THE POST.

MIDDLEBURG, OCT. 29, 1874.

Local News, &c.

Advertisements for insertion in this paper must be handed in before 4 o'clock on Tuesday, as we go to press early on Wednesday morning.

VOTE FOR

George Alfred Schoch, the Poor man's friend for Assembly.

—Without doubt hundreds of people who will read this item are suffering from kidney disease in some form, which might be cured with a bottle or two of Johnson's Anodyne Liniment, used internally. Why not try it?

—Parson's Purgative Pills, which are now being extensively sold in this State are purely vegetable, and are mild and gentle in their operation. One is a dose. Good qualities, certainly.

If Alcoholic Stimulants are taken into the blood the heart works faster, and this unnatural speed wears out the vital machinery. All intoxicating nostrums advertised are "tonics," "renovators," &c., produce this disastrous effect, and should be rejected. Dr. Walker's Vegetable Vinegar Bitters—an Invigorant without the curse of alcohol—is everywhere supplanting these these poisons. Oct 29, 4w.

VOTE FOR

Langhorne Wister, for Congress. He will work for the interest of the laboring man if elected.

VOTE FOR

Elias R. Swartz, for Commissioner. He is in every respect the man for that office.

TRIUMPHANT STRIDES.—What healthy pair of eyes has not seen the names Wanamaker & Brown, Oak Hall, by some shape? They point to the largest Clothing Depot in America, the giant House, corner sixth and market streets, on the site where George Washington lived while a resident of the Quaker City. This substantial firm, flushed with their triumph, announce in our columns for the fall and winter trade, some principles of business that will make a fluttering in the clothing trade, from Boston to New Orleans. They undertake to mark all their stock considerably lower than ever before; to every garment with a printed slip, naming goods and specifying the only price that will buy it; to furnish with each piece of clothing a written guarantee of its value; and to take the purchase back, and return the money, if tendered within ten days! In the chronological tables of 1874 there is nothing to insert more startling than this great change of base in the clothing trade.

VOTE FOR

Samuel F. Sheary, for Auditor. Mr. Sheary will make an efficient and worthy officer.

SUGGESTIONS TO HUSBANDS.—The spirit of house cleaning and soap suds pervades the air, as can be seen by taking a ramble through our streets. The cleanly housewife is at her fall house cleaning and she can be seen amid house cloths, brooms, brushes, etc., with arms bare to the elbows and determination upon her face. Good husbands, are patiently with the gentle one, in this one of the severest trials, and if you do not find dinner ready at the proper time or not arrayed as tastefully as wont, do not get angry and kick over the chairs and promiscuous water buckets, but sit down mildly and breathe a prayer of thanksgiving that it is not worse; nor do not mutter silent curses when called upon to assist in the shaking of carpets or the proper adjustment of that stove pipe, but console yourself with the thought that it will be yet for a little while and then you will have a perfect palace of a home in neatness, not a speck of dust to be found anywhere.

Voters of Snyder County.

EDITOR POST.—The following are some of the reasons why A. K. Gift should be elected to the office of County Surveyor, instead of P. M. Teats, the democratic candidate.

1st. Mr. Gift resides and keeps his office in Middleburg, which is the most convenient place, for all having official business with him: Whereas Mr. Teats, his opponent, lives in the extreme Southwestern end of the county, being therefore very inconvenient for those having business with him, and not the place to keep a county office.

2d. According to the new constitution Section 4th, Page 28, in case Mr. Teats was elected he could not serve or hold his office; because said Section provides thus "Prothonotaries, Clerks of Courts, Recorders of Deeds, Registers of Wills, *County Surveyors* and Sheriffs, shall keep their offices in the county town, of the county in which they respectively shall be officers. HALL'S VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and **dandruff**, and, by its tonic properties, **prevents the hair from falling out**, as it stimulates and nourishes **the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."**

of all, excepting the first-mentioned work (which is out of print), will be sent free on application to author Dr. FOOTE, or the Murray Hill Publishing Company, whose office is 129 East 28th Street. Agents—both men and women—wanted to sell the foregoing works, to whom a liberal profit will be allowed. The beginnings of small fortunes have been made in selling Dr. FOOTE'S popular works. "PLAIN HOME TALK" is particularly adapted to adults, and "SCIENCE IN STORY" is just the thing for the young. Send for contents tables and see for yourselves. The former answers a multitude of questions which ladies and gentlemen feel a delicacy about asking of their physicians. There is nothing in literature at all like either of the foregoing works. "SCIENCE IN STORY" can only be had of agents or of the Publishers. Once more,
