Doctor Chester was a rich, old bachelor, not so very old either, only

thirty-six.

Why he had never married no one could tell, but true it is he had remained heart whole these years in spite of the many beautiful women who had smiled gracefully upon him. But somehow this poor suffering orphan won his heart completely during that week of unconsciousness. He was charmed with her sweet prattle about her childhood; and her innocence and helplessness, together with the suffering he had so unwittingly coused appealed, strong ly to his sympathies, and he fully resolved to win her love and make ber his wife if possible. Never had a patient a more assiduous doctor did than poor Meta. Mrs. Smith fumed and fretted over all the fuss that they made about "that girl" until the Dr. frightened her into silence by telling her that he knew how she had treated the poor child, and that if comfort he would have her arrested and tried for inhuman cruelty.
