The Teacher's *Institute* was well attended. We will give proceedings in next issue.

Vote for HORATIO G. FISHER of Huntingdon for Congress.

John Coleman of Franklin township shot a large Wild Cat one day last week. This is the second one he has shot within two years. Report says that North and South of town about a mile cats have been seen. Our hunters should pay their respects to the *feline meaks*

Vote for Dr. ALBERT M. SMITH of Adamsburg for Senator.

Bower's Mill is rapidly approaching completion. The substantial manner in which it is being erected will be a living Monument to the memory of Thos. Bower—the Stetlers who are doing the Carpenter work and John C. Burns, of Juniata county, for his skill and ability as a Mill-wright.

Vote for CHALES MILLER of Penn for Assembly.

Professor Noetling of the Bloomsburg Normal School put in his appearance at our County Teachers Institute last week. His scholarly attainments, good moral character and fine social qualities pre-eminently fit him for the responsible task of instructing the youthful mind upon which may depend the destinies of a nation. He is an interesting worker in the cause of education.

Vote for SAMUEL H. YODER of Middlecreek for Associate Judge.

A Grand Republican rally was held at Richfield Wednesday evening and in spite of the inclemency of the weather, the yeomanry of West Perry were at the front to a man and what was most striking, nearly all were voters. It was evident to all present, that all the people are alive to the contest, and are anxious to have the truth. The chairman introduced W. H. Du Bois, Esq., of Phila., who in the most eloquent manner, by his fair dealing, and conclusive arguments, held the audience spell bound for two hours. Be assured Mr. Editor, that West Perry has shaken off her drowsy slumber, and is fully awake to the importance of the campaign, and will nobly vindicate herself at the polls.

TAPE BLUE.

Vote for DANIEL BOLENDER of Middleburg for Sheriff.

Republican Meeting held at Adamsburg Oct., 26th 1878. The meeting was opened by W. H. Beaver chairman of Standing committee, I. I. Manbeck was chosen as president, H. I. Romig and G. M. Simpson has a particular way of holding an audience attentive. Mr. Potter and Mr. *Lumbard* being called made a few brief remarks. The Meeting at Bannerville was a success.

REPORTER.

Vote for NER B. MIDDLESWARTH of West Beaver and DANIEL DIEFENBACH of Penn for Auditors.

The Premium Engraving, issued by "Peterson's Magazine" for 1879, like everything else from that quarter, is of unrivaled excellence, costliness and beauty. It is not one of the cheap, colored lithographs, with which the country is flooded, but a first-class line and stipple engraving, executed in the highest styles of art. The artists are Illman & Brothers, and they have engraved it (size, 24 inches by 20,) expressly for "Peterson's Magazine," in their most brilliant manner. It is such a plate as would sell, at retail, for five dollars. The subject is "Christ Blessing Little Children," and is after a picture by the celebrated German artist, Overbeck. It is a picture that ought to be in every household in America; that every mother, at least, should own. In artistic merit and beauty it is, we think, the finest that even "Peterson" has ever issued. You can get it, gratis, by raising a club for "Peterson" for 1879, or by remitting $2.50 for it and for the magazine, the magazine alone being two dollars. This is a rare chance. Or club subscribers can get it by remitting fifty cents extra. Specimens of the engraving sent, gratis, to those who get up clubs. Address, post-paid, CHARLES J. PETERSON, No. 306 Chestnut Street, Philadelphia, Pa.

The Greenbacker's held a meeting in the Court house on Thursday evening last. Mr. Coleman, of Philadelphia, addressed the meeting.

Vote for COL. HENRY M. HOYT for Governor--he was a gallant soldier---a just Judge and a good citizen.

Stetler's Cornet Band has been newly uniformed and the guilt lace makes them look as gay and military-like as a Lieutenant General's Staff on dress parade—the new plumes ornament the caps and the *Band* really looks remarkably well.

Vote for Dr. PERCIVAL HERMANN of Jackson for Coroner.

Mr. Johnson the Agent and Adjuster of the Danville Fire Insurance Co., was here last Friday and paid Mr. Nerhood $1,000, for the loss of his Barn which was struck by lightning and with its contents consumed by fire The promptness of adjustment and payment enables Mr. Nerhood to build and speaks well for the Company.

Vote for the pure Judge and christian gentleman JAMES P. STERRETT of Alleghenny for Judge of the Supreme Court.

J. W. Dreese has just returned from the eastern cities and opened a most extensive stock of Dry Goods, notions, Hats, Caps, Boots, Shoes and Groceries which he is offering at reduced prices. He is offering Goods *cheaper than ever.* Call and examine his stock and prices. His goods were selected with care as to quality and price.

Vote for AARON K. DUNKEL of Philadelphia for Secretary of Internal Affairs.

The heavy rains of Tuesday night and Wednesday raised the Middlecreek so that we could boat to the Depot in Franklin. This creek rises rapidly on account of its proximity to Shade Mountain which rolls its numerous streams with sweeping force into the otherwise placid Middlecreek—the damages to property were not so great as usual.

Vote for that champion of Freedom who is proof against Fraud, Corruption and Intrigue, HON. HORATIO G. FISHER of Huntingdon for Congress.

At the solicitation of a number of our citizens Dr. G. A. Smith has consented to move here to practise his profession. The Dr. is well known to most of our citizens having been associated for a while with Rockefeller—Dr. Smith is a graduate of Jeffersons Medical College, *Phila.*, and has had seven years experience and last winter took an extra course of lectures at N. Y. Our citizens are fortunate in being permitted to secure the services of so able a physician. The Dr. will locate here the first week in November.

Vote for that brave boy of seventeen who voluntarily offered his young life on the alter of his country in her darkest hours of distress---loyal citizen--the unwavering Republican DR. ALBERT M. SMITH of Adamsburg for the Senate of Pennsylvania.

Henry M. Du Bois of Philadelphia addressed several meeting's in this County with marked effect. *His* pleasing address and the fairness with which he dealt with the political issues met the approbation of Republicans and commanded the respect of democrats. He is a fine scholar—a graduate of Princeton—a lawyer of acknowledge ability—and his irreproachable character, sound integrity and education will yet insure him a front seat on the Temple of Fame.

Vote for GEN. CHARLES W. STONE, of Venango Co. for Lieutenant Governor.

A Republican meeting was held at Fremont on Tuesday evening and as twilight approached it was evident from the numbers continually coming in from the surrounding country, that the large School House was not roomy enough for the increasing audience. To remedy this the meeting was called in front of Kepler's *Hotel.* The organization was effected by electing Col. Harding, chairman and Doc. Smith, Levi Kepler, Daniel Weimer, George Mitterling and others, vice Presidents. The chairman then introduced W. H. Du *Bois*, esq., of Philadelphia who in a logical, eloquent and masterly manner explained the financial problem, and the position of the Republicans on the vital issues of the hour. This speaker was followed by B. T. Parks, Esq., who in his usual forcible manner, rehearsed the past and present of the party and payed a glowing tribute to the men composing the State, Congressional, Senatorial and County ticket, Perry is all right, every man is at his post and neither the false logic of the Democrats, or the sophistry of the Bastard Greenbackers can change the result.

TITUSVILLE, PA. December, 1878.

DEAR SIR:—I was troubled very much with the backache which made me sick all over; it seemed to strike from my kidneys to my stomach causing great weakness. I could not stoop to pick up anything without leaning carefully with my hand resting on my knee. I had all the symptoms of female weakness. I got your Buchus which relieved me in a few days, and I am comparatively well, and I have recommended it to a number of my friends and all have been benefitted who have used it.

The Democratic Mass Meeting held at Middleburg on Tuesday, cannot be said to have been a success. The audience was composed of about as many Republicans as Democrats. Music was furnished by the Beavertown, Mifflinburg, Freeburg and *Middleburg* Bands. About 2 o'clock *P.* M. the meeting was organized by electing *Hon.* Thomas Bower President, who returned his thanks for the honor conferred and then introduced the speaker Hon. W. S. Stenger. The speech was well intended to shut the eyes of the voters of this Congressional district having avoided matters in his official and political record which if known would retire him to private life, especially evading his true position on the questions of pensioning rebel soldiers and paying the enormous rebel war debt. Robert Swineford addressed the meeting in the German language. Adjourned to meet on the 5th of November for a disastrous defeat.

Go to the Polls early and take your neighbor with you.

The Centreville meeting of Tuesday evening was a grand success. Before organization the large school house was filled to overflowing and not half the crowd could get in and the meeting adjourned to the square near the Hotel. *Mark, Myers*, Lumbard and Potter addressed the meeting.

Let every Republican vote be polled on the 5th of November.

In the largest and best DOLLAR WEEKLY PAPER printed in the country.

It is the paper that meets the wants of the farm and the fireside more fully than any other, as will be seen by a careful examination of the following facts, and a comparison of the paper with any other of the city weeklies:

The STAR is handsomely printed on pure white paper from clear cut type, that makes it easily read, even by a poor light. Its clear and open print is a joy to old or weak eyes.

The STAR is free from political bias, and gives all the news with fairness and honesty, so as to enable its readers to form a correct judgment on whatever is passing; and it discusses questions without prejudice, but always in the interest of the working classes.

It is in no sense a sectional or party paper, devoted to its news or opinions, and can be read with the same real pleasure and interest from Texas to Maine, and from California to Delaware. Its stories are thrilling; its news items, comprehensive, and correct; its market reports reliable; and all its departments are fully up to the requirements of first-class journalism.

To give no almanacs, hand-books, or almanacs with the STAR, believing that the greatest inducement we can offer is to make a FIRST-CLASS NEWS PAPER, putting the money which such things would cost to the better use of improving the paper, and leaving the chromo business in the hands of picture dealers, where it properly belongs.

We, however, fully appreciate the appreciable work done by club agents, and reward them liberally, as will be seen by reference to our "List of premiums and discounts to agents," which is sent on application. Agents' outfit free of charge. Get up a good club for the STAR.
