—o:—

For the *third* time since The Post came under its present management on January 1, 1877, we publish a request that our patrons help us financially to carry on the publication of our paper.

We think it safe to say that no publisher in the State has been more lenient; and now that we are in need of funds to connect the paper we hope each of our patrons in arrears for subscription advertising or Job-work will promptly respond.

We deem the above sufficient to bring forth a prompt response to our request.

There was an Odd Fellow funeral on Saturday. B. is one of the best artists to call the baby to life.

West Beaver.

"A soft answer turneth away wrath, but grievous words stir up anger." Now to insult is contemptible in the extreme and exhibit the dispositions of the writer. As nothing can be gained by a prolongation of a controversy, conducted in such a disgusting manner, we shall dismiss it for the present, unless new points are developed. It is entirely useless to allow any one to cover another with "filth" or "dirt" simply for the fun of seeing how dexterously it can be cleansed off.

WARD.

The Rev. Irvine is doing a grand work in his charge. He administered the Lord's Supper, on Sabbath last, at Beavertown, and a larger number received communion than has participated since the separation of the old and new schools.

On Saturday previous he closed the instructions to a class of 24 catechumens, twenty of whom were admitted to church membership.

At Hassinger's his class numbers 11 and at Middleburg 40. He will conclude his instructions to the Middleburg class on Saturday next and the following Sabbath it is expected about 30 will unite with the church.

He has during this time promptly attended to his other ministerial duties.

SIXES' DYSENTERY COMPOUND.—There are no diseases that will so quickly bring incidents of a person's past life and make him think of home and his mother, as Cholera, Cholera *Morbus*, Dysentery, Cramps, Colic and all their kindred diseases. RESOLVED, That while we cheerfully submit to the will of Him who doeth all things well it is with unfeigned sorrow that we part with our pastor.

RESOLVED, That his absence will be felt not only in the charge which he served; but also, in the whole community by christian people of other denominations and by all lovers of temperance and true manhood for it is in his private character that he preaches the strongest sermons.

RESOLVED, That we do heartily commend him to the christian graces of those among whom he is called to break the bread of life as a faithful preacher of the word as well as a shepherd indeed who cares for the flock.

RESOLVED, That we do pray that the tie of christian love which binds our hearts may never be broken and that in parting with him and his estimable wife and children it is with the bright hope that when earth's work is done we will meet where tri butes never need be passed.

If persons were as careful of their health as they are of their wealth the death rate would be much smaller from that dreadful scourge—consumption. It carries off in the United States in one year ten times more persons than succumbed to the yellow fever in the South. Thousands of valuable lives would have been saved from consumption had they used Sixes' Syrup of Tar, Wild Cherry and Hoarhound in time. In all cases of whooping cough, croup, asthma and lung affections it has proved to be a certain cure when taken in time. Sold in every drug store. Price 25 cents; extra large bottle, 50c.
