A GREAT STRIDE UP AND OVER

This Advertisement Copyrighted. Business Customs! Entered according to Act of Congress, in the year 1874, in the Office of the Librarian of Congress, at Washington.

OLD METHODS found to be faulty or objectionable, discarded. A new and vastly advantageous plan hereby adopted!

Already the Largest Clothing Concern in America, and leading the Trade, IT STARTS ON A NEW CAREER!!

Silencing Objectors! Ruling Out the Possibility of Unfairness! Assuring Equal Rights to All! Dropping every feature liable even to Criticisms!

GUARANTEEING PURCHASERS AGAINST MISREPRESENTATIONS, UNDERSTANDINGS, TAKES, FITS, REPRESENTATIONS, UNDERSTANDINGS, DISSATISFACTION with Price or Purchase rendered IMPOSSIBLE! A PLAN

By which it is hoped to double in the coming year the already immense business of ENORMOUS ESTABLISHMENT.

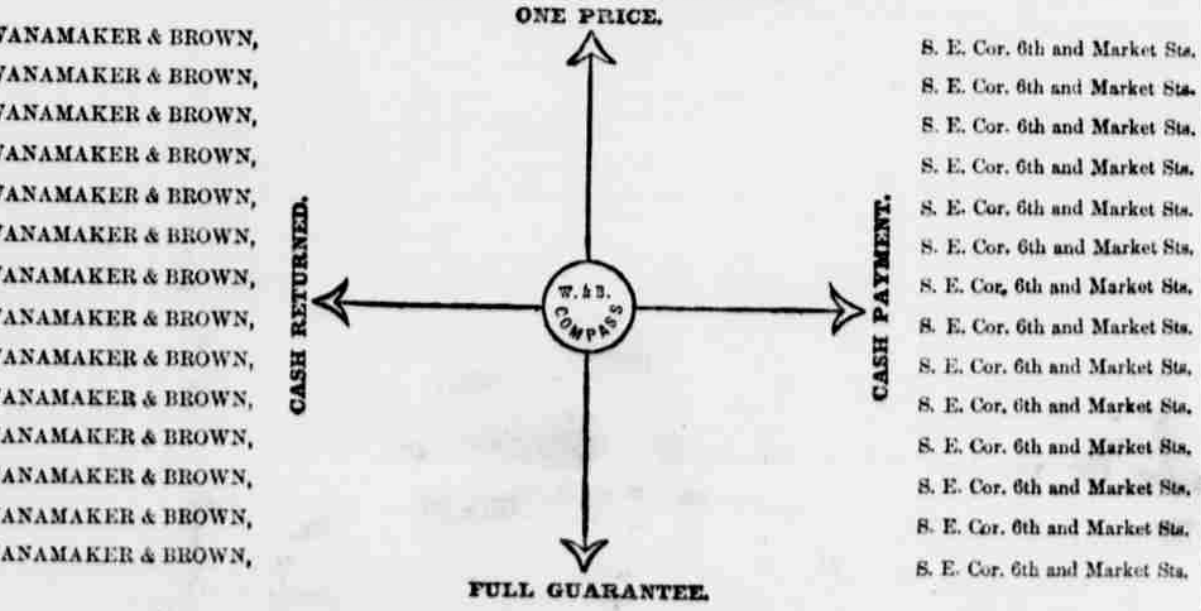

BY MERITING AND SECURING THE Patronage of all classes of the Community to a degree never before enjoyed by ANY one House in any department of trade! ALL THOUGHTFUL FOLK.

Thirteen years of interested and eager observation of different methods of doing business, while establishing and extending the largest clothing trade in the United States, have brought us to the following CONCLUSIONS:

- 1st That a customer has a right to some GUARANTEE that his purchase shall prove exactly as represented. 2nd That Cash throughout is the only basis consistent with the very lowest prices, as credit in every case necessitates higher prices to cover losses by bad debts, interest, law suits, hire of collectors, increased number of book-keepers, etc.

WE UNHESITATINGLY ADOPT THEM ALL, and confidently relying on the approval and support of an intelligent and discriminating public, we inaugurate what we believe to be the best system in the world, and announce THESE AS THE

FOUR CARDINAL POINTS by which we will hereafter steer our craft.

EXPLANATION AND ELABORATION OF WANAMAKER & BROWN'S NEW PLAN.

Houses doing a credit business must provide for losses on bad debts, interest on long-standing accounts, capital locked up, etc. To bear such losses themselves would drive them out of business. Therefore a per cent is added to the price of each article sold, to cover this leakage, and Cash Buyers whether they know it or not, really pay the bad debts and the interest on the long credits of the other customers! Under the Cash Payment system one pays only for what he gets, and contributes nothing to a "Sinking Fund."

GUARANTEE.

- We hereby guarantee 1st. That the prices of our goods shall be as low as the same quality of material and manufacture are sold anywhere in the United States. 2d. That the prices are precisely the same to everybody for same quality, on same day of purchase. 3d. That the quality of goods is as represented on printed labels. 4d. That the full amount of cash paid will be refunded, if customers find the articles unsatisfactory, and return them unworn and unaltered within 10 days of date of purchase.

This is simply a concession on our part to our customers, to secure them full confidence in dealing for goods they know very little about, and we thus prevent any occasion for dissatisfaction from any and every cause whatsoever.

THE ADVANTAGES IT MAKES CLOTHING CHEAP.

Sinking the prices several degrees below what they have been heretofore, or could possibly be under the old system. Incident to a system having for its cardinal points, these which we have now explained, are simply innumerable. Saving of time and temper, perfect security, absence of all huckstering, etc., etc., etc. - but above all this, when we make our clothing so that they can draw the money value with it equally as well as with a check on the bank?

ENTIRE CHANGE OF BASE Investigation is asked into all we have here put forth.

Staking the hard-earned and fought-for reputation of our house (of which we confess we are proud) on the faithful and exact fulfillment of all the promises and conditions herein laid down. On this new, and in many respects Original Plan, we launch the Oak Hall Craft on Philadelphia.
