

THE POST

Middleburg, Sept. 3, 1874.

Wagon Knowns—Dr. Glass, living near Granby, who is clearing up a new farm, has been troubled with a number of big oak stumps. He had heard that saltpetre was good for stumps. Accordingly, he sprinkled a couple of months ago, about on a table-spoonful of pulverized saltpetre. A few days ago he set fire to these stumps and says they commenced and continued to burn until every stump was totally consumed, roots and all, that he was able to plough without the least difficulty over the very ground formerly occupied by these large stumps. He says some of the stumps burned for four or five days. Farmers, try the Doctor's remedy; he says it will not fail. The Doctor also says, that if your cabbage plants are troubled with little black bugs, you can save every one of them by sprinkling them lightly with Cayenne pepper. Use an ordinary table pepper-box. This is a dead shot.—Granby (Ms) Mirror.

The Jews of Moldavia and the Ukraine prepare from honey a sort of sugar, which is sold as white sugar, which they send to the distilleries at Danzig. They expose the honey to frost for three weeks, where neither sun nor snow can reach it, and in a vessel which is a conductor of caloric, by which process the honey becomes clear and hard, like sugar.

DR. FAIRNEY'S Celebrated Blood Purifier or Panacea.

The Panacea will not only cure old standing and malignant complaints, but is one of the most powerful of such disorders ever offered to the world. You can avoid severe attacks of acute diseases, such as Cholera, Small Pox, Typhoid, Cholera, Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether on the condition of the blood; for if this vital fluid is deranged, you will take a disease much more readily than otherwise, and the suffering will be in proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.

Remember that the name and don't be put off with anything else which druggists may offer you. It is just as good as the Bitter Cassia because they make more profits on cheaper articles. Sold by druggists and dealers everywhere.
