THE POST.

MIDDLEBURG, SEPT. 3, 1874.

Local News, &c.

—Never go to bed with an overloaded stomach.

—No bell can ring so loudly as a good advertisement.

—S. B. Schuck's new Brick is ready for a slate roof.

—The camp meeting at New Berlin was well attended.

—Corn, served up in all the various styles, is now among the seasonable luxuries.

—The present summer will be noted in history for its great storms, destructive floods and fires.

—How many troubles might mankind be spared if they would only stop to hear each other's explanations.

—Little boys who go fishing generally catch more after they return home than they do along the creek.

—Fishing on the premises where notices are published in the newspapers forbidding it, by a late law is fined $50.

—The cabbage crop will be small, and that delectable luxury, sour krout, accordingly promises to be a scarce article.

—The mornings and evenings for the last week have been quite cool. The time for putting up stoves will be here in a short time.

—A curious worm, in appearance like a small tadpole, is reported as making ravages in the pear trees, skinming the surface of the leaves.

—People who are troubled with a cough at night can be greatly relieved by mixing a spoonful of honey with water and drinking it before retiring.

—It isn't unconstitutional for a candidate to pay an editor to tell how good a man he is, but it's not constitutional with editors to tell without pay.

—Last Wednesday forenoon the roof of Henry Riegel's shop on Sugar street, took fire from a defective flue. The fire was put out before much damage was done.

—The first of September inaugurated deer, squirrel, pheasant, rail or reed bird hunting. Will turkeys and rabbits cannot be taken until October 1st, and partridges until November 1, and all only by regular hunting, no snares, pens or other contrivances being allowed by law.

—Centreville is improving about as fast, if not a little faster, than any other town of equal size in the county. Eight or ten new houses have been erected this summer. The new two story school house in course of erection will be a valuable addition to the place when finished.

—One of the hacks at M'Clure, whilst taking a load of men and women, to camp meeting, near that place, on Sunday last, when passing through a wood, one of the wheels struck a stump, throwing two of the women out, both receiving severe injuries, one having both arms fractured.

—On Saturday morning Mr. Samuel Straub, of Franklin township, sent one of his sons to fetch the horses home from the fields. The boy failed to return with the horses, when search was made. He was found in the field in an insensible condition, one of the horses having kicked him on the face and breast. His injuries, though severe, are not considered dangerous.

"Tired Nature's Sweet Restorer, Balmy Sleep."—But there are times when this "Renewer of Strength" is denied us, times when our minds and bodies have been so overworked and are so worn out that we "woo the drowsy god in vain." The Peruvian Syrup (an Iron Tonic) renews our strength and makes our rest sweet and refreshing.

The "Bar-Room Remedy" for all ailments in Rum Bitters, surcharged with Fusel Oil, a deadly element, rendered more active by the pungent astringents with which it is combined. If your stomach is weak and liver or bowels disordered, strengthen and regulate them with Vinegar Bitters, a purely Vegetable Alterative and Aperient, free from alcohol and capable of infusing new vitality into your exhausted system. Sep. 4 4w.

—Edward Bayer, Esq., Horton, Kings Co., N. S., writes that an astonishing cure has been effected on his daughter by the use of Johnson's Anodyde Liniment. The whole spine became diseased, she lost the use of her limbs, and her back was rounded up like a bow, in consequence of taking cold after having been inoculated for the kine pock. She is now well.

—We pledge our reputation on the assertion that any educated physician, after a careful examination of the recipe, will say that Parsons' Purgative Pills possess more merit than any other pill now offered for sale.

MID-DAY THIEVES.—During the absence of Mr. Uriah Weirick and family, from their house in Centre township, on Sunday a week, thieves broke into the house and went "through things." The whole house was ransacked. Desks, drawers, beds and clothing searched, private papers scattered over the floor. In fact the whole house was thoroughly searched from garret to cellar. The thief or thieves took a watch, a new set of furs, pair of pants, and other things, in all worth about $50. We would not venture to reflect on any one, in this penetintiary business, but it seems to us very plain that those who broke into Mr. Weirick's house knew that they were absent before they undertook the job.

TAKE TIME TO REST.—An exchange says most men and women must keep in the traces, and keep pulling, the year round. All the more, therefore, is it their duty to take things easier as the hot weather comes on. Take longer rests at noon. Put on less steam when you are at work. Snatch a Sunday now and then from the middle of the week. You can't? You can. People find time to be sick and to die. They can just as easily find time to rest and keep well. Everything does not depend on finishing that dress or fencing that field; on "putting up" so much fruit or catching so many customers. Better that the children should wear old clothes than that their mother should be laid aside by a fever. Better that the corn crop be a little lighter than that there be no one to harvest it. Let us have shorter sermons and fewer of them on Sunday; longer recesses for the children at school on week days. Put up the shutters earlier at night; prepare plain meals in the kitchen. Take a noon-day nap yourself, and give your employes a chance to go a fishing of an afternoon when the Lord lays upon us any duty which is hard a master as and he sometimes does.

—B. F. Burroughs, of Capitol Hill, will accept our thanks for favors shown us at Harrisburg, during the meeting of the State Convention. He is well and favorably known in our county for his integrity, and at Harrisburg for his energy and perseverence—he is a sound Republican.

The Sunday Schools of this place held a basket pic nic, in Smith's woods on Saturday. The table erected was 112 feet long, and fairly groaned under its heavy load of good things. A large number took dinner. The band was in attendance and discoursed some fine music. It was a festive day for all who were present, and one that will not soon be forgotten.

THE SEPTEMBER number of "Peterson's Magazine," is received, and is more beautiful than ever. The Steel engravings, the colored fashion plates, the illustrative wood-engravings for fashions and for patterns in embroidery, crochet, &c. are worth more than twice the price of the number. Write for a specimen, which will be forwarded gratis, and either subscribe your two dollars, or get up a club! Address Charles J. Peterson, 306 Chestnut St., Philadelphia, Pa.

A NEW INVENTION.—*A Plow Sulky* that you can Ride and Plough, and any Plow can be attached to it. Boys, old men, Cripples or any person that can drive a team, can do the best of plowing, more of it, with fewer Plow Shears and with less draft for the team, than can be done by hand by the best of plow-men, and that dry, rough and stony ground, and the most of the ground ploughed with the Sulky, will do with one less harrowing, than that ploughed by hand.

The reason why the Plow runs lighter attached to the sulky is because the weight of the plow and Furrow is carried on the wheels, it has been tested with a Dynomometer, and found to run twenty-five per cent lighter than by plowing by hand, and that with the weight of a man on the Sulkey.

The reason why you can do more plowing with the sulkey is, that there is little or no time lost by your plow running out, and then backing, as it is almost impossible for the plow to jump out when attached to the sulkey, even in dry and stony ground.

The reason why you can do better plowing with the Sulkey, is that the plow is so attached to the sulkey that it must take an even depth and width furrow.

The reason why any person that can drive a team can plow with the Sulkey is that they have nothing to do but to drive.

The Reason why it takes fewer plow shares in plowing with the Sulkey, is that the plow runs perfectly level and wears the share level on the bottom.

The reason why the Sulkey suits old men is that they can hold or fasten an umbrella over them and do not need to fear sunstroke.

The reason less harrowing will do in Sulkey plowing, is that the sulkey plows an even depth and width furrow which leaves the ground much smoother than can be done by hand plowing.

The reason why it is less expensive to plow with the Sulkey is, that you can hire a boy at 40 cents per day, where you would have to pay a man a dollar per day to plow by hand, saving 60c per day, a plow share at 75c that would last four days with the Sulkey, making a gain of two cents per day and the average gain of time the sulkey runs hand plowing. In hard ground is one third say 2⅔ acres per day with the Sulkey and 1¼ acres per day by hand plowing which is a gain of ⅔ acre per day allowing 40 to per day for plowing would be a saving of 26 ⅔ per day.

Total gain per day for sulkey $2 26⅔ the difference in the time saved in the harrowing of the sulkey plowed hand plowed ground we have not accounted for, we ther have we for the difference in the crops of good and bad plowing, but all know the difference in crops raised on good or bad plowing is great, the above calculation is made for hand ploughing, where in hand plowing the plow would jump out of the ground very often, and will not with the Sulkey, and the reason why we make the above assertions is, that we are able to convince one and all that they are true and ask the farmers of Snyder and Northumberland counties, to select their best hand plowman set their day and give us a trial, and we will convince them, not only that the aforesaid is true, but that the D. L. Vanscoder Patent Plow Sulkey is one the best Farm implements now in use.

The undersigned having purchased the right to manufacture and sell the Vanscoder Patent Plow Sulkey, in the counties of Snyder and Northumberland, do hereby notify the farmers of said counties that we are prepared to deliver Sulkies to all wishing to give them a trial. Price $80 when delivered by agents, a reasonable deduction will be made when ordered in lots of four and more to be delivered at one time and place, or when the purchaser takes them from the Factory of Slifer, Wallis & Shriner, Lewisburg, Union county Pa.

In ordering Sulkies please state whether you use right or left hand plows and we will deliver you Sulkies to attach your own plows to.

All orders must be addressed to

The Great Indian Diuretic.
Infinitely Superior to Buchu.

Nine tenths of the human family, suffer directly and indirectly, at one time or other from diseases or irregularities of the generative system, while the victims of discretion and quack treatment are comparatively numerous.

The idea that patients cannot treat themselves successfully in these cases has long ago been exploded. A good and reliable medicine prepared by an experienced physician in the original Indian receipt, that is guaranteed to effect a SPEEDY & RADICAL CURE can be as safely relied upon as the prescription of the most skilled practitioner. Such a medicine is the celebrated

CHEROKEE REMEDY.

CHEROKEE CURE

for seminal weakness (spermatorhœa). Is a simple vegetable medicine that was used for many years in the practice of the physician who first gave the formula to the public. It has effected cures that would seem to be incredible except on actual evidence of the fact. Full directions, with pamphlet containing all particulars of symptoms, treatment, &c., accompany each bottle. Price $2.00, sold everywhere.

CHEROKEE PILLS.

These pills are prepared especially for the cure of those irregularities to which ladies are subject, and will be found safe reliable and effectual, for the cure of suppression, chlorosis or green sickness, pain in the back, hysteria, sick headache, &c. &c. Price $1.00 per box.

Wright's Rejuvinating Elixir.

For the restoration of Nature's forces. It gives new life and vigor to the aged, and causes the blood of youth to course through the veins. It effectually cures impotency, Palpitation of the heart, Loss of muscular power, low spirits, diseased function of the generative organs and all the train of ills that follow in the path of the transgressor of nature's laws. Price $2 per bottle.

It will readily be understood that in the brief space afforded by the advertising columns of a public print, it is impossible to give all particulars of the diseases that may be cured by our Cherokee Medicine. That they are destined to become immensely popular is plainly obvious in consequence of their

GREAT INTRINSIC MERIT.

The pamphlet and circulars that accompany the medicines give all the information which cannot be given here and the remedies may be had of any respectable Druggist.

Himstreets Hair Restorative.

OR

Liquidable Hair Coloring.

Nature Does—Himstreet's "Hair Coloring" is not a Hair Dye, and its operation is not by any chemical effect, but by a natural restoration of the glands, thus giving the hair the color it originally had.

Nothing else—When your hair is dyed, its color is lack-luster and unnatural, but when restored by Himstreet's Hair Colorine, its appearance is so perfectly natural that no one can detect the use of any Restorative.

Nowhere—While the Restorative acts promptly on the hair it leaves no stain or mark whatever on the skin. It is composed of ingredients that form a perfect dressing as well as a coloring, so that no oils &c. are necessary.

This Most Effective of All the Hair Restorers, is for sale by all druggists, at 75 cts. and $1 00 per bottle. Numerous testimonials from those who have used it are in the possession of the proprietors.

PARK'S BALSAM

of

WILD CHERRY AND TAR.

Balsamic—Nothing is more soothing to the irritated membranes than the rare Balsam of which this medicine is composed.

Wild Cherry—The true bark of the Wild Cherry is an unfailing specific for all throat and pectoral diseases.

Tar—The wonderful healing properties of Tar, when united with the other ingredients, render Park's Balsam the most effective Cough Medicine ever offered to the public.

Consumption—The many cases of Consumption that have been cured justify us in asserting that it is the very best Medicine for that disease ever discovered.

CERTIFICATES OF CURES.

Stephen Fisk of New York, says his daughter had consumption and tubercles had formed in her lungs. She was induced to try Park's Balsam, which effected a speedy cure.

T. Edward Fleet, of Brooklin, says I think it is the best medicine for affections of the lungs ever used.

G. S. Fancher, of New York, says I feel fully persuaded that Park's Balsam has saved my life.

We have in our possession hundreds of certificates from others, and of the same cheering import.

Price, 50 Cents and $1 per Bottle.

Sold by Druggists and dealers everywhere.

EGYPTIAN Rat & Vermin Destroyer

For Exterminating Rats, Mice, Water Bugs, Roaches, Red Ants, &c.

Strength—When a rat tastes the Egyptian Destroyer, his death warrant is signed, sure. It cannot fail to kill. It also creates great thirst, and the rat will search for water out of doors and not die in his hole, to cause a rough coat cannot be got at.

Affordable in cost—Rats are the shrouded of vermin. It is hard to get them to eat poison. An ingredient in the Egyptian Destroyer is a perfect bait, and they are attracted rather than frightened by it. "Rats love children very much."

Keeping Soft—People know how the ordinary Rat Pastes dry up and become useless causing annoyance and loss. The Egyptian Destroyer is fully warranted to keep soft, fresh and effective in any climate for years.

Sure Death—The Egyptian Destroyer kills every time. Hundreds of unsolicited testimonials are now in the hands of the proprietors, substantiating its great merits as the best preparation for destroying Vermin in the world. Be sure and ask for the "Egyptian," and take no other.

Put up in large glass bottles. Price 25 cts.

Sold by Druggists Everywhere.
