. A. H. Dill. The district is Republican by a small majority, and every one who feels an interest in the principles of the party should make it his duty to be at the polls early, and work for the candidates from State nominees down to County Auditor. Dr. Wagenseller's election is important to the working classes, and every laboring man ought to feel sufficient interest in the election to prepare to work for their favorite and friend, Dr. Wagenseller.

SHALL CORPORATIONS BE RELEASED FROM TAXATION?—This is one of the important questions to be decided by the next Legislature. The railroad companies have now almost conclusive control over the coal mines, and, in consequence of this, every man who buys a ton of coal has to work ONE DAY MORE TO BUY THAT NECESSARY ARTICLE; OR, IN OTHER WORDS, HE PAYS OVER ONE DOLLAR PER TON MORE THAN HE DID before these companies got control of the mines; and the miners producing that coal GET ACTUALLY LESS FOR THEIR PART OF THE LABOR.

These conditions actually exist today; and for this extraordinary privilege the corporations have to pay taxes. The railroad companies desire to be relieved of these taxes. It cannot be done without taxing the poor man and mechanics, and, in order to accomplish this, the Democrats have nominated candidates employed by railroad companies, and who will vote as they desire them to do. the question cannot be dodged All who are in favor of releasing the railroad companies from taxation will vote the Democratic ticket!—*Harrisburg Telegraph.*

ERRORS OF YOUTH.

A GENTLEMAN who suffered for years from Nervous Debility, Premature Decay, and all the effects of youthful indiscretion will, for the sake of suffering humanity, send free to all who need it, the receipt and direction for making the simple remedy by which he was cured. Sufferers wishing to profit by the advertiser's experience can do so by addressing, in perfect confidence, JOHN B. OGDEN, Aug. 7,3m. No. 42 Cedar street, New York.

THE REPUBLICAN CANDIDATES.—The nominees of the Republican party in this county are all men of the highest respectability—men of integrity and honesty. Dr. Wagenseller for State Senator, is a gentleman well quallified for that position. He is a man of rare ability, and his election will be an honor to the district. Dr. Wagenseller was a gallant soldier, and served with distinction through the entire war. In this vicinity the people are most particularly interested in the contest. It is positively known that Mr. Dill the opponent of Dr. Wagenseller, is Col. McClure's candidate, and if elected is pledged to support all McClure's fanaticism. All men employed on public works are therefore personally interested, as McClure's monopoly schemes are calculated to oppress the poor, and if Mr. Dill is elected he will add one more vote towards that object.—*Sunbury American.*

THE DOORS ARE OPEN.—If anything can touch our sympathy, it is the sight of an honest Democrat struggling to shield the rascality of his party behind his own respectability. We feel like taking the deluded man aside, and telling him that his efforts will be love's labor lost. But we have tried the experiment so many times that we have concluded to let the faithful follower of Democracy pursue its shadow until he gets tired and stops of his own accord. When he drops from sheer exhaustion then we shall pick him up, advise him calmly, and do our best to help him across the threshold of the Republican party. There are thousands of honest men still left in the Democratic party. They live in hopes of seeing it once more restored to its Jeffersonian days. They refuse to believe it lost beyond redemption, and so cling to its sinking fortunes, in hopes that something will turn up to bring about the radical change they desire. They forget that the days of miracles have past; that the elements of power, honesty, and patriotism, which once imparted glory to Democracy, have long since departed from the old shell, and are found to-day imparting vigor and purity to the Republican party. Occasionally this fact dawns upon some honest, well-intentioned Democrat, and he makes haste to enroll himself under the banner that represents his old-time principles. There is still room for more. The doors of our party are continually open, and all who believe in justice, equality, and an honest administration of the Government, are invited to enter.

Washington, Oct. 3.—The President has pardoned Barncho and Slolack, Modocks condemned to be hanged with Captain Jack and others to-day.

Dyspepsia! Dyspepsia! Dyspepsia!

Dyspepsia is the most perplexing of all human ailments. Its symptoms are most infinite in their variety, and the forlorn and despondent victims of the disease often fancy themselves the prey, in turn, of every known malady. This is due, in part to the close sympathy which exists between the stomach and the brain, and in part also to the fact that any disturbance of the digestive function necessarily disorders the liver, the bowels and the nervous system, and effects, to some extent, the quality of the blood.

E. F. Lyon & Co's Bitter Wine of Iron a sure cure. This is not a new preparation, to be tried and found wanting; it has been prescribed daily for many years in the practice of eminent physicians with unparalleled success; it is not suspected or intended to cure all the diseases to which the human family is subject, but is warranted to cure Dyspepsia in its most obstinate form. Kunkle's Bitter Wine of Iron never fails in Sour Stomach, Heartburn, Dyspepsia or Indigestion, wind and risings of the food dryness of the mouth, heartburn, distension of the stomach and bowels constipation, headache, dizziness sleeplessness and low spirits. Try the great remedy and be convinced of its merits. Get the genuine. Take only Kunkle's, which is put only in $1 bottles. Depot, 529 North Ninth Street Philadelphia.

Iron in the Blood

PERUVIAN SYRUP — AN IRON TONIC

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*

THE GREAT SOUTH AMERICAN **JURUBEBA BLOOD PURIFIER**
Is the most powerful cleanser, strengthener and remover of Glandular obstructions known to Materia Medica.
It is specially adapted to constitutions "worn down" and debilitated by the warm weather of spring and summer, when the blood is not in active circulation consequently gets impurities from sluggishness and imperfection of the secretive organs, and is manifested by tumors Eruptions, Blotches, Boils, pustules, scrofula, &c., &c.
When weary and languid from overwork and dullness, drowsiness and inertia take the place of energy and vigor, the system needs a Tonic to build up and help the vital forces to regain their respective power.
In the heat of summer, frequently the Liver and Spleen do not properly perform their functions the ulcerous and urinary organs become inactive, producing weakness of the stomach and intestines and a predisposition to bilious derangement.
DR. WELLES'
EXTRACT OF JURUBEBA
Is prepared directly from the South American plant, and is peculiarly suited to all those difficulties it will cleanse the vitiated blood, strengthen the life giving powers, and remove all obstructions from impaired and enfeebled Organs
It should be freely taken, as Jurubeba is pronounced by medical writers the most efficient Purifier, Tonic and Deobstruent known to the whole range of medical plants.
