

THE POST.
Middleburg, June 24, 1875.

A bad little boy, upon being promised five cents by his mother, if he would take a dose of castor oil, obtained the money, and then told his mother that she might castor oil in the street.

A little girl at school reads thus:—"The widow lived on a small limboey left her by a relative. "What did you call that word?" asked the teacher:—"The word is legacy, not limboey." "But," said the little girl, "my sister says I must say limbo, not leg."

VINEGAR BITTERS
PURELY VEGETABLE
FREE FROM ALCOHOL
WALKER'S CALIFORNIA
VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Incubator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in feeding the sick of every disease man is heir to. They are a general Purifier, and a tonic, relieving Congestion, and inflammation of the Liver and Visceral Organs in PLEURISY, DYSPEPSIA, and all other ailments.

THE NEW GROVER & BAKER LOCK STITCH SEWING MACHINE.
The Grover and Baker machine far excel any other machine for DRESS MAKING and general family use.
The stitch is beautiful and durable. It is so simple in its construction of parts and its practical operation that it is very difficult to get it out of order, and is easily managed. It is invaluable in the family, as it will make all kinds of work as long as the tread is on, as well as the most delicate work.
The GROVER & BAKER will do recent improvements in neat, durable, ornamental, simple and perfect in its operation. It requires less attention for repairs than any of the numerous machines in use, and has been in constant use for years.

SIXTEEN YEARS
without the aid of one that has repaired. It is finely finished with Black Walnut table and cover.
