NCHORED AT OAK HALL AND MARKET CLOTHING. WANAMAKER & BROWN. IN THE OLD PLACE AT THE OLD TRADE. All the best talent, experience and advantages we can command, continued at OAK HALL, to produce the BEST and CHEAPEST CLOTHING for man and boy. For sixteen years we have lived at the old corner of SIXTH and MARKET, and the business done there has been so satisfactory to the public and ourselves, that we have decided not to change or move the Clothing business away. The people like the place and welike to please the people, and we believe that we can do it better than ever at the old place. The sales of the past year far surpassed anything we ever dreamed of, and this puts it in our power to start the Spring of 1877 with a STILL LOWER SCALE OF PRICES, and a class of goods so excellent that we are not afraid to follow each sale with our warrantes, or receive back the goods unworn and hand over to the

customer the money paid. The store has been largely refitted, and there never was such a splendid stock of Men's, Boys' and Children's clothing under the roof, nor were we ever able to sell so cheaply. Our word for it, and we are your friends of eixteen years.
