

It has been said, and truly, that a man is a bundle of habits. It may be said, with equal truth, that bad habits are our worst enemies. How they steal upon us almost unconsciously and securely fasten themselves to us!

The formation of correct habits in early life is comparatively easy. In a word: if you would become a model character, you must discard all bad habits, all old habits, all that is ungracious or ungenerous in word, or deed, or action.

Signs and Tokens.

The following is from Puck, a new funny paper in California: A long article having the above heading is going the round of the press, and has been for some time.

Dad's Distant Relations.

A farmer's wagon, in which were seated a family of eight, drove up to a house on Boston street, and a hearing his team at the curbstone, the farmer knocked at the door, drummed on the window, and several determined to get in at every hazard.

Political Catechism.

Who own the United States? The People. Who own the people? The Politicians. Who own the politicians? The Devil.
