THE POST.

MIDDLEBURG, April 29, 1874.

Local News, &c.

—Wm. Haines has taken charge of Bower's mill, near the Borough, and is said to be a first-class Miller.

—Sol. Thomas from West Beaver township, whilst out on a fox hunt, recently, shot a bear which weighed 250 pounds.

—Charley Corkius, late Miller at Bower's mill, has gone to Shadel's mill, in Perry Twp. Charley is master of his trade and as honest as the needle to the Pole. Success attend you.

LOST.—On the 23d inst., between this place and the railroad, a silver breast pin with the initials "J. C. B." engraved thereon. Any person finding the same will please leave it at this office.

JOHN J. MARTIN.—Having established a Barber Shop in town, will keep constantly on hand Razors, Towels &c. to suit customers. Shaving Shampooing and Hair Dressing expeditiously done. Cleanliness a speciality.

—We are informed that S. B. Schuck of this place, offers his property at Private Sale. This is one of the most desirable houses in Snyder county. Any one in want of a beautiful house would do well to call at once.

—We invite the attention of our readers to a speech of Hon. J. B. Packer, delivered in the H. of R. Feb. 17, 1874; subject—Free exchange and transmission of newspapers and distribution of Public Documents.

REUNION OF THE 9TH ARMY CORPS.—May 11th next there will be a re-union of the above named corps, and members of the gallant 51st are expected at Harrirburg on that occasion. Let us go and see our gallant leader now Governor of the grand old Keystone.

FIRST-RATE GINGERBREAD.—Two pounds of flour, one pound of butter creamed, one pound of sugar, one pint of molasses, ten eggs, six table spoonfuls of ground ginger, two tea spoonfuls of bicarbonate of soda. Bake in moulds, in a moderately heated oven; gingerbread easily burns.

FRANKLIN AHEAD.—Isaac Beaver has returned from the eastern cities with a large and well selected stock of goods which he will sell cheaper than cheap. All kinds kinds of Country produce taken in exchange for goods. Grain Seeds &c., a specialty.

Market prices of Grain, Seeds &c., will be found under advertisement.

Caution to Purchasers of the Peruvian Syrup (a protected solution of the protoxide of iron). Beware of being deceived by any of the preparations of Peruvian Bark, or *Bark* and Iron, which may be offered to you. Every bottle of genuine has *Peruvian Syrup* (not Peruvian Bark) blown in the glass. Examine the bottle before purchasing.

—An Irishman called at a drug store to get a bottle of Johnson's Anodyne Liniment for the Rheumatism; the druggist asked him in what part of the body it troubled him the most. "Be me soul," said he, "I have it in ivery houl and corner er me."

—For loss of end, horn ail, red water in cows, loss of appetite, rot, or murrain in sheep; thick wind, broken wind, and roaring, and for all abstractions of the kidneys in horses use Sheridan's Cavalry Condition Powders.

ACCIDENT.—Cap. Lewis Miller, whilst felling a tree, met with a serious accident resulting in a compound fracture of the leg above the ankle. The facts are, that when the tree fell his leg was caught between the stump and falling tree—he loosed himself, being a muscular man, walked forty rods to the wagon, unloosed his horse and drove home—unhitched his horse—went to bed and sent for Dr. Rockefeller who, on examination found a fracture as above stated, and the bones protruding through the flesh to the skin. He is doing well.

SPECIAL TAXES.—Every person engaged in any business which renders him liable to a special tax must procure and post conspicuously at his place of business a stamp denoting the payment of this special tax before commencing or continuing business after April 25, 1874. The following are embraced in the taxes referred to, viz: Retailers, wholesale and retail liquor dealers, dealers in leaf tobacco; peddlers, brewers of less than five hundred barrels. Any persons, so liable, who shall fail to comply with the foregoing requirements will be subject to severe penalties.

G. M. MOATZ & BRO. Tanners, Curriers and Finishers, keep constantly on hand a full supply of Leather of all kinds adapted to country trade. The attention of Saddlers is especially directed to their stock, on hand, of Flynet, Collar, and Harness. —Good tools are necessary to good work, but one must know to what use to put them, and be able to teach others, or through ignorance they will be subject to abuse. It is one of the most delightful of experiences to find one's self mistress of a house in which is a well appointed and nicely furnished kitchen. It is a pleasure to put articles made for specific purposes to their legitimate use, and learn, by practical experience, how well taey are adapted to ir, and how much the knowledge of them lightens labor. But, on the other hand, it is heart-breaking to see ignorance and recklessness riding rough shod over what we prize so highly. To see precious things put to vile uses, an absolute unconsciousness of the beauty of order and fitness, and the relation of the inner to the outer in living and working. JENNY JUNE. — *From Demorest's Monthly for May.*

ADAMSBURG ITEMS.—Our quiet little village is in a state of great excitement. From present indications there will be a great many tanneries erected in and about here this summer.

Robert Long, of New Berlin, purchased three acres of ground, near the town, for the purpose of erecting a large Steam Tannery, paying the highest price per acre that has been known to have been paid here before. Dr. A. M. Smith and a co-partner have purchased the large Brick Steam Tannery of Banks Dreese and will conduct the business extensively under the firm name of "The Adamsburg Tanning Campany."

Judge Raudenbush having purchased the old and well known Tannery, lately owned by N. D. Mertz, is making improvements and arrangements to conduct the business on a large scale. The Judge never does things by halves, but has secured the services of first class tanners and will run the Tannery to its fullest capacity. Yours

FERDINAND.

CAREY & COOPER.—The Maine Mill has changed ownership as will more fully appear by their advertisement in another column. That they will do all that they advertise in first class style, and rates to suit purchasers, is guaranteed by the reputation the gentleman, forming the new co-partnership sustain in the community and at large.

TREATING THE WRONG DISEASE.

Many times women call upon their family physicians, one with dyspepsia, another with prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent doctors, separate and distinct diseases, for which he prescribes his pills and potions, assuming them to be such, when in reality, they are all symptoms caused by some uterine disorder; and while they are thus only alde perhaps to palliate for a time, they are ignorant of the cause, and encourage their practice until large bills are made, when the suffering patients are no better in the end, but probably worse for the delay, treatment, and other complications made, and which a proper medicine directed to the cause would have entirely removed, thereby instituting health and comfort instead of prolonged misery.

From Miss Lorinda E. St Clair, Shade, Athens Co. O. Oct. 14th, 1872:

"Dr. R V Pierce, Buffalo, N. Y.—Your Favorite Prescription is working almost like a miracle on me. I am better already than I have been for over two years."

From Ella A. Schafer, Zanesville, Ind., Aug. 3, 1872:

"Dr. Pierce—I received the medicine you sent me as I began using it immediately. As a result of the treatment I feel better than I have for three years."

From Mrs. John K. Hamlin, Odell, Ill., March 19, 1872:

"Dr. Pierce—The Favorite Prescription has done me good, which I am very thankful for."

Medicine harmless, can refer those afflicted to the residents of this city whom I have cured. At my office can be seen hundreds of specimens measuring from 40 to 100 feet in length. Fifty per cent of cases of Dyspepsia and Disorganized state of Liver are caused by stomach and other worms existing in the alimentary canal. Worms, a disease of the most dangerous character, are so little understood by the medical men of the present day. Call and see the original and only worm destroyer or send for a circular which will give a full description and treatment of all diseases of worms; enclose 3 cent stamp for return of the same. DR. E. "FAMILY FAVORITE"

THE "WEED"

SEWING MACHINE.

The most perfect, and generally useful machine in existence. For the family of the farmer or mechanic, where the work required of a sewing machine ranges from the heaviest garments of men's wear to the most delicate and ornamental fabrics for ladies and children, it has proved itself thoroughly efficient and entirely satisfactory. Of unequalled simplicity and compactness of construction, capable of being learned and operated with one-fourth the usual expenditure of time and labor, with a capacity for quantity, quality and variety of execution beyond its competitors, and a reputation for durability and reliability known and appreciated by thousands, it is offered to the people for the most critical inspection and comparison, with confidence that its obvious merits cannot fail to convince the careful examiner, of its superiority.

Not one person in

who examine the WEED before purchasing can be induced to have any other, and agents of all other machines knowing this fact, employ street peddlers or canvassers to push their machines into the houses of the people and sell them before they have any opportunity to see the WEED.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the diseased vicid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Painters, Typesetters, Gold Beaters, and Miners, as they advance in life, become subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
