Died in Harness.

of ever-echoing tread --The toiler, crushed by the heavy load, is there in his harness-deal !

-J. Boyle O' Reilly.

### Select Tale . IN RATTLERNAKE GULCH.

We had finished the "digging" that day, washed all the dirt, ad led that day, washed all the dirt, ad led the last ounce of shining gold dust to the plump little bags that were buried in the corner of the cabin, and to-morrow would leave Red

Water Run forever.
The "spurt" had been a good one for Tom and me, but we were tired of the terrible lonliness of the place. and the constant strain upon our nerves for fear of the Utes, and so we decided to cross the range. A short conference was held, Rad heavy knife, were within easy reach, strike the trail, and rejoin our old colored mane of heir and heavy haife, were within easy reach, and his keen eye followed my every

sanlight slowly disappeared from the tall peaks of the Sierras about us, and the gray shadows crept up attempt at private communication.

pipe from his mouth and spoke : Did ye see anything oncommon

recollect now. What was it-boar !" "Was nor that."

"Injuna ?" "Wus por that." "Outlaws, then ?"

"Correct. I figure 'twas Red Jim's gang. Ye know they've been working the stage route from Winnemuces to Silver Cliff, and now I reckon they're on their way back to towns to squander their stealings. Sartin it is that a dozen mounted hores crossed the run, just below for an instant, and then said : the old slaice, sometime since sun-

fresh."
"Phat's bad news," said I soberly. were here, nothing would please them more than to roast us out, it —there were but two fingers and shoot us down and carry off the a thumb. "I crushed in Hall's He half relapsed his grasp, and, 'yellow.' It would be a hard ending Gulch smelting works in seventy-

yellow.' It would be to our two months' work."

"He're clus to right," returned the Red Jim leaned forward and excelled miner, as he slowly refilled his amined the member carefully. Then his face became lurid, and his wolf-his face became lurid, and his wolf-his face became.

"Well, but how do you know-" I
