THE Democratic roosters are out, as we predicted, over the rebel triumph in Georgia. The solid south must be opposed by the solid north.

THE Hon. John W. Killinger, of Lebanon, has been nominated for Congress in the district composed of the counties of Northumberland, Dauphin, and Lebanon. Mr. Killinger was a member of Congress from 1859 to 1863, and from 1870 to 1874 and his election next month is certain.

BRING OUT EVERY VOTE.—Every Republican vote must be got out this fall. No business transaction, no public or private engagement must be allowed to interfere with voting. This must be considered a sacred obligation to be kept at all hazards and under all circumstances. The loss of a single vote may give a State to Democracy. The loss of a State may lead to the surrender of the Government to those who have plotted its overthrow. Republicans must work as if on one vote depended the salvation of the Republic. The lukewarm must be aroused to activity, the doubters must be convinced by the presentation of facts, every friend of the country must be enlisted in the great work of defense. The signs of the times indicate a Republican victory, but our friends must remember that the result depends upon the work accomplished. If the work is thorough the triumph will be complete.

Reasons Why Hayes Should be Elected.

1. Rutherford B. Hayes is a true man in every result.
2. His past record is without stain.
3. He proffered his services to the Government in the hour of need.
4. He was a brave soldier, and shed his blood in the defense of his country.
5. He has given his time and money for the good of the nation.
6. He has never betrayed a trust nor a friend.
7. He has never wronged a person out of a dollar which was due him, or failed to keep his promise to the humblest.
8. He has made a good Governor during three terms, and has kept himself clear of all jobs. His hands are as clean to-day as when he entered upon his duties as Governor of Ohio.
9. He is in favor of keeping faith with the nation's creditors, and redeeming every pledge made in time of war or peace.
10. He is in favor of free schools and the maintenance of the system free from all sectarian influences.
11. He is earnestly in favor of the highest possible purity in the civil service, and would surround himself, if elected, with men of recognized ability and integrity.
12. His past record as a man, as an official, as a soldier, is the best proof of his eminent fitness for the high office of President.
13. He belongs to the army of loyal men who love the Union and who have given evidence of their devotion to its highest interests.
14. His election would secure a sound currency, protect and improve the public credit, advance throughout the world the national honor, and restore to the people prosperity in all the great centres of trade and commerce.
15. Lastly. Rutherford B. Hayes is a model husband, father and friend, qualities which honor the man, and would honor the highest office within the gift of the people.

Can any one doubt the superior fitness of such a man for the Presidency? Can there be a possible risk in calling him to rule over the Republic? Is he not just the man that is needed to shape the destinies of the next four years? Study his character, examine his record, weigh him in all those qualities which go to make up the citizen and the statesman, and he will come out of the examination the same noble man. With such a leader the Republican party must win; with such a President the nation could not help advance in the path of material progress.

VICTORY!

OHIO AND INDIANA ELECTIONS.

Large Gains in Ohio.

5 Congressmen in Ohio and 3 in Indiana Gained.

Both States Sure for Hayes and Wheeler in November.

The Republican State ticket in Ohio has been elected by a majority of from 8,000 to 10,000 and have *gained five members of Congress.* We have lost Indiana on the State ticket but have *gained three members of Congress.*

It is very clear that the people throughout the loyal states do not trust the Democratic party in Congress where they can do mischief. The last Congress evidenced what Democracy can and will do.

It is our opinion that Ohio will give Hayes 50,000 majority and Indiana not less than 10,000 at the November election.

The Two Parties.

The history of the two parties is well known to the country. For the past fifteen years the history of Republicanism has been like an open book, to be read by all men. Nothing has been concealed. Its record is a chapter of political fidelity never before equaled. If in the performance of its marvelous work it has developed a few faults, they are, when compared with its virtues, like the spots on the face of the sun, too infinitesimal to excite alarm or command attention except by the students of science.

Double the labors and the responsibilities of the whole history of the Government previous to 1861, and they fall short of the work performed by the Republican party. Think, for a moment, of the magnificent results of its policy. A sound currency, safe everywhere; public credit higher than ever before in the markets of the world; a wise homestead system which has given free farms to millions; the abolition of slavery; the settlement of the vexed San Juan boundary question and the Alabama depredation claim against England; advantageous treaties with nearly every civilized nation, and humane laws, executed in a spirit of justice, are a few of the results that go to make up the grandest political record of the country. Can any unprejudiced mind review this record and allow himself for a single moment to believe that a party that has been so true to the people's interests, that has been instrumental in saving the nation, can now prove untrue to the Republic that lives to-day because of its fidelity and courage?

What can be said of Democracy? What good thing has it done during the past twenty years? The people know what bad things it has done, but none of its defenders have, as yet, presented anything worthy of commendation. It has been a stumbling block in the path of national progress. It opposed the war for the Union; the emancipation of the slaves; the vital amendments to the Constitution; the protection of the freedmen; the present currency system; the collection of the revenue, and is on record against nearly every measure proposed for the relief and protection of the people and the advancement of the nation. What good thing has it done? The people wait for the answer, but they will wait long before this question can be replied to. The misrule of the city of New York; its enormous debt; the millions stolen by Democratic leaders; the ascendency of ignorance and vice are but the shadows of misrule that would characterize the nation under Democratic government. We appeal to every man who loves his country to lay aside party prejudices in this hour of trial, and to pass judgment upon the merits of the men and the parties they represent. In the presence of a public danger private disputes must be laid aside. The welfare of the nation, the peace and security of its citizens, the public credit, the liberties of millions who look to this Republic for example and hope, depend upon the success of the Republican party. Let every friend of his country respond to the call made upon him. Let him labor as if on his efforts depended the result. An earnest worker can accomplish much. He can convince the doubtful, strengthen the weak, and encourage all to work and vote. It needs not the gift of eloquence to advance a good cause. An honest purpose and the courage to advocate the right will invite the blessings of Providence and win success.

A PROMINENT Eastern Democrat has contributed $10,000 towards the expenses of the Republican campaign in the West, assiguing as a reason his belief that Democratic success would just now imperil the prosperity of the country.

ANOTHER radical outrage. During the month of September the public debt was reduced to the amount of $2,951,365.

THE gains in the town elections of Connecticut last week indicate that the State will go for Hayes.

A CARD TO THE AMERICAN PUBLIC.—For many years we have made two medicines suited to the ailments of a vast class of sufferers. Thousands of cures have been made by them, and, in fact, the word failure could never be coupled with them. But within the last two years counterfeits of our medicines have sprung up, dangerous in their close imitation of our Trade Mark. To secure the people we have placed upon each genuine box of Holloway's Pills and Holloway's Ointment the fac simile of the signature of our Agent, Mr. Jos. Haydock. To counterfeit this is felony. We shall relentlessly pursue any one who imitates this with the utmost vigor of the law. We most earnestly beg that the great mass of the American people will aid us in our efforts to protect their health, and help us in our task of bringing these most unprincipled men to the bar of justice. Uniformly refuse to purchase Medicines purporting to be ours unless Mr. Jos. Haydock's signature is attached to each Box of Pills or Pot of Ointment and the end will soon be reached.

The public's obedient servants,
HOLLOWAY & CO.

On the 27th ult., in Beaver twp., of cancer in the face, Henry Fuhrman, aged 60 years less 11 days.

On the 30th ult. in Beaver twp., of dropsy, Samuel Wetzel, aged 57 years, 5 months and 22 days.

On the 7th inst at Centreville, after a lingering illness, John T. Huffnagle, aged 44 years, 4 months and 15 days.

At Ligonier, Ind., Tuesday evening, Oct. 3, Mrs. Catharine Peters, wife of J. W. Peters, aged 27 years, 8 months and 3 days.

The deceased was a daughter of Mr. and Mrs. E. McDonnel, was born in Scarts, Mark county, Ohio, Feb. 1, 1849. She removed with her parents to this State in 1851, and was married to J. W. Peters (who was then and is still in the employ of THE BANNER office), on the 28th of June, 1868. She was a good wife, an indulgent mother and kind neighbor. Her sudden and unexpected taking-off just at this time has sent a shock through the community, and falls like a paralytic stroke upon her bereaved husband. Mr. Peters had been absent on a centennial tour during the last four weeks,—embracing a visit to his venerable parents and the familiar haunts of his childhood in the old Keystone State—and unconscious of his wife's fatal affliction, returned on Tuesday afternoon last, all buoyant with hopeful anticipation of a happy meeting with his cherished wife and darling children, and to receive their welcome greetings,—but, alas! to find the companion of his bosom struggling in the icy arms of death. The dying woman revived for a time, was rational and conversed freely. But death had sealed its victim, and, despite the hope that she was much better, there was a sudden relapse, and in a few moments more the immortal spirit passed over the river.

She leaves a husband and four small children—the youngest an infant daughter—to mourn her loss.—NATIONAL (Ind.,) BANNER, Oct. 5.

HEALEH & ITS PLEASURES,

OR

Disease With Its Agencies

Choose Between Them.

HOLLOWAY'S PILLS.

Nervous Disorders.

WHAT is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—drink but little wine, beer, or spirits, or far better none; take no coffee,—weak tea being preferable; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of slops, and if these golden rules are followed, you will be happy in mind and strong in body, and forget you have any nerves.

Mothers and Daughters.

If there is one thing more than another for which these Pills are so famous, it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

Sick Headaches and Want of Appetite,

These feelings which so sadden us, most frequently arise from annoyances or trouble from obstructed perspiration, or from eating and drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follows, as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

How to be Strong.

Never let the bowels be either confined or unduly acted upon. It may appear singular that Holloway's Pills should be recommended for a run upon the bowels, many persons supposing that they would increase relaxation. This is a great mistake, however; for these Pills will immediately correct the liver and stop every kind of bowel complaint. In warm climates thousands of lives have been saved by the use of this medicine, which in all cases gives tone and vigor to the whole organic system, however deranged,—health and strength following as a matter of course. The appetite, too, is wonderfully increased by the use of these Pills, combined is the use of solid in preference to fluid diet. Animal food is better than broths and stews. By removing acrid, fermented, or other impure humors from the liver, stomach, or blood, the cause of dysentery, diarrhœa, and other bowel complaints is expelled. The result is, that the disturbance is arrested, and the action of the bowels becomes regular. Nothing will stop the relaxation of the bowels so quickly as this fine correcting medicine.

Disorders of the Kidneys.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bedtime. This treatment will give almost immediate relief when all other means have failed.

For Stomachs out of Order.

No medicine will so effectually improve the tone of the stomach as these pills; they remove all acidity, occasioned either by intemperence or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasms—in fact they never fail in curing all disorders of the liver and stomach.

Holoway's Pills are the best remedy known in the world for the following diseases:

Ague,	Asthma,	Bilious Complaints,
Blotches on the Skin,	Bowel Complaints,	Colics,
Consumption,	Debility,	Constipation of the Bowles,
Eresipelas,	Dysentery	Female Irregularities
Fits,	Dropsy,	Fevers of all kinds,
Indigestion,	Gout,	Headache,
Liver Complaint,	Inflammation,	Jaundice,
Scrofula, or King's Evil	Lumbago,	Piles,
Tumors,	Rheumatism,	Retention of Urine,
Ulcers,	Sore Throats,	Secondary Symptoms
	Stone & Gravel,	Tic-Douloureux,
	Venereal Affections,	Worms of all kinds,
		Weakness from any cause, &c.

CAUTION!—None are genuine unless the signature of J. Haydock, as agent for the United States, surrounds each box of Pills and Ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same knowing them to be spurious.

Sold at the Manufactory of Professor HOLLOWAY & Co., New York, and by all respectable Druggists and Dealers in Medicines throughout the civilized world, in boxes of 25 cents, 62 cents, and $1 each.

There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

A MATTER OF POPULAR INTEREST.

We condense from the *Lehigh Register* the substance of a conversation about Oak Hall, in Philadelphia, Wanamaker & Brown's "Largest Clothing House in America." A visitor and attendant were the speakers:

Visitor. "What corner is the Building on?"

Attendant. "South-East corner of *Sixth* and *Market*. Please note the SIXTH, for some strangers seeking Oak Hall, have been misled by designing persons."

V. "It is perfectly colossal! Do you know its dimensions?"

A. "12,000 square feet—66 on Market, and 180 odd on Sixth, six stories high, has over three acres of flooring, and covers space once occupied by more than twenty different business places."

V. "Do you use steam-power?"

A. "A giant young engine furnishes power for the freight and passenger elevators, and the boilers steam for heating, and the other operations of the house."

V. "What order do you take with goods?"

A. "They are first created and arranged in the basement, on long pine counters, and taken thence on the freight elevator to the inspector's room on the fourth floor."

V. "Is inspecting the first operation?"

A. "No, sir, measuring. The goods are first measured in the piece, then inspected. The cloth passes over rollers in the face of a strong light, and two men sit, one before and one behind the goods, watching with the eye of a hawk for the least pin-hole imperfection, and marking every flaw, so that the cutter may see and avoid it when he comes to cut the garments."

V. "You must employ an army of cutters?"

A. "Come to our 6th floor and see! We keep 70 hands all the time cutting up the cloth into garments,—besides using machines that do a dozen men's work each at a stroke."

V. "Do you manufacture all your own goods?"

A. "We do, and most carefully. Our examiners inspect every stitch and seam, and certify to every garment as extra-well made before we put our ticket on it, and become responsible for it."

V. "Your system must save you a great deal?"

A. "In every direction, sir. It is the system and economy we practice all the way through, that enables us to put our prices down to the people as we do."

V. "After inspecting the work, what becomes of it?"

A. "Before it goes into Stock it is *ticketed*. Every single garment has its number and other points noted on it, so that its entire history can be traced without fail, upon our books."

V. "You must have 30 or 40 salesmen?"

A. "Why sir, on busy days you may see 100 in the various rooms and suites of rooms, selling to the throngs of customers."

V. "Do you do an order business, by mail and express?"

A. "Very great. All over the country. Our perfect system and rules of self-measurement make it possible to please people 2,000 miles away just as perfectly as if they were here in person."

V. "I suppose you have at least half a dozen different departments?"

A. "My dear sir! we have more than *seven*, each charged with its own business, and each thoroughly organized, a necessary wheel within the great wheel."

V. "Will you name a dozen or so of them?"

A. "With pleasure. The Custom Department, for those who prefer custom-made to ready-made. The Furnishing Department, with its large stock of all kinds. The Shirt Factory, with its busy machines making our own first-class shirts. The Trimming Department, itself as big as many a regular store. The Garment Stock Room. The Receiving Room. The Order Department, named before. The Special Uniforms Department. The Delivery Department, with its score of messengers. The—"

V. "Hold, hold! sir, enough!"

A. "I'm not half through! The Advertising Department, with its bill and sign distributors, editing and publishing business and popular journal, circulating, per, 50,000 copies monthly (tell all your friends to send for it). The Mail Department, with its many rooms. The Telegraph Department. The Youths' Department. The Children's Department, with its special entrance for ladies. The Telegraph Department. The Chief Clerk's Department, with its book-keepers and assistants. General Manager's Department; Financier's Office and other offices of the firm; all busy as bees thinking, planning, executing, buying, manufacturing, registering, receiving, sending out, selling, and in a thousand ways joining their forces to carry on a business with the people amounting to between $2,000,000 and $5,000,000 annually."

V. "S-t-u-p-e-n-d-o-u-s!"

A. "Indeed it is! I forgot to name the Cashier's Department, which handles its share of retail sales on some single days!"

V. "$25,000! Immense! That's what enables the house to buy cheap and sell cheap?"

A. "Exactly! You have just hit it. The people throng here, knowing that we depend on low prices and immense sales."

V. "What are the 'FOUR RULES' I hear so much about?"

A. "Our system of business dealing—1. One price, no deviation; 2. Cash for everything; 3. A guarantee protecting the purchaser; 4. The money returned if the buyer can't otherwise be suited."

V. "Nothing could be fairer."

A. "Nothing. And the people see it."

V. "Well, I thank you, sir, for your polite attention."

A. "Not at all. It's a pleasure to serve you. Call again; and be sure of the place—Wanamaker & Brown's Oak Hall, South-East corner Sixth and Market."

V. "Thank you! I shall be happy to do so. Good morning."

SANDALWOOD

Possesses a much greater power in restoring a healthy state. It never produces sickness, certain and speedy in its action. It is far preceding every other remedy. Sixty capsules cure in six or eight days. No other Medicine can do this.

Owing to its great success, many substitutes have been advertised, such as Pastes, Mixtures, Pills, Balsams, etc., all of which have been abandoned.

Dundas Dick & Co.'s Soft Capsules contain Oil of Sandalwood, sold at all Drug Stores. Ask for Circular, or send to 36 & 37 Wooster Street, New York, for one. Aug. 17,'76
