County lyceums are resting until next winter.

The odorifreous shrubs send forth its sweet perfume.

Strawberry and ice cream festivals are coming on apace.

Census takers will begin their labors on the first of June.

Our merchants all appear to be doing a good spring business.

All nature just now, is too perfectly, awfully lovely for anything.

Dealers in straw head gear have been doing a large business in that line.

Button hole boquets now adorn the lapels of the coats of fancy young men.

Many a young girl's life has been wrecked on the waves of her handkerchief.

Now that iron has taken a tumble, it is about time that paper would do likewise.

FIRE.—Dunmoyer's Steam Saw-mill, located near Mifflinburg, was destroyed by fire, on Monday night last.

"Dr. Sellers' Cough Syrup" will ensure you a good night's rest: It is the best cough medicine in the market. Price 25c.

It is about the time of year to commence talking of pic-nics. Sunday-school teachers are anxiously waiting to hear something in that line.

Human ingenuity overleaps itself in Kentucky, where they are trying to enforce a Sunday liquor law. A Humfordsville man asked a druggist last Sunday for a bottle of whiskey for a fainting mule.—He didn't get it.

Decoration day, Saturday, May 29th. The three Sunday Schools will turn out. Rev. Irvine and others will deliver appropriate addresses. Stetler's Band will furnish the music.

It is expected that our citizens will turn out *en masse*.

ACCIDENT.—James Buffington and Rand Rothrock were hauling water from the creek and the horse frightened, became unmanagable and James Buffington in trying to get off the wagon to quiet the horse, was thrown to the ground injuring his arm and cutting several holes in his head.

SMASHED HAND.—Sidney and Chas. Specht R. R. employees, were cutting an iron rail, one day last week, Sidney holding the cold-chisel and Charles wielding the sledge, and somehow the the sledge came down with full force and caught Sidney's right index finger just missing the bone, smashing it so that he may not be able to work for a month.

Farmers, read Riehl Brothers' advertisement in another column—These gentlemen are well known as worthy and reliable agents, representing the best, latest improved, most durable, cheapest Agricultural Implements now being offered to the public.

They will have their Machinery on exhibition at Middleburg during court week.

May Term of Court commences Monday 24th inst.

SUDDEN DEATH.—Jackson Orwig, of Bannerville, Dentist and brother of J. W. Orwig of this boro. on Sabbath morning last went out to the stable to feed his horse and a few minutes after leaving the house was found dead. Heart disease was the cause of his sudden death.

If you want a good organ at a low price write or call on Ed. S. Arnold at Port Treverton; or if you want a first-class piano cheap ask him for a price list.

Ed is doing business for the manufacturers of the Golden Tongue organ and can get you an instrument cheaper than anybody else.

G. C. Gutelius already received his large, well-selected New Spring Stock of ready-made clothing, Hats, Caps, Confectionary &c., &c.

Such low prices never before heard of.

The same quality of goods never before offered at such low prices.

Then there's the style—the very latest.

SERIOUSLY INJURED.—Anderson Fike, a young man about eighteen years of age, left this town about a year ago for Akron, Ohio, and it appears that he was working his way back along the railroad. *He* had come east as far as Beaver county, Pa., where he met with an accident the details of which we have not learned, except that he was seriously injured about the head and parts of his body by being run over by the cars. *He* will be brought to Franklin township where he belongs.

SHOT IN THE HAND.—Elias Hartly was working at his revolver which was loaded and by some means was discharged, the ball taking effect in the left hand making considerable of a wound.

It was surely accidental as Elias has no idea of quitting this country at this time; and he informs us that he will hereafter exercise greater care when handling his revolver.

Band Festival.

The Band proposes to give one of the grandest and most interesting entertainments ever held at *Middleburg*, on *Monday*, Tuesday, *Wednesday* and *Saturday* evenings, 24, 25, 26 and 29th inst., in the U. *B.* Church.

The object is to raise a fund to aid in the purchase of new instruments, so that the burden will not fall so heavily on the members of the *Band*.

It is confidently expected that all will aid the enterprise to the full extent of their ability.

To the Public.

Henry *Mink*, *Merchant* Tailor, Middleburg, whose business experience extends over 20 years, bears testimony as follows; I have used Singer, Davis and other sewing machines and about a year ago purchased of C. C. Seebold a White Sewing Machine which has proved a better machine than I expected; and by reason of improvement in my business I was compelled to purchase another, I can safely recommend it to all who wish to purchase sewing machines. Those who desire to see the *White* work can by calling at my place of business, on Main street, Middleburg, when and where *I* will be pleased to show my large stock of fine Cassimers.

West Beaver.

Ed. POST.—In a late issue of your paper, two young ladies of the west end near the mountain extended an invitation to the young gentlemen to pay them a visit, in pursuance of which we called. We took our departure from New Lancaster on Saturday, and notwithstanding the heat, we made rapid strides over the rugged mountain road, down the dusty valley highway to the bridge and up another less-traveled road which we followed until we reached the home of the gals.

We found them as gay and happy as twin larks—as ally clad—rosy cheeked, and their luxuriant golden hair flowing loosly over their shoulders, presenting such an appearance as could not fail to attract the most stubborn youth—in truth they were delightful to look at, and then they have all the inviting ways of natures pure, insophisticated beauties. We will visit them again. Z. B. C.

George B. *Benfer*, for County Surveyor, having no opposition, received 1177 votes.

If persons were as careful of their health as they are of their wealth the death rate would be much smaller from that dreadful scourge—consumption. It carries off in the United States in one year ten times more persons than succumbed to the yellow fever in the South. Thousands of valuable lives would have been saved rom consumption had they used Sines' Syrup of Tar, Wild Cherry and Hoarhound in time. In all cases of whooping cough, croup, asthma and lung affections it has proved to be a certain cure when taken in time. Sold in every drug store. Price 25 cents; extra large bottle, 50c. Is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and in every way the most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face-grubs, Pustules, Blotches, Boils, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ringworm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood, and cause derangement and decay. It stimulates and enlivens the vital functions. It promotes energy and strength. It restores and preserves health. It infuses new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair, who will give AYER'S SARSAPARILLA a fair trial. Remember, the earlier the trial, the speedier the cure.

Its recipe has been furnished to physicians everywhere; and they, recognizing its superior qualities, administer it in their practice.

For nearly forty years AYER'S SARSAPARILLA has been widely used, and it now possesses the confidence of millions of people who have experienced benefits from its marvellous curative virtues.

Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass.

SOLD BY ALL DRUGGISTS EVERYWHERE.

SIMS' DYSENTERY COMPOUND.—There are no diseases that will so quickly bring incidents of a person's past life and make him think of home and his mother, as Cholera, Cholera Morbus, Dysentery, Cramps, Colic and all their kindred diseases. And to be without SIMS' DYSENTERY COMPOUND when overtaken with the above disease is to be almost without hope.

If you visit Selinsgrove drop in at S. Weis's and you will find the largest assortment of Dry goods and Fancy goods you ever saw in this section of the country.

Prevention is better than cure. The shrewd horse owner always keeps Roberts' Celebrated Horse Powders and Robbert's Embrocation in his stables. In use fifty years.

Of all the modern inventions the Patent Incubator takes the lead, but experience teaches all that whether poultry is hatched by the patent process with artificial heat, or by the old original way patented by nature, they are subject to cholera, gapes, &c., and experience, also teaches those that have tried Roberts' Poultry Powder, in such cases, that it is a sure cure every time. Ask your druggist for it.

Englishmen formerly supposed that American running horses were very inferior to theirs but during the last two years Parole, Wallenstein and other fast ones that were sent from this country to England, have won hundreds of dollars, for such Americans as the Messers Lorillard, James Gordon Bennett, &c. The Englishmen have investigated the reason for the great success of American horses, and find that they are kept in such fine condition by the constant use of M. B. Roberts' Horse Powders.

Our drug stores are now supplied with "Malt Bitters," the new Food Medicine which has done so much good and comes to us so highly recommended. Try it. It may save you heavy doctors' bills. May 6,4t.
