A New Invention--A Plow Sulky that you can ride and plough, and any plow can be attached to it. Boys, old men, cripples or any person that can drive a team...

THE reason why you can do more plowing with the sulky is, that there is less or no time lost by your plow turning out and then backing, as it is almost impossible for the plow to jump out, when attached to the sulky, even in dry and sandy ground.

THE reason why it is less expensive to plow with the sulky is, that you can hire a boy at 10 cents a day, where you would have to pay a man a dollar per day to play by hand, setting out and pulling a plow...
