hes at the root of disease by purifying blood, restoring the fiver and hidneys ealthy action, invigorating the nervous

Is not a vile, nauseous compound, which simply purges the howels, but a safe, pleasent remedy which is sure to purify the blood, and thereby restore the health.

VEGETINE Is now prescribed in cases of Scrafula and other diseases of the blood, by many of the best physicians, owing to its great success.

And keep a stately stride and strong, Must reat bestle the way.

A consilers pace at diret may vin.

VEGETINE Doce not deceive invalids into false hopes by purging and creating a fictions appetie, but assists nature in clearing and purifying the whole system, leading the patient gradually to perfect health.

VEGETINE

To weary feet all streams are peop, all indeed are rough, all hills are steep. As any worn traveler, though the tof and the patient gradually to perfect health.

With paintal steps and slow.

Was looked upon as an experiment for some time by some of our best physicians, but those most incredulous in regard to its merit are now its most ardent friends on some deed no hand hath wrought, and supporters.

Then, ye who hope to make your mark, Ere your list night fall, edd and dark. And stand above the throng. On some far, can size of height of thought, or do some deed no hand hath wrought—work, rest—and so be strong.

VEGETINE

a blood purifier. Hearing of its many wonderful ourse, after all other remedies had failed, I visited the laboratory and convinced myself of its genuine merit. It is prepared from barks, roots and herbs, each of which is highly effective, and they are compounded in such a manner as to produce astonishing results."

VEGETINE to acknowledged and recommended by physicians and apothecaries to be the and thousands speak in its
