SNYDER COUNTY COURTS.—The Courts of Snyder County are held on the fourth Mondays of February, May, and September, and second Monday of December.

—All communications, business letters &c., for this office, to secure prompt attention should be addressed as follows: THE POST, Middleburg, Snyder County, Pa. Advertisements, communications &c. must be handed in by Monday noon, to secure insertion in next issue

The wheat has been all harvested.

Calvin Steininger went west on Monday last.

Marriage makes the man; the woman was maid before.

The Selinsgrove Hose Company Pic nicked in Bower's wood, on the 3d.

The tramps are again on the march, and the papers tell us of their outrages all over the country.

The ice men feel just as stuck up, this weather, as a little boy with his father's tin watch.

A car load of *Barrel* Salt just received by Simonton Barber & Co. and selling at 1.75 per barrel.

Twenty-five thousand quails are being imported from *England* to be set at liberty in Pennsylvania.

Money expended for painting outhouses, wagons, implements, etc., always pays good dividends.

The democratic ladies call their *Presidential* candidate, General *Harrison* my dears, General Harrison died "long long ago."

Last Saturday night a fire broke out on front street, Milton, and destroyed two houses, one of which was owned by Mr. Enos Tildon.

A barn in course of erection in Centre township, belonging to John Kister, was completely demolished by the storm of Sunday evening last.

The U. B. Pic nic was a lively and interesting affair. Rev. Gambler and S. S. Bailey delivered short addresses. The whole passed off pleasantly.

Rev. Yearick, formerly pastor of the G. R. congregation at this place, preached an able and interesting sermon, on Sabbath evening last.

Rev. J. H. Torrence, Secretary of the Pennsylvania Bible Society, preached to a crowded house Sunday forenoon He is one of the finest talkers we have heard in a long while.

The year 1880 is more than half gone.—Girls, are you aware of the fact? You will not have another opportunity to capture some bashful young man for four years

C. C. Seebold has again received a new supply of the celebrated White making the past three months over 100 Machines. All in need of a Sewing Machine give the White a trial.

The name of Charley Ross is included in the census of Philadelphia, with the word "absent." The parents when asked, "How many children living?" could not exclude his name from the list, as they still hope that he is alive.

Rev. Irvine has returned home, looking well; and, if the twinkle of his eye means anything, ready armed and equipped for a new and vigorous campaign against the devil and his hosts.

Rev. W. R. Wieand goes to Rebersburg, Centre county.

The people of the 'west end' are grieved to lose so good a citizen; so able, energetic, earnest and capable *Minister*.

McKEES ½ FALLS, Pa., July 5th, 1880.

Black Bass fishing is the order of the day at present with us. Parties catch from 15 to 20 *Bass* in a few hours, weighing from 1lb. to 3.

HENRY SPOTTS.

In the past three months the White has stood in compition with twelve Sewing Machines: Singer, Home, American, and Dauntless and was once withdrawn, and now I will challange any Sewing *Machines* that is sold in *Snyder* county, Pa. *C. C. Seebold.*

Boys be careful how you drink ice water, eat unripe fruit or go in swimming for the next few weeks. Many a young man with an apparently bright future before him has gone down to the darkness of death because of a little foolish indiscretion. Death loves a shining mark.

The Lewistown *Democrat* and *Sentinel* is mistaken when it says: "The *Middleburg Band* has retired from business." The Band has *new horns* of the finest quality and latest improved style, and have consolidated with the Orchestra thus making one of the finest musical arrangements in this part of the state.

The S. School celebration held by the U. B. in Christ *S.* School on Saturday the 10th, was a Grand success in every respect. *Every* person seemed to enjoy themselves throughout the day, although the weather was hot. The music furnished by the Middleburg Cornet *Band* was excellent and commented upon by every body.

SPECTATOR.

The Whortleberry crop on Shade *Mountain* is not very large this year.

Dr. Bingaman of Centre twp. has in his possession an apple which he has kept for 2 years.

On Sunday last a valuable cow, belonging to Squire *S.* A. Wetzel, of Beavertown, was killed by lightning.

A Camp Meeting under the auspices of the U. B. Church in Christ will be held at Palas, Snyder Co., Pa., commencing Friday, July 23rd.

It is getting to be the fashion with some of our young ladies to court their beaux on door-steps and other convenient places.

More than 300 orders for *the Picture* have been booked and still they come. Send in your orders rapidly—the artist promises to have the pictutre ready for another issue.

The attendance at the adjourned court, this week, was larger than usual, the cause no doubt being the application of Jonathan Moyer and Israel Erb, for discharge from jail on a writ of *heabas corpus* where they are held to answer the charge of the Kintzler murder.

A new game has just been started for evening parties. The ladies write their names on a slip of paper, wrap it up in a ball of yarn, twine or rags, and when they get to where the party is to be held, each lady puts her ball in a basket. Before leaving, the gentlemen draw from the basket, and takes the lady home whose name is in the ball.

One of the plagues of Egypt has settled down on this village in the shape of a little bug, fly, or something else—we have no name for it—and in fact quite a number of folks have been so severly bitten by the little pests that they were not able to work in the hay or harvest fields—fact—those bitten the hardest complain that to eat three times a day is too much strain on their muscle.

BEAVERTOWN July 12, 1880.

MR POST:—The *Times* is mistaken when it says, "that Mr. Ulrich's self-binding *Harvester* is the only one of the kind in the county."

John Hettrick, of this township purchased one last year, and those who ought to know say it is the best machine manufactured. He has cut and shocked 50 acres of wheat in 3 days—the work being clean and in all respects well done—no exageration about this. HARVEST.

Our citizens should be particulars in purging their premises of whatever is calculated to afford a lurking place for filth, decay or disagreeable smells; cellars and closets should be visited and cleansed, and if need be whitewashed. Sunless rooms should be opened and ventilated, and back yards swept and garnished. Any offensive trains should be deodorized, as they may be effectually and cheaply by a few pounds of copperas dissolved in a bucketful or two of lot water and poured into the offensive places.

A writer in the New York *World* states of his own knowledge, that Ammonia given inwardly and applied outwardly is a sure antidote of snake poison. The patient can swallow as much ammonia, diluted with water, as can be taken without removing the skin from the mouth. The writer had seen this inexpensive remedy tried with signal success. Ammonia can always be obtained and it would be well for persons traveling in snake-infested countries to provide themselves with a bottle of the liquid. Berry pickers on the mountains in this part of the State, frequently encounter rattlesnakes and, of course, are in danger of their fangs.

Riehl Brothers are doing an active business with the celebrated Birdsell Clover Huller.

We observe from our numerous exchanges that all over the state and in the west this celebrated Huller is the choice of the farmers who make machinery a study. One of our exchanges says, on the authority of an intelligent farmer, "it is the most durable, lightest running Huller ever manufactured, and does its work in the most satisfactory manner—it completely separates all dirt and the farmer gets *pure seed* with the smallest proportion of broken seed.

The Riehl Brothers have an established reputation for fair-dealing and we can't add anything that would elevate them in the esteem of the farming public.

Customer—"Why are 'Malt Bitters' so popular?"

Druggist—"Because as a Food Medicine, they enrich the blood, harden the muscles, quiet the nerves, perfect the digestion." July 1, '80-4w.

Information is desired of the whereabouts of Peter Johnson, who came to this country from Denmark, about a month ago. He was in New York city when last heard of. Any person knowing where the man now is will confer a favor by addressing Lars Saaby, Wilkes-Barre.

An adjourned Court was held on Tuesday, July 13th. Among other business was the application of Jonathan Moyer and Israel Erb on a writ of *heabas corpus*, for discharge from confinement in which they were held for the murder of the Kintzlers.

The application failed and the prisoners were retained in custody.

New Money-Order Offices.

WASHINGTON, July 10.—The Post Office Department has issued orders for the establishment of the following additional money-order offices on Monday, August, 2, in this State:

Boyerstown, Carrolltown, Catawissa, Clintonville, Coleville, *Delmont*, Lansdale, Leechburg, Le Raysville, Ligonier, Lincoln, University, Middleburg, Slatington, Steelton, White Haven.

KILLED.—Mr. Charles Price, a respected citizen of Lewistown, Pa., aged about 50 years, was instantly killed, at Selinsgrove, on Friday evening, under the following circumstances: Two boats arrived at the above place about the same time, and the men seeing a storm approaching went about putting away the mules and making preparations to avoid damage to their boats. While thus engaged the storm burst upon them, and the wind lifting a hatch from one of the boats and carrying it through the air, it struck Mr. Price upon the temple, crushing in the side of the head and knocking him in the canal. Search was at once made for the body, but it was not found until after two or three hours diligent search. The remains were taken to Lewistown on Saturday morning. The deceased leaves a wife and a number of friends to mourn his loss.—SUNBURY DAILY.

SUPPOSED MURDER.—Last Monday Shindle Goben Young aged about twenty-one years, private operator for Mr. Beardsley, superintendent of the Philadelphia and Erie shops at this place, went to Danville with our fire companies to celebrate the Fourth of July. He missed the train in the evening and left Riverside station, on the Sunbury, Hazleton and Wilkesbarre railroad, about eight p. m. to walk home. Nothing was heard of him until this afternoon when his body was found in the middle of the river, two miles below Danville. His body had nothing on but shirt, pantaloons and stockings, and there is a severe wound in his side. The body arrived at his home this evening Every one believes he was foully dealt with. A

On Wednesday evening four tramps landed in a bran new foot boat between the two bridges opposite this place, and took the first express train west the same evening. When they arrived at Williamsport they were arrested, and it is reported that one of them had some of Shindel Gobin Young's clothing on.—NORTH'D PRESS.

DARING ROBBERY.—While L. V. B Soper was at dinner on Monday, his jewelry store on Third street was broken in to and robbed of between eight and nine hundred dollars' worth of goods When Mr. Soper started for dinner he pulled down the curtains of the Third street windows fastened the windows in the back of the store, one file placed above the lower sash. He was absent one hour and a quarter. When he returned the showcase on the left as you enter the store was almost entirely stripped of goods. The back window was open, a pain of glass having been broken out and the file removed. The coal box, which stood in the little alley in the rear, was placed under the window and an easy egress obtained. The articles stolen were watches, movements, chains, twenty-three stone rings, one dozen gold rings and articles that could be carried easily of every description. The safe was unlocked, containing a large number of valuable articles, but not disturbed, several of the most valuable rings were left in the case, a pearl and a diamond being among them. From the circumstances in the case we are of the opinion that the robbery was committed by some one from this place, and not by tramps and professionals.—SUNBURY DAILY, OF TUESDAY.
