Our new "devil" John, has a weakness similar to that which has affected all our devils—viz: He is inordinately fond of of the 'gals.' As a proof of the above assertion, it is but necessary to state, that a few mornings ago, about day-break, the mercury way down among the "woe sma" figures, he was discovered swinging on the gate, holding sweet communion with one of Middleburg's fair damsels. A Complete Newspaper.

The enterprise that has made THE WEEKLY TIMES not only the best journal of its class in Philadelphia, but, by general acknowledgement, the best journal for the family circle issued from any press, is scrupulously maintained. Its contributors from week to week are among the foremost men of the nation, and no department of news or literature is slighted in any number on any pretext. In all these departments the pens of the best writers are engaged while selections from other journals are made with care, taste and fullness that are unsurpassed. The special correspondents of THE WEEKLY TIMES are found at every news centre, embracing all American and European capitals, and they are charged to spare no labor or expense to give its readers the best and earliest accounts of matters of current interest in every department of the world of news. In addition to the regular correspondence thus provided, this journal is chosen by many of the most eminent men of the day as a medium of communication with the public. The "Annals of the War," embracing chapters of unwritten history contributed by prominent actors in the war of the rebellion, are a valuable feature of the paper, and have become a recognized depository of such matters, whether from Northern or Southern sources. This department, as well as all others, will be well sustained during the coming year. Selections of some of the most valuable war articles that have appeared already have been made, to answer the general demand for their publication in book from. The volume thus compiled, covering about 800 pages (price $4), handsomely illustrated and elegantly bound, is offered as a premium for subscribers. "THE CINCINNATI" $1 WEEKLY STAR

Is the largest and best DOLLAR WEEKLY PAPER printed in the country.

It is the paper that meets the wants of the farm and fireside more than any other, as will be seen by a careful examination of the following facts, and a comparison of the paper with any other of the city Weeklies.

The Star is handsomely printed on fine white paper, from clear open type, that makes it easily read, even by a poor light. Its clear and open print is a great blessing to weak eyes.

The Star is free from political bias, and gives all the news with fairness and honesty, so as to enable its readers to form a correct judgment on whatever is passing; and it discusses questions without prejudice, but always in the interest of the producing classes.

It is in no sense sectional or contracted in its tone or opinions, and can be read with the same real pleasure and interest from Texas to Maine, and from California to Delaware. Its stories are thrilling; its news late, comprehensive, and correct; its market reports reliable; and all the departments are fully up to the requirements of first-class journalism.

We give no chromos, hand-books, or almanacs with the Star, believing that the greatest inducement we can offer is to make a FIRST-CLASS NEWSPAPER, putting the money which such things would cost to the better use of improving the paper, and leaving the chromo business in the hands of picture dealers, where it properly belongs.

We, however, fully appreciate the energetic work done by club agents, and reward them liberally, as will be seen by reference to our "list of premium inducements to agents," which is sent on application. Agents' outfit free of charge. Get up a good club for the Star.
