Don't forget the hot weather when you are driving a horse.

The new tramp law goes into affect on the 15th of next month.

"I don't catch anything!" is the daily refrain of the weary fisherman.

Would it not pay if everybody would cut the weeds growing on his premises before the seed ripens.

Hunters should remember that squirrels cannot be shot lawfully until the first of September.

The Horse lecture was not as big a success as was desirable—to the horse-tamer—no money the cause, we presume.

"Husband means *band* of the house,' says an exchange. We thought it was the mother-in-law who made the music there.

Mash a man's hat and you will kill his style. Put a woman's bonnet in your pocket and it comes out a beautiful thing of fashion.

Two days of steady rain has livened up the sun-burnt vegetables, made the crop of late pototoes and put the finishing stroke to the corn crop.

RATTLE-SNAKE.—One day last week Mrs. Zelner was out berrying and killed a rattle-snake having 7 rattles which she brought home.

SHOT A CRANE.—Peter Troup, residing in Middlecreek twp., shot a big bird which he pronounced a crane, measuring 6 ft., 6 in., from tip to tip of the wings.

Frank Felmy, lives with Curt Bowersox, and last Sunday while attending the horses one of them kicked him in the abdomen so severely that medical attendance was necessary.

Thumb Sawed.—Eiche works on the Steam saw-mill North of town and last Thursday while sawing slabs on the circular saw somehow got his right thumb too close and sawed it severely.

Festival.—The ladies of the Reformed Church of New Berlin, will hold an Ice Cream Festival in the Town Hall, on Friday and Saturday, August 1st and 2nd, for the benefit of the Reformed Church.

One little persistent fly—one that evades every attempt to be knocked off your face with a pillow—will stick closer and teach a stuttering man to talk plain quicker than anything yet invented.

Short dresses are now all the rage in Paris. That painful but exquisite effort to preserve the nether end of gowns from the dust and dirt will then of curse cease, and women will be herself again. Thank mercy!

DUTY OF SUPERVISORS.—It is the duty of every Supervisor to see that finger boards are placed at all forks of the roads. There is a heavy penalty for neglect in this matter, and Supervisors should bear it in mind.

THE FISHWAY AT COLUMBIA.—The bids for the fishway at Columbia were opened on Tuesday. The bids ranged from $11,490, by D. Mitchell, of Newport, to $14,500, by David Wendt, of Shamokin. The contract was awarded to Mitchell.

FESTIVAL! FESTIVAL!!

That the Band Festival will be a success is plainly indicated by the declarations and pleasant countenances of our town and country ladies, and big as had up every station in life, seem to be, and the interest which promises something lyk. We can tell as well

All the shows and circuses avoid us What a good, pious town we have!

A new Sign-post was erected in front of the Washington House on Tuesday evening. Washington's benign countenance can be the better seen now as heretofore it has been obscured by Dreese's Shade tree.

RUN-AWAY.—Tuesday evening a span of horses, attached to a spring wagon, hitched in front of Dreese's store became frightened and started westward at a lively pace, but were suddenly brought to a halt by Gabriel Beaver, but for whose services opportunely rendered fragments would have resulted and a night walk for the owner.

Last Sabbath, Charles H. Steininger was attending services in the Luthern and Reformed Church, in town, and during the sermon the horse broke the shafts and partially unhitched himself from the buggy. He was cross-wise in the shafts when Mr. S. came out of church to go home, and it is really a wonder he did not make pieces. Another proof that it would be wise, expedient and economical to unhitch which only requires about 5 minutes.

The Pennsylvania Railroad Company have issued a new order, to go into effect at once, directing that all passengers, as they arrive at their destinations shall make their exit from the front end of the car, and enter from the rear. The intention is to prevent confusion and enable trains to go away from the stations quicker than they do now. It is further ordered that all passengers must remain seated until the train comes to a stop.

The Festival for the benefit of Miss Kate Pfahler was liberally patronized. Many pieces of neatly executed workmanship which bespoke her skill and industry were disposed of, Miss Gill, a teacher of vocal and instrumental music in the Philadelphia Blind Asylum, and a class-mate of Miss Pfahler's who is here on a visit, took a very active part in the Festival. She is an excellent musician, affable, vivacious; and altogether a very pleasant lady.

THE AUDITORS' FILL STANDS.—The bill passed by the late Legislature, providing that the compensation of Auditors appointed by the Court to audit the accounts of Administrators, Executors, &c., shall not exceed $5 in cases where an estate amounts to less than $1,000, and not over $10 for each day necessarily engaged in estates in excess of said sum, unless the Court, for special reasons shown, shall allow a higher rate, not to exceed $15 per day, has become a law, the Governor having last week given it his approval.

THE BAND.—A country Band is an institution which belongs to the town and county in which it is organized and a sort of common property, for the reason that it is compelled to attend all sorts of meetings, social gatherings &c., &c., some times without compensation—sometimes with very little compensation, and often to its greatest disadvantage and inconvenience and in nearly all cases composed of laboring men who cannot well afford the inconveniences and attending expenses, hence we think everybody far and near should lend a helping hand in their coming Festival, Thursday, Friday and Saturday evenings. Neighboring towns should send delegations to the Festival. Let us all help to make it a success.

Rattlesnakes and the Democratic Candidate for District Attorney.—F. E. Bower, Esq., Dr. C. C. Bower, Hervey Bower and a gentleman from Bedford went to Centre county last week on a fishing expedition. About noon Mr. F. E. Bower after traversing about a mile of the dry-bed of Painter creek climbed up the rocky embankment to take a lunch. When near to the top he heard a noise and supposed it to be a locust, but looking up he faced a huge rattle-snake within striking distance of his head. Quick as thought he went back and cut a stick with which he crushed the monster. Within a few feet he espied another which he also killed. They were male and female—one dark, the other yellow—the one had 11 rattles and button. *Mr.* B. was alone and certainly showed excellent spunk.

RED, WHITE AND BLUE.—Weis & Oppenheimer, clothiers, have adopted the colors of the American flag for their advertising Circular—Great, Greater, Greatest Reduction in Prices ever made in Snyder County. Why we can sell cheap. We have no expenses—we buy for cash and sell for cash—we sell a large quantity of goods and can afford to sell at small profits. Why our customers get the worth of their money in goods. Because our stock is new, fresh and latest styles—we carry no OLD stock—if the stock of goods of any season is not sold we ship it in bulk elsewhere and purchase entire new stock for each season,

We make no misrepresentations because we have made Selinsgrove our permanent and central place of business—we want to retain all our old customers and gain new ones. No matter where our patrons come from they will save the cost of coming on every suit of clothing they buy from us. Come and see.

Auctioneer.—George H. Hackenburg, of Middlecreek, P. O., would announce to the people of Snyder county, that he will cry sales for real and personal property, at short notice and on the most reasonable terms. He guarantees satisfaction. [Mar.15.77tl.

THE CINCINNATI $1 WEEKLY STAR

Is the largest and best DOLLAR WEEKLY PAPER printed in the country.

It is the paper that meets the wants of the farm and the fireside more fully than any other, as will be seen by a careful examination of the following facts, and a comparison of the paper with any other of the city weeklies:

The STAR is handsomely printed on pure white paper from clear cut type, that makes it easily read, even by a poor light. Its clear and open print is a joy to old or weak eyes.

The STAR is free from political bias, and gives all the news with fairness and honesty, so as to enable its readers to form a correct judgment on whatever is passing; and it discusses questions without prejudice, but always in the interest of the producing classes.

It is in no sense sectional or constructed in the news or opinions; and can be read with the same real pleasure and interest from Texas to Maine, and from California to Delaware. Its stories are thrilling; its news late, comprehensive, and correct; its market reports reliable; and all its departments are fully up to the requirements of first-class journalism.

We give no premiums, hand-books, or almanacs with the STAR, believing that the greatest inducement we can offer is to send a FIRST-CLASS NEWSPAPER, putting the money which such things would cost to the better use of improving the paper, and leaving the choice business in the hands of picture dealers, who live by specialties.

We, however, fully appreciate the energetic work done by club agents, and reward them liberally, as will be seen by referring to our "Club Rates," and "Inducements to Agents," which is sent on application. Agents' outfit free of charge. Get up a good club for the STAR.

Is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and in every way the most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face Grubs, Pustules, Blotches, Boils, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ringworm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood, and cause derangement and decay. It stimulates and enlivens the vital functions. It promotes energy and strength. It restores and preserves health. It infuses new life and vigor throughout the whole system. No sufferer from any disease whicharises from impurity of the blood need despair, who will give AYER'S SARSAPARILLA a fair trial. Remember, the earlier the trial, the speedier the cure.

Its recipe has been furnished to physicians everywhere; and they, recognizing its superior qualities, administer it in their practice.

For nearly forty years AYER'S SARSAPARILLA has been widely used, and it now possesses the confidence of millions of people who have experienced benefits from its marvellous curative virtues.
