Only Remedy for Hard Times.

Change Your Surroundings.

All wanting FRUIT FARMS, especially adapted to the growth of the VINE, where it is an established success and pays LARGE PROFIT. The land is also adapted to the growth of Peaches, Pears, apples and small fruits; also, Grain, Grass, and Vegetables.

Many hundreds of excellent VINEYARDS, ORCHARDS and FARMS, can now be seen.

THE LOCATION is only 34 miles south of Philadelphia, by Railroad, in a mild, delightful climate, and at the very doors of the New York and Philadelphia Markets. Another Railroad runs direct to New York.

THE PLACE is already Large, Successful and Prosperous. Churches, Schools and other privileges are already established. Also, manufactories of Shoes, Clothing, Glass, Straw Goods and other things, at which different members of a family can procure employment.

It has been a HEALTHY RESORT for some years past for people suffering from pulmonary affections, Asthma, Catarrh, Ague, and debility; many thousands have entirely recovered.

A new Brick Hotel has just been completed, 100 feet front, with back buildings, four stories high, including French roof, and all modern improvements for the accommodation of visitors.

Price of FARM LAND $25.00 per Acre, payable by installments, within the period of four years. In this climate planted out to vines, 20 acres of land will count fully as much as 100 acres further north.

Persons unacquainted with Fruit Growing, can become familiar with it in a short time on account of surroundings.

Five Acres One Acre, and Town Lots in the towns of Landisville and Vineland, also for sale.

Whilst visiting the Centennial Exhibition, Vineland can be visited at small expense.

A paper containing full information will be sent upon application to CHARLES K. LANDIS, Vineland, N. J., free of cost.

The following is an extract from a description of Vineland, published in the New York Canvasser, by the well known Agriculturist, Solon Robinson:

All the farmers were of the "well to do" sort, and some of them, who have turned their attention to fruits and market gardening, have grown rich. The soil is loam, varying from sandy to clayey, and surface gently undulating, intersected with small streams and occasional meadows, in which deposits of peat or muck are stored, sufficient to fertilize the whole upland surface after it has been exhausted of its natural fertility.

It is certainly one of the most extensive fertile tracts, in an almost level position, and suitable condition for pleasant farming, that we know of this side of the Western prairies. We found some of the oldest farms apparently just as profitably productive as when first cleared of forest fifty or a hundred years ago.

The geologist would soon discover the cause of this continued fertility. The whole country is a marine deposit, and all through the soil we found evidences of calcareous substances, generally in the form of indurated calcareous marl showing many distinct forms of ancient shells of the tertiary formation; and this marly substance is scattered all through the soil, in a very comminuted form, and in the exact condition most easily assimilated by such plants as the former desires to cultivate. GLENN'S SULPHUR SOAP.

THOROUGHLY CURES DISEASES OF THE SKIN, BEAUTIFIES THE COMPLEXION, PREVENTS AND REMEDIES RHEUMATISM AND GOUT, HEALS SORES AND ABRASIONS OF THE CUTICLE AND COUNTERACTS CONTAGION.

This Standard External Remedy for Eruptions, Sores and Injuries of the Skin, not only REMOVES FROM THE COMPLEXION ALL BLEMISHES arising from local impurities of the blood and obstruction of the pores, but also those produced by the sun and wind, such as tan and freckles. It renders the CUTICLE MARVELOUSLY CLEAR, SMOOTH and PLIANT, and being a WHOLESOME BEAUTIFIER is far preferable to any cosmetic.

ALL THE REMEDIAL ADVANTAGES OF SULPHUR BATHS are insured BY THE USE OF *Glenn's Sulphur Soap,* which in addition to its purifying effects, remedies and PREVENTS RHEUMATISM and GOUT.

It also DISINFECTS CLOTHING and LINEN and PREVENTS DISEASES COMMUNICATED BY CONTACT with the PERSON.

IT DISSOLVES DANDRUFF, prevents baldness, and retards grayness of the hair.

Pitfalls for Young Men.

The world learns its lessons slowly. Much of the world does not learn its lessons at all. The young are everywhere growing up amid the ruins of other lives, apparently without inquiring or caring for the reasons of the disasters to life, fortune and reputation that are happening, or have happened, everywhere around them. One man, with great trusts of money in his hands, betrays the confidence of the public, becomes a defaulter, and blows his brains out. Another, led on by love of power and ambition for place, is degraded at last to a poor demagogue without character and influence. Another, through a surrender of himself to sensuality, becomes a disgusted beast, with heart and brain more foul than the nests of unclean birds. Another, tasting and tasting the winecup, becomes a drunkard at last, and dies in horrible delirium, or lives to be a curse to a wife, children and friends. There is an army, of those poor wretches in every large city in the land, dying daily, and daily reinforced. A young girl, "loving not wisely, but too well," yields herself to a seducer, who ruins and forsakes her to a life of despair. Not one girl, but a thousand of girls yearly, so that a very great company of those whose robes are soiled beyond cleansing, hide themselves in the grave during a twelve month; another great company of the pure, drop to their places and keep filled to repletion the ranks of prostitution. Again and again in instances beyond counting are these tragedies repeated in the full presence of the rising generation, and yet it seems to grow no wiser.

Nothing has been more fully demonstrated than that the first steps of sin and folly are fraught with peril. Nothing has been better proved than that temperate drinking is always *dangerous,* and that excessive drinking is always ruinous It is very well known that a man cannot consort with a lewd woman for an hour, without receiving a taint that a whole life of repentance cannot fully eradicate. Since time began, women have been led astray by the same pledges, by the same empty rewards.

If young men and women could possibly learn wisdom, it would seem as if they might get it in a day, by simply using their eyes and thinking upon what they see.

The law of Veracity is Violated.

When we state as true what we do not know to be true;

When we intentionally produce a false impression:

When we find that we have, though undesignedly, conveyed a false impression, and do not hasten to correct it;

When we state a matter in the least degree different from the shape it has in our own minds;

When in the statement of what may be true in fact, we purposely omit any circumstances which are necessary to correct apprehension of the truth;

When we exaggerate or extenuate any of those circumstances;

When we purposely arrange the facts of a true representation in such a manner at to deceive;

When, with intention to deceive, we accompany a statement with the look of the eye, a tone of the voice, a motion of the head, or anything which may influence the mind and conducte to a false impression;

When we answer a question evasively, so as to deceive, under the secret pretense that the inquirer has no right to know the truth;

When, by word or act, we create an expectation which we do not intend to fulfill;

When we create an expectation which, though we intend to fulfill it we afterward fail to fulfill, without due care to explain the cause of the failure;

When we do not fulfill a promise in every respect precisely as we suppose the promisee understood it,

When we fulfill a contract or promise in every particular except as to time, and make an effort, show no disposition to give early notice that the delay was unvoidable.—*Watchman and Reflector.*

Is Your Hair Falling Out

OR TURNING GRAY!

If So Do Not Fail To Use

LONDON HAIR COLOR RESTORER.

The Great Reputation

Which it has attained and the large number of testimonials which are constantly being received are conclusive proof of its great value.

Proof Positive—A New Suit of Hair, Natural Color and Beauty Restored.

Dr. Swayne & Son:—Some six years ago, I began to loose my hair, and continued to do so until the scalp became as bare as the palm of my hand, troubled also with a disagreeable itching fever, great heat and dandruff, small pustules would form, quite sore to the touch, and the remaining portion of the hair, on the side and back of the head, became quite gray. After using a number of Restoratives, (so called), without success, and my head nearly destitute of hair, I reluctantly commenced using the

"London Hair Color Restorer and Dressing."

Now, through its use, candor and justice compel me to say to all that I now possess a new and beautiful growth of hair, completely restored to its original dark and glossy appearance, and I venture the assertion, the world furnishes no preparation equal to this; and I do conscientiously say to all who are grey or bald, hair dry and harsh or falling, to use at once this elegant and delightfully perfumed article.

ISAAC K. MARSHALL,

Gunner, U. S. N., 320 Leonard street, Phila

Dr. Dalton of Philadelphia, says of his "London Hair Color Restorer" is used very extensively among my patients and friends, as well as by myself; I therefore speak from experience.
