Republican State Convention.

HEADQUARTERS REPUBLICAN STATE COMMITTEE, HARRISBURG, March 27, 1876.—In pursuance of a resolution of the Republican State Committee, adopted at a meeting held in Harrisburg this day, a Republican State Convention (to be composed of delegates from each Senatorial and Representative district to the number to which such district is entitled in the Legislature) is hereby called to meet in the city of Harrisburg at twelve o'clock noon, on Wednesday, May 15, 1878, for the purpose of nominating one person for Governor, one person for Lieutenant Governor, one person for Secretary of Internal Affairs, and one person for Judge of the Supreme Court. By order of the Committee.

WILLIAM P. WILSON Chairman.
JOHN A. SMULL, Secretary.

For the twelve county officers in Lancaster sixty two candidates have announced themselves.

The bill to repeal the jury commissioners act has passed third reading in the Senate. It provides that the jurors shall be selected by the county commissioners.

Stone, of Warren, is looming up as a strong candidate for lieutenant governor before the Republican convention, and the indications are that he will lead McMichael.

The base ball season in Cambria county has been opened, and a bat slipping from the hands of a player, at Portage, struck and killed a little daughter of Herman Klinemeir.

The premature explosion of a blast in the mines of the Bloomsburg Iron Company, Bloomsburg, on the 9th inst., seriously injured Francis Mallick and George and John Samuels.

Senator Cameron's marriage having been fixed for the 9th of May, he will be able to take a short honeymoon and then get around to Harrisburg in time to be present at the Republican state convention on the 15th.

The Republican candidates for the Legislature in Somerset County have entered into an article of agreement, binding themselves not to canvass the County for the purpose of soliciting votes outside of their respective townships.

With harmony in the Republican party and a thorough organization, there is every prospect of a better vote being polled in this county next fall than usual. Heretofore our strength was weakened by internal dissension which only aided the Democracy. There will be no more of that.

The number of bills read in the lower House of the Legislature has been 674; Senate bills presented in the House 159, making a total of 833. Of these 700 have been reported favorably from the committee, viz: House bills, 566; Senate bills, 134. Seventy bills have been passed finally, 17 negatived by the House, 104 negatived by the committee, 26 are on first reading, 435 have passed first reading, and 41 second reading.

Montgomery Blair says he is going to oust President Hayes in six weeks, armed as he is with the resolutions of the Maryland Legislature. The last sensation that Blair created was when Mr. Lincoln kicked him out of his Cabinet, and it is about time for him to be getting up another. This one will be of short duration, however, and Blair may as well resolve himself into his original nothingness.

ANOTHER gentleman of "high social position," a State Senator, bank president, and so forth, turns out a defalter to the amount of nearly half a million. His name is Chace, and he was treasurer of the Union Mills, at Fall River, Massachusetts. The particular influences which led this good man wrong are not explained, but we may feel confident that he was entirely innocent of any dishonest intention, having merely borrowed the money, but being unable to return it in time. That is the way these good men always do. It is to be observed, however, that the world has been growing rather cross of late toward good men gone wrong. Here is Bullard in jail at Media, and Colonel Shepherd, who simply borrowed a few hundred dollars entrusted to him by some military comrades, has been sentenced to an idefinite term of imprisonment in Fort Adams. No wonder the times are hard when financial talent meets with such poor encouragement.

HARRISBURG, April 10.—The Pennsylvania Legislature has now been in session exactly one hundred days. In that time it has passed but fourteen bills and eleven resolutions. The expenses of the present Legislature can be measured by those of a similar body last year. The Legislature of 1877 was in session eighty days and cost $440,145, or an average of $5,500 per diem (including Sundays). The present body, having already been in session for one hundred days, will cost at least $550,000, with the net results, as above given, of fourteen bills and eleven resolutions. The daily average expenses of the body, based on those of 1877, also continue at the rate of $5,500 per diem. If the session is prolonged, as desired by about ninety (out of the one hundred and nineteen) members of the Republican House caucus which met on Tuesday evening, until the 24th of May, the cost to the State will be nearly quarter of a million dollars in addition to the half million already expended to this date.

Ten families left Northumberland county on Tuesday of last week to settle in the West.

The supreme court, after a session of thirteen weeks in Philadelphia, has adjourned. It will meet in Harrisburg on the first Monday of May.

William M. Tweed is reported seriously ill at Ludlow Street Jail. He is confined to his bed, and his physician seems to be alarmed.

They find babies in handboxes on the streets of Pottsville, but the authorities are doing all they can to discourage their being left around in such a manner.

Candidate Cards.

Legislature.

MR. EDITOR:—Please publish the name of Captain T. W. Huffman of Union Township, as a candidate for legislature. He is an old and tried soldier, a capable, and energetic business man who if elected, will be able to represent the people of Snyder County, with honor and credit. REPUBLICAN

ED. POST:—We take pleasure in recommending to the Republican voters of Snyder county for nomination and re-election the Hon. Charles Miller, present member of the House of Representatives. For industry, perseverance and close attention to his official duties he has won the esteem of his fellow members as well as the highest officials at the state Capitol. He devoted himself to the interests of the Commonwealth, and especially to the interests of Snyder county. Courtesy to the gentleman and the interests of the party would entitle him to a renomination and election, because he is now familiar with his duties and will be better able to serve his constituency. BEAVER.

Sheriff.

To the Republican voters of Snyder county, we respectfully recommend WILLIAM H. BEAVER, of Middleburg, as a suitable candidate for the nomination at the coming Primary Election, for the office of SHERIFF. Mr. Beaver is a Republican of unquestionable fidelity to the party and has contributed largely to its success. He is a good business man, fully competent for the position; and his even temper, mild and affable manners are a sufficient guarantee that if elected no one would suffer unnecessary oppression, of sound integrity, good moral character, competency favorably known and largely connected, his nomination would give strength to the ticket at the General Election. CITIZENS OF BEAVER.

EDITOR POST:—Announce D. Bolender as a candidate for nomination for the important office of Sheriff. Mr. Bolender is well and favorably known throughout the county—is an experienced officer—and sustains a reputation for goodness of heart and official leniency which very few officers possess. His vigorous efforts in behalf of the party have always been attended with success. His personal and political influence is strength to the party and, if, nominated he will leave no stone unturned which would secure victory in the fall campaign. PENN.

EDITOR POST:—Please announce through the "POST" the name of Wm H. McCarty of Selinsgrove as a candidate for the office of Sheriff. Mr. McCarty has always been true to the principles of the party, earnest in the support of its best men, and has the respect of all who know him. He has been a successful business man, and we feel sure his nomination and election would do great credit to the party. Republicans! support him. BEAVER.

ED. POST:—Recommend to the Republican party for nomination, at the approaching Primary Election, for SHERIFF, JEREMIAH BOGAR, of Union township. He is a gentleman who is known throughout the county—of good moral character—a business man and possessed of good social qualities—if nominated and elected will make a good and efficient officer. ADAMS.

ED. POST:—We suggest the name of John B. Fockler, as a suitable person for the office of Sheriff. Mr. Fockler is well and favorably known as a gentleman of integrity, affable and sociable, and possessed of all the requirements for a good public officer. He is identified with the interests of the common classes and their interests would not suffer at his hands. Vote for John B. Fockler of Selinsgrove, for Sheriff. MIDDLECREEK.

For County Treasurer.

The undersigned would respectfully announce himself as a candidate for the nomination of County Treasurer at the ensuing Republican Primary Election of Snyder County. ROBERT SMITH.

Troxelville, Pa.

The undersigned would respectfully announce himself to the Republican voters of Snyder county, as a candidate for nomination for the office of County Treasurer at the ensuing Primary Election. HENRY BROWN.

Freeburg, Pa.

MR. POST:—Say to the Republican voters that George W. Row, of Monroe, is a candidate for nomination to the office of Treasurer, at the coming Primary Election. The finances of the county were well managed during his term of office, a few years ago, and he acquitted himself as a competent and worthy officer. MANY CITIZENS.

Associate Judge.

We desire to recomend to the Republicans of Snyder County Hon B. L. Raudenbush as a suitable person for the office of associate Judge. He has filled the office for one term with credit to himself and the public. He is well acquainted with the duties of the office and is in every way qualified for the position. PENN

We beg leave to present to the Republican voters of Snyder county the name of Henry Smith of Beaver township, as a suitable candidate for the office of associate Judge. MANY VOTERS

MR. EDITOR:—Please let your readers know that I am a candidate for the office of Associate Judge—subject to the action of the voters at the coming Primary Election. JNO. Y. SHINDEL.

Middleburg, April 11, '78.

County Commissioner.

I Hereby announce my self as a candidate for the Republican nomination for the office of county commissioner WM. SHOLLEY

EDITOR POST:—I suggest the name of John Reitz of Franklin Township as a candidate for County Commissioner. The office is an important one and every tax payer should see to it, that none but honest capable business men are elected to the position. Mr. Reitz is well qualified for the place; always an earnest republican, truthful, honest, frugal, and a farmer, he knows the wants of the people and if elected would execute the trust confided to his care with fidelity. PENN

MR. EDITOR.—Please announce the candidacy of John Romig of Penn township for the office of COUNTY COMMISSIONER. He has served one term with credit to himself, and to the great advantage of the people. Never before were the finances of the county in a better condition, and this is attributable, largely, to Mr. Romig's efforts for retrenchment of expenses, his close personal attention given to every bill presented to the Commissioners for approval, and in the economy enforced by example. Republican voters you can not do better than to vote for John Romig. PENN.

ED. POST:—We, citizens of Middlecreek township, recommend for nomination, for the office of Commissioner, at the next Republican Primary Election, Morris Erdly, of Franklin. Mr. Erdly is an industrious, economical and intelligent farmer, and if elected, will take good care of the financial interests of the county. MIDDLECREEK.

ED. POST:—Please announce John Stahley, of Selinsgrove, as a suitable candidate for nomination to the office of County Commissioner. He is an excellent business man and would fill the important office with credit. MONROE.

ED., POST:—Please announce John Moyer lately of Adams twp., now of Middleburg as a candidate for County Commissioner. Mr. Moyer is an excellent citizen, and a good farmer who manages his own affairs in a business and successful manner and will no doubt so manage the affairs of the county. BEAVER.

ED. POST.—Announce Ferdinand Sones, of Chapman, as a candidate for nomination to the office of County Commissioner. Mr. Sones if nominated and elected will make a courteous, obliging and efficient officer. He deserves the nomination on account of his fidelity to the party—locality—and sterling good qualities of head and heart. MANY REPUBLICANS.

The present outlook is very favorable to the nomination of Senator Dill as the Democratic candidate for Governor.

A Reimposition of the odious income tax has been unwisely agreed upon by the Ways and Means Committee.
