THE POST.

MIDDLEBURG, October 9, 1873.

Local News, &c.

The Fair, last week, was a grand success. The number of people in attendance was large and the exhibition exceeded the most sanguine expectations. The weather was favorable and everything moved off in a very satisfactory manner.

—The ubiquitous Fockler was in attendance at the Fair disposing his good things to the hungry, right and left. During the oyster season John intends to furnish his customers with the best shell oysters the market affords. He can always be found at his head quarters in Selinsgrove.

The Purest and Sweetest Cod-Liver Oil is Hazard & Caswell's, made on the sea shore, from fresh, selected livers, by Caswell, Hazard & Co., New York. It is absolutely pure and sweet. Patients who have once taken it prefer it to all others. Physicians have decided it superior to any of the other oils in market.

If a man wants a Bottle of Whiskey, let him buy it and take it home like a man, and not sneak home with a bottle of "Bitters," or "Cordial," and pretend that it is medicine. If he wants a tonic that is something better than a temporary stimulant, he should get a bottle of Peruvian Syrup, (an Iron Tonic,) that will vitalize the blood and give durable strength to the system,

—Jos. S. Arnold, Esq., has moved to Liverpool township, Perry county, with the intention of practising the law in the several courts of that county. He will also extend his practice to the courts of Snyder and Juniata. Mr. Arnold is a young man of marked ability, indomitable energy, sound integrity; prompt, vigilant and successful. All business matters entrusted to him will receive prompt attention. We congratulate the Bar of Perry in receiving so valuable an auxiliary. 5.

OLD LAUDANUM.—The *Sunbury Daily* of a recent date says: It is only a few days since a lovely child of a Sunbury family was given a few drops of old laudanum, and it went to sleep never to awake. Another like case was made known to us, only the child happily recovered. Its parents, who reside in Shamokin township, came to visit some friends here, where the child took diarhoea badly. Among the remedies applied was laudanum, which had been a very long time in the house, from which the liquid had evaporated, leaving it nothing less than concentrated opium, which proved so fatal in the first mentioned case. We deem it our duty to warn parents against the use of this old laudanum, and cite these two recent cases for that purpose.

—We copy the following from the *Lewistown Gazette*, and hope those who are in the habit of jumping on or off the trains while in motion, will do so no more: "Two boys from *McVeytown*, who it is said have been in the habit of stealing rides on the cars, as is often the case, met with a mishap which resulted in the maiming of one for life, and ought to be a lesson to the other as long as he lives. On Friday morning 26th ult., they surreptitiously got on a freight coming down, and in the afternoon attempted the same feat at the station across the river on one going up. The first one succeeded in boarding a passing train, but the other named Winfield Beatty, missed his booting on the stirrup, and letting go his hold on the rod, was thrown down, the wheels passing over one leg below the knee, twisting his foot two or three times and fairly crushing the bones. He was taken up and laid down at the station, where some bystanders tied a handkerchief around his thigh to stop the effusion of blood, and physicians were then sent for. *Drs. Marks* and Hurlbut having arrived. It was deemed best to take him to the poor house, and Sutp. Smith having furnished an engine, car and stretcher, he was conveyed to the trestle work and thence to the poor house, where his leg was amputated above the knee.

Tape Worm, Tape Worm

Removed in a few hours with harmless Vegetable Medicine. No fee asked until the entire worm, with head, passes. Refer those afflicted to residents of the city whom I have cured, that had been unsuccessfully treated at the Jefferson Medical College, on Tenth Street; had taken in vain turpentines, the so called specifics, and all known remedies. DR. E. F. KUSKEL, No. 259 North Ninth Street Philadelphia. The Doctor has been in business for over twenty-five years, and is perfectly reliable. Call and see. Advice free. Removed tapeworm from a child six years old measuring 20 feet. At his office can be seen specimens, some of them over forty feet in length, which have been removed in less than three hours by taking one dose of this medicine. Dr. Kuskel's treatment is simple safe and perfectly reliable, and no fee until the worm, with head passes. Dr. E. F. KUSKEL, 259 North Ninth Street, Philadelphia, Pa. [Sep. 25, '73 1y

"FAMILY FAVORITE!"

THE "WEED"

SEWING MACHINE.

The most perfect, and generally useful machine in existence. For the family of the farmer or mechanic, where the work required of a sewing machine ranges from the heaviest garments of men's wear to the most delicate and ornamental fabrics for ladies and children, it has proved itself thoroughly efficient and entirely satisfactory. Of unequalled simplicity and compactness of construction, capable of being learned and operated with one-fourth the usual expenditure of time and labor, with a capacity for quantity, quality and variety of execution beyond its competitors, and a reputation for durability and reliability known and appreciated by thousands, it is offered to the people for the most critical inspection and comparison, with confidence that its obvious merits cannot fail to convince the careful examiner, of its superiority.

Not one person in

TWENTY

who examine the WEED before purchasing can be induced to have any other, and aware of all other machines. Knowing this fact, supply street peddlers or canvassers to push their machines into the houses of the people and sell them before they have any opportunity to see the WEED.

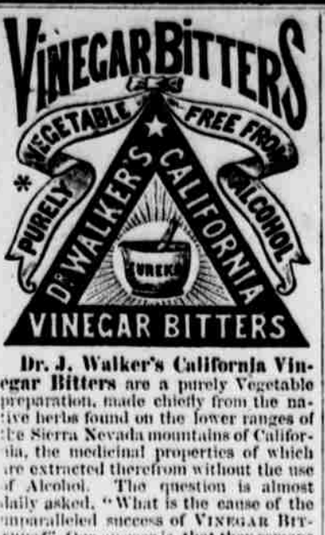
"CAMPHORINE" saves every pair, &c.



Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.
