DANIEL BOLENDER, of Middleburg. Treasurer,

The Directors of the Permanent Exhibition at Philadelphia have determined upon a new departure in relation to the admission fee, and from now until the first of September the customary quarter will be dispensed with, and adults admitted for fifteen cents and children for five.

In an age when most prestiges scarcely held water it is remarkable that the prestige of the dancing gar dens does not diminish. It must rain in torrents in order to make Mabille empty, and even when the dancing gardens are inhabitable the for five.

the first word that strangers anounce when they arrive in Paris. There when they arrive in Paris. T

not be allowed this season in conse- their fan. With the hereditary cu-

Twelve hundred and sixy-nine of the kind perhaps in the annals of France. If, the object of the half million france readily granted by the million france readily granted by the Chamber, and somewhat reluctantly by the Senate, was to show an austere Republic, which through a variety of circumstances has pushed event to an extreme the avoidance of anything theatrical, could for once surpass the splendors of the old Monarchy and the pomp of the Empire, the end has been fully attained. The 30th of June was selected because it recalled no event which could hart the susceptibilities of any French party or any foreign nation; but the success of the fete inevitably smells the prestige of the Republic, and from their own point of view Legitimists and Bonapartists can scarcely be blamed for the angert for the view Legitimists and Bonapartists can scarcely be blamed for the angert for the could be an extremed the angent of the view Legitimists and Bonapartists can scarcely be blamed for the angert for the view Legitimists and Bonapartists can scarcely be blamed for the angent of the view Legitimists and Bonapartists can scarcely be blamed for the angent of the view Legitimists and Bonapartists can scarcely be blamed for the angent of the view Legitimists and Bonapartists can scarcely be blamed for the angent of the view Legitimists and Bonapartists and Bonapartists can scarcely be blamed for the angent of the view Legitimists and Bonapartists and Bonapartists of view Legitimists and Bonapartists and Bonapartists of view Legitimists and Bonapartists and Bonapartists and Bonapartists and Bonapartists of view Legitimists and Bonapartists and Bonapartists of view Legitimists and Bonapartists and Bonapartists of view Legitimists and Bon of view Legitimists and Bonapartists can scarcely be blamed for the anger they have illeonecated at seeing general terms of the part of th

their share in it to a minimum. The Bois de Boulogne portion of the fete was universally proclaimed the great hit of the day. The islets on the lakes, with their fringe of ly was it lit up. The Place Ven-

any grace bold aloof altogether from

One of the indications of better days in the iron business is found in the fact that the leading iron mills in and about Pittsburg have notified their employees that the usual summer vecation of two weeks cannot be allowed this season in consecutive fact. With the hereditary cannot be allowed this season in consecutive fact. With the hereditary cannot be allowed this season in consecutive fact. It is angrily facing each other as autagonists, the present condition of things will exist. The cure for hard times is in confidence, honesty and co-operation of all the elements necessary to development. Any other path leads to destruction certain and sure.—Toleda Blade. quence of the large number of orders still unfilled and the general improvement of business.

their ian. Will the introducty to riosity of the daughter of Eve they take the livliest pleasure in finding at and below cost at S. Weis' Selinsit abominable. Now one may find grove. numbers of foreign ladies, some of The sale of public lands in the them of high station in the world

The sale of public lands in the West is greatly increasing over forser years, showing that the "young men" are taking Greeley's advice to go West. In Dakota, Kansas, Minnesota and Nebraeka for the first six months of this year the sales amounted to over five millions of dollars; while for a corresponding period last year the sales reached less than a million and a half.

CROPS.—In this country the crops of cereals and cotton promise to be abundant, and from Egypt we hear that the cotton crop is a failure from drouth. That there will be a considerable demand for grain from in the world them of high station in the world them of high station in the world visiting this abode of—lightness on the conviction is forced on us that the conviction is forced on us the conviction is forced that the cotton crop is a failure from drouth. That there will be a coussiderable demand for grain from Europe is probable, for, although the war has ceased, the armies are kept up, and men who carry guns can not cultivate wheat fields. Our export commerce should improve.

Twenty thousand men and boys went to work last week in the Schuyikill coal regions, after an enforced idleness of some time. Not only has the Reading railroad set all its collieries in operation, but it hopes to keep them going without cossation for the remainder of the season. Freights for coal have gone up alightly and so have prices, and the recent will be better wages for the workmen. The outlook in Schuylkill region is decided by table present prospect may be fully realized.

In the there will be accounted the merican anthractic coal and by relieving the overstocked home supplies, alleviate the long continued depression and suffering in the coal trade interests. This endeavor to find a trade with Europe is watched with the greatest interpolate the whole coal regions and Eastern Pennsylvania. Not only the destinies, of the Reading Railroad Company promise to be offected by it, but every operator, minor, laboror, manufacturer and general trader in the region, if the enterprise succeeds, will see his the enterprise succeeds, will see his the present stagnation, which causes so much suffering in the present stagnation, which causes so much suffering in the present stagnation, which the prosperity of Eastern Pennsylvania may be effected by this undertaking when it is knowff that the reign of peace, good will and forbearance has not yet will and forbearance has not yet will and forbearance has not yet and trade with Europe is and trade with Europe is at the deaving the destinies of the coal trade interests. This endeavor to find a trade with Europe is watched with the greatest interests throughout the whole coal regions goods of all kinds selling dawned.
