DGE STERRETT has formally accepted the appointment of Supreme Judge, to succeed the late Judge Williams.

REPUBLICANS, in almost every city and town of prominence, have had a gay time of it in celebrating the inauguration of President Hayes.

THE Democratic papers are interesting reading just now. Mad because the electoral Commission did not do what they expected it would when they made it.

The republicans elected their Governor, and two out of the three Congressmen by increased majorities at the State election in New Hampshire last week.

WIDLIAM K. RODGERS, who was associated with General Hayes in the law business in Ohio, is the President's private secretary and formally took possession of his office last week.

CHIEF JUSTICE MOSES, of South Carolina, died recently. An attempt will be made to appoint his successor by both the Hampton and Chamberlain governments, which may lead to new complications.

THE Treasury Department has issued another call for the redemption of ten millions of five-twenty bonds of 1865, May and November, on which interest will cease on the 12th of May. This is the thirty-ninth call for bonds.

ROLLAND, the notorious robber and burglar, has been convicted the second time in the Chambersburg Courts, and this time has been sentenced to the penitentiary for eight years on one count, and two years on another.

IT is said that Gov. Hartranft might have had a chance for the Cabinet, but that his resignation would throw the government of Pennsylvania into the hands of a Democrat. Beside, he has $10,000 a year at present.

THE two largest checks ever issued are the one for one million of pounds which Sir Arthur Guinness received on retiring from the firm of which he was a member, and the other a check on the Bank of Nevada for five million dollars drawn by Flood & O'Brien.

THE howling of the Democrats over the election of Hayes is growing perceptibly weaker. The people don't sympathize worth a cent with them, either in their claim of a popular majority for Tilden, or the rascally doings of Joe Bradley, and the electoral commission.

OUR next Territory will be one comprising the Black Hills region As soon as the treaty with the Sioux is ratified by Congress the bill providing for the organization will doubtless be passed. Thousands of fortune hunters will pour into that country during the coming season, and a Territorial government is an absolute necessity.

NEW YORK, March 16.—John McKeon, council for Peter B. Sweeney, said this evening he has no doubt Sweeney is in town, but that he had not seen him. Rumors are current that negotiations are in progress to compromise all the ring suits, and it is believed that Tweed will before many days walk out of Ludlow Street Jail a free man.

PRESIDENT HAYES we hope may succeed with his southern policy, but he will have to move very cautiously with it, lest in trying to conciliate the South, we do not lose the North, and thus repeat the folly of the dog in the fable, who in trying to grasp the shadow in the water, let the meat drop out of his mouth. —*Ex.*

PRESIDENT HAYES won golden opinion from all fair minded persons by his refusal to take part in the contest for office, by refusing to express any opinions on the situation during the period of uncertainty concerning his election, and by the moderation and firmness of his inaugural address. There is still further encouragement for the people in the report that urgent requests and powerful presure of politicians to produce the appointment of their friends to place are not meeting the President's favor—that politicians persistencies offend him and defeat their purposes. If these reports prove true, the people will not have cause to regret his election.

HARRISBURG, March 13.—The Republican senatorial caucus was held at one o'clock to day for the purpose of designating a candidate for United States Senator, to fill the vacancy caused by the resignation of Hon. Simon Cameron. J Donald Cameron, Esq., was nominated on the first ballot for United States senator. The vote stood as follows: Cameron, 128; Morton McMichael, 1. The nomination was then made unanimous. Resolutions were adopted endorsing President Hayes. The joint convention to elect a senator will be held on Wednesday, March 21st, in the state capitol.

The Democrats have not yet designated a candidate

STILL TO BE HEADQUARTERS FOR

CLOTHING.

WANAMAKER & BROWN,

IN THE OLD PLACE AT THE OLD TRADE.

All the best talent, experience and advantages we can command, continued at OAK HALL, to produce the BEST and CHEAPEST CLOTHING for man and boy.

For sixteen years we have lived at the old corner of SIXTH and MARKET, and the business done there has been so satisfactory to the public and ourselves, that we have decided not to change or move the Clothing business away. The people like the place and we like to please the people, and we believe that we can do it better than ever at the old place.

The sales of the past year far surpassed anything we ever dreamed of, and this puts it in our power to start the Spring of 1877 with a STILL LOWER SCALE OF PRICES, and a class of goods so excellent that we are not afraid to follow each sale with our warrantee, or receive back the goods unworn and hand over to the customer the money paid.

The store has been largely refitted, and there never was such a splendid stock of Men's, Boys' and Children's clothing under the roof, nor were we ever able to sell so cheaply. Our word for it, and we are your friends of sixteen years.

1st, We have had experience for many years in the Clothing business.

2nd, We buy Goods in large quantities.

Through many forced sales this Spring in the Cities, we had the advantage to purchase goods very low, which we will give to our customers and patrons the benefit of.

Any one coming from Middleburg and vicinity and purchasing to the amount of $5 can deduct ½ of his railroad fair; by buying for $10, can deduct the entire fare.

We would be pleased of you to come and see our large stock, and examine our prices, and we will assure that you will save money by learning the prices of our goods.
