One person for Sheriff,
Two persons for Co. Comm'r,
One person for Judge,
One person for Treasurer,
One person for Co. Auditor.

ADJ. ARGUMENT COURT.—Judge Bucher held an adjourned argument court on Tuesday, 27th ult., and cleared the List of all unfinished business. The work is well up, and by reference to the Trial List, it will be observed, that but one old case remains to be disposed of, i. e. Van Kirk vs. The Penn'a. R. R. Co., the remaining cases having been put at issue at the two last Terms.

The *Phrenological Journal* and *Life Illustrated* for May is replete with information and good counsel, presented in its usual crisp and lively style. Everybody can find something to interest him or her in this number. There are Prof. Sheppard, Gov. Tilden, Dr. J. P. Thomas, and the late Sir Wm. Bennett among the portraits; while among the articles—social, scientific, political, and witty—are Common sense in the pulpit, Cattle Raising in the United States; American Finances; &c. The office of the JOURNAL has been removed to number 737 Broadway, and 737 is near the centre of what has become the focal area of New York Publishing Houses. Price 30 cents. Subscription for a year $3. A new volume begins with the July number.

DECORATION DAY.—As the 30th of May will fall on Sunday this year Major General Devens, commander-in-chief of the Grand Army of the Republic, has issued a general order for the observation of decoration day the Saturday preceeding, except in States whose legislatures have made the occasion a legal holiday and have provided that when memorial day occurs on Sunday the following day be observed as such. He advises, therefore, that comrades in these departments go forward and make preparation for the observance of that day, as he has much confidence that the national encampment which will meet at Chicago on the 12th day of May, in order to ensure a full recognition of the day, will modify, so far as these departments are concergened, the regulation which now requires the day preceding to be the one observed.

—The following receipe for preventing whitewash from adhering to everything that happens to brush against it, we find in an exchange. It reads as if it might be good, though that evidently depends on seeing it properly mixed. Soak four ounces of glue in a quart of warm water for twenty-four hours, then add a pint of water, place the vessel (tin) in a kettle of hot water over the fire, and agitate the glue until it is thoughly dissolved and the solution is quite clear. Now put five or six pounds of powdered Paris white (costs three cents a pound) into a bucket, and add hot water until the mixture is of the consistency of cream. Then mix the glue with it, stir it well and put on with an ordinary whitewash brush. It is of the utmost importance that the calcimining mixture be spread smoothly, and if too thick a little hot water should be added. The quantities given above are sufficient for two coats on a large room sixteen feet square. To make a good job two coats should always be applied.

FATAL ACCIDENT.—On Saturday last whilst Mr. Adam Walter of Centre township was hauling manure, and accompanied by two of his children who were with him on the wagon, and whilst he was going down a hill, some of the boards of the wagon box became detached and slid on the horses' legs. The horses took fright at this, and ran down the hill at a fearful rate. Mr. Walter did all in his power to save his children, but was thrown from the wagon, escaping with but slight injuries. The poor children, however, were less fortunate, one of them a little girl about 7 years of age was thrown across one of the traces at which it was suspended by the neck, the marks of the traces being plainly visible, besides receiving such internal injuries that she died in a few hours after the accident. The other child a small boy it is feared can not recover. He was thrown with such violence to the ground as to paralize both of his legs besides receiving severe bruises.

We hope others may take timely warning, by this sad affair and keep their children away from wagons and horses, as it is very often the cause of distressing accidents and death.

REPUBLICAN STANDING COMMITTEE.—Committe convened, pursuant to call of the Chairman, at the Courthouse, in Middleburg, April 27, 1875.

Friday June 4th, between the hours of 1 and 7 p. m. was fixed as the time for holding the Primary Election. Return judges to meet at Middleburg on Saturday the 5th.

A. M. Potter, Esq. nominated Dr. D. F. Wagenseller for Senatorial Delegate who was elected by acclamation.

J. H. Arnold nominated Thomas Shellenberger Representative Delegate who was also elected by acclamation.

Several resolutions prescribing the manner of conducting the Primary were discussed, but on ballot were lost, thus leaving the matter as heretofore.

J. H. Arnold offered the following resolution which was adopted without a dissenting vote—

Resolved, That the Delegates to the State Convention this day appointed be and are hereby instructed to vote for John F. Hartranft as our candidate for Governor, and for John *B.* Linn as our candidate for State Treasurer as the choice of the Republican party of Snyder county.

The Chair appointed *Messrs.* Arnold, Potter, and C. F. Moyer committee on Resolutions who reported the following:

RESOLVED, That we endorse the administration of Gen. Ulysses S. Grant, President of the United States of America, and that we heartily approve, of the conduct of Liut. Gen. Philip Sheridan while in command in Louisiana.

RESOLVED, The administration of Governor John F. Hartranft meets our hearty approval. His exalted character as a man, his splendid nerve as a soldier, his ability as an administrative officer is such as to entitle him to a renomination for the high office he now so ably fills.

RESOLVED, That we representatives of the Republican party of Snyder County in convention assembled, do hereby demand him as our unanimous choice as the Republican candidate for Governor in 1875.

J. A. LUMBARD, CHAIRMAN.
NEB B. MIDDLESWARTH, Sec.

—The doctors whisper in the ears of their confidential friends, "hold on to your flannels yet awhile."

—The list of applicants for tavern licenses will be found in our advertising columns.

—We are under obligations to Gov. Hartranft for a copy of the General Laws passed by the late legislature.

—We have very cold weather for this time of the year, On Sunday there was a snow storm.

Our farmers are now actively engaged in plowing for their oats and corn—the ground having at last become in proper condition for working.

A CURE FOR CUTS.—Take a coal from the stove, pulverize it, apply it to the wound, and then cover the whole with a rag. The charcoal absorbs the fluids secreted by the wound, and lays the foundation of the scab; it also prevents the rag from irritating the flesh.

—Our enterprising business man, G. C. Gutelius has enlarged his store room. He intends to have a Merchant Tailoring establishment in connection with his clothing store. Good fits, good goods and low prices will be the go.

—A gentleman of probity, who reads the almanacs, has come to the conclusion that whenever in the course of human events their compilers foretell nice weather it means the direct opposition, so that he can tell within a mile or two just about the nature of the weather next week.

—The prospects of the fruit crop are reported to be better than for years past.

A preparation so widely and favorably known as Hall's vegetable Sicilian Hair Renewer, needs few words of praise from us. This compound has won its way to the highest favor in the public mind; and multitudes, who have vainly used other remedies for the restoration of their hair, have, on trying the Sicilian Renewer, been made glad by the speedy restoration of their gray hair to its natural color, and the thin locks thickened up, as in the days of early youth. It also prevents the hair falling out, makes it soft and glossy, and is altogether the best preparation for its intended purposes before the public.—[Pittsburg Chronicle.

THE CHAMPION REAPER AND MOWER.—Samuel Aurand, of Adamsburg, is agent for the above named machine. We can safely say that Mr. Aurand is just the man to act in that capacity and the machine he represents one of the best, in all respects, now in use. We bespeak for him a liberal share of patronage.

GOOD PLACE TO STOP AT.—The Allegheny House, Nos. 812 & 814 is one of the best places to stop at in Philad. The Propr. Mr. Beck, is the right man and knows how to run a first-class hotel, as all will testify who have stoped at his House. Terms reasonable.

—G. C. Gutelius, has gone to the city and will have a large stock of Spring and Summer clothing, unpacked and for sale at prices to defy competition by Saturday. The latest styles of hats and caps. All we have to say is that if you want a good suit of clothes, go to G. C. G's. and get it. The best brands of tobacco and Segars constantly on hand.

—Romig & Aurand, of Adamsburg, have just received the largest and best assortment of Dry Goods, Dress Goods, Ready Made Clothing, Groceries, Queensware &c., &c., ever brought to that place and at prices which will both astonish and please the natives. Call and examine their stock before purchasing elsewhere.

—Haines & Snyder, of Salem, have just received from Williamsport another 100,000 feet of the best seasoned lumber in that market and are prepared to do all kinds of work in their line promptly at the shortest notice. Give them a call before purchasing—they guarantee satisfaction as to quality and price of all work done by them.

SUNDAY SCHOOL CONVENTION.—The annual meeting of the Snyder County Sunday School Association will convene at Smithgrove, on the 3rd Tuesday (18th inst.) of May at 2 o'clock P. M. Sunday Schools should elect their delegates at once, and delegates notify Jacob A. Smith Esq., of their intention to attend, so that arrangements for their entertainment may be made. It is hoped that all the Sunday school workers will take an interest in the matter, that we have a full attendance.

Ayer's

Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test o years, with a constantly growing reputation, based on it intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known of **Scrofula**, and all scrofulous diseases **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches Boils, Pimples, Pustules, Sores, St Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility**, and **Leucorrhœa**, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
