Plenty of rain.

Roasting ears now.

Moonlight nights again.

Some people, like wind, can always find something to blow about.

The prospects for an immense chestnut crop are very favorable.

The roads in some places have been badly washed by the late rains.

The Camp meeting now in progress at Palas was largely attended on Sunday last.

Amon Long tried to catch the Mail train west on Saturday evening and fell, hurting his leg very considerably.

See advertisement of sale of real estate of Frederick Boliz, decd., in another column of paper—see Bills.

We are always thankful to any of our friends for any items of local news furnished us.

Pennsylvania has a population of four million two hundred and twenty-six thousand and ninty nine.

The carriers of concealed deadly weapons are being arrested in many parts of the States and fined to the fullest extent of the law.

A Camp meeting under the direction of the Evangelical Association will be held near Centreville commencing Aug. 18th,

The meanest man we have heard of lately is the chap who refused to treat his girl to ice cream on the ground that it was "too rich for her blood."

The Snyder County Medical Society meets in its next quarterly session at Selinsgrove, Wednesday, August 4, 1880, at 9½ o'clock, a. m.

J. Y. SHINDEL, Sec.

BIG TOBACCO.—Wm. Stahl, of Penns, has the Boss tobacco stock. It measures 50 inches in heighth—leaf 34 inches long, 12½ inches wide. Tobacco raisers, can this be beaten?

A Camp meeting under the auspices of the U. B. Church in Christ, will be held in Hartmans woods about 5 miles North-west of Middleburg, commencing Wednesday Aug. 25, to continue at least one week.

John Gambler is a pretty smart little fellow and stands high up in his class, and ought to know that the left index finger is an important member of his body corporate. So, John, let other fellows handle loaded pistols.

The *Reading Eagle* says that a fish two inches long was taken from the ear of a boy named George Whiteman, of that city, on Tuesday of last week. The fish entered his ear while he was in bathing, remaining two weeks and causing him great pain.

Early Elections.

Alabama, first Monday of August; Arkansas, first Monday of September; Vermont, first Tuesday of September; Maine, second Monday of September; Colorado, first, Tuesday of October; Indiana, Ohio and West Virginia, second Tuesday of October.

Norton Glover and daughter Julia, of Selinsgrove, were in Newport on Monday last, attending the funeral of Mrs. Brown, whose remains were brought to this place.—*Newport News.*

Mrs. Brown was the mother of the late Mrs. Glover.

STRAYED.—5 Sheep—2 ewes, and 3 lambs, nearly grown—left the premises of the subscriber about three weeks ago. Any information concerning their whereabouts will be properly rewarded. J. CROUSE.

Grain dealing is perhaps one of the most unstable, uncertain business enterprises any man can engage in. In a day the earnings of a life-time, besides a large patrimony have been swept away.

Kreeger think's a dealer in grain should never invest his *whole pile*—only such portion that if a crash comes he may not be crushed.

MAD DOGS.—At and about Selinsgrove there is considerable of a mad-dog scare. Wm. F. Eckbert's bull-dog and *Mrs.* Keller's poodle were dispatched because they showed signs of the malady. Miles Hummel's cow died with hydrophobia it is supposed. Down the river two cows and a number of dogs have been killed having shown signs of the disease.

STRUCK BY LIGHTNING.—On Monday after noon last, during the heavy thunder storm which passed over this county, a boy named *Mertz*, near the Maine Mills, at Selinsgrove was sitting at the door nursing a child. The boy was picked up insensible and the child uninjured and apparently in not the slightest degree affected. Our informant says at last accounts the boy was still unconscious.

The *Snyder County Democrats* will hold their delegate election Saturday, July 31, and their County Convention on Monday, Aug. 2, 1880, at Middleburg.

Kreeger's new buildings in Franklin, are pushing forward to completion. The slate roofing of the Barn was finished on Friday last. *His* dwelling house, on account of its location, dimensions and architecture will add materially to the appearance and pretentions of the new town.

Mr. Kreeger will occupy the premises as soon as completed.

On *Monday*, 19th, inst., Austin Gift and Peter Felmy were cutting timber on Shade mountain. By some mishap, the particulars we have not been able to learn, a tree fell on Mr. Gift and crushed his leg fearfully. He was left alone on the mountain until Mr. Felmy could come down into the valley. Rumor says the leg must be amputated.

Henry Reigle of this Boro. is agent for the U. B. Beneficial *Society* of *Harrisburg, Pa.* He is a stone-mason, and a short time ago received an injury, working at his trade, which disabled him so that he was not able to work. *He* had taken a benefit in the above society and promptly received his full pay. Laboring men would do well by pursuing the same course. The benefit he received was fully sufficient to maintain his family during the time he was unable to work.

A well-dressed man is going about the country claiming to be deeply interested in the cause of temperance. *He* calls at a farm house, presents a pledge for the farmer to sign, and when this is done produces another case, similar in appearance, to which he also desires that the signature be affixed, "in order to keep a correct memorandum of his work." The second card is a sight note for any amount the swindler may see fit to demand. Look out for him!

DESPERADOES.—On *Tuesday* night about eleven o'clock, two strange young men went through our streets firing off revolvers and swearing fearfully. They fired at cows and at almost anything that happened to suit their fancy. A crowd of citizens congregated, to the number of forty or fifty, and arrested the fiends. They took them to 'Squire Smith, who committed them to jail. They refused to give their names, but they were recognized as Lewisburgers named Frank Bailey and Frank Colloin. When the jail was reached much trouble was experienced in getting them into cells. At a re-hearing before 'Squire Smith on Wednesday the young men were recommitted to jail for trial.—*Sunbury Democrat.*

The rain storm at Shamokin on Monday night was perhaps the severest ever known in that place. About midnight a storm came up from the southeast which lasted for several hours. The lightning flashed, the thunder rolled and for a short time it appeared as though heaven's artillery had opened a siege on the town. Continued lightning and cross-lightning illuminated the place, while the sharp peals of thunder shook buildings to their foundations. Lightning struck in different places, and quite a number of persons on the streets were knocked over. On Market street the electric fluid set fire to three stables, two of which were entirely consumed and the third more than half. A tenant house belonging to J. W. Young also sustained injuries from lightning. For about an hour the water poured down in torrents and some of the streets were completely deluged with water.—SUNBURY AMERICAN, July 23d.

A NEW SWINDLE.—Reports from Dauphin county reveal a new swindle being practiced by a class of bogus statistic gatherers, who have succeeded in several cases in defrauding farmers of sums of money ranging from $25 to $40, and our farmers should be on the lookout for them. The plan pursed is for a knave to present himself as an accredited agent of the Treasury Department to gather returns of the amount of crops raised, number of species, value of cattle, number of acres cultivated, style and size of buildings, etc. The farmer is then informed that all this is to be published in a volume by the United States Government, and for twenty-five dollars an illustration of his farmehouse and other buildings will appear in the volume. Several farmers are reported to have actually paid the money to be thus illustrated. One gave forty-five dollars to have his portrait added. The swindle is one of those which any intelligent person ought to detect, but strange to say, persons of intelligence have been caught by it. *It* is hardly necessary to add that the Government has no agents collecting such statistics.

State Items.

Anthony Manner was drowned at Newton's dam, near Titusville, on Thursday.

Henry Critchfield, of Springfield, Fayette county, was killed by lightning on Thursday.

Senator Cameron and wife arrived at their Harrisburg home on Thursday night.

James Louden, one of the oldest residents of Carlisle, died at that place recently in his 82d year.

E. *M.* Pearsell was burned to death on the Clapp farm, near Oil City, by the explosion of benzine, on Thursday.

THOMAS YOUNG, a farmer, residing at Nine Points, Colerain township, Lancaster county, died on Thursday from the effects of sunstroke.

West end Items.

Farmers are busy putting away their oats and also ploughing.

McClure City is to have a Brass Band shortly. Felix Long the leading man—sufficient money subscribed for the instruments &c.

Bill *Bratton* is running his new Foundry on full time with John Grayd of Fremont as foreman.

Jacob Miller has painted and remodeled his house, formerly the Eagle *Hotel*, which now presents quite a fine appearance.

Cruikshank, *Enes* & Kulp have commenced to take out prop timber upon their lands situated on top of Shade Mountain. Rishl's Siding their shipping place. Mainam Romig is also shipping a large amount of charcoal from the same place.

Samuel Shilling, who is hired to Ner B. Middleswarth, while ploughing killed a snake which being of rather unusual dimensions otherwise than in length, resolved to ascertain the cause, and it was discovered that she shortly would have given birth to 140 young snakes from 5 to 6 inches in length.

An "Assault and Battery" case recently tried before Justice Middleswarth and which terminated in the discharge of the parties, and the Prosecutor and Defendant each to pay one half the costs of suit. When an old and wealthy farmer in whose employ both men are, promised to pay all cost if they agreed before him not to fight again with each other, it was agreed upon, and the good old man paid all cost amounting to about ten dollars. He is a *Peace Maker.*

ROBERT'S HORSE POWDERS were formerly used amongst the runners and other valuable horses, but now since the Price has been reduced to 25 Cents per Package, all can afford to use them.

We were greatly amused some days since, by seeing one of our venerable citizens, who had been bowed down with Rheumatism, throw away his crutches, and declare himself just as young as he used to be, and now he is recommending Robert's Embrocation to every old lady in town. Great liniment that.

SIXES' DYSENTERY COMPOUND.—Produces a very warm and glowing sensation, thereby removing all Sharp Pains and by its tranquilizing properties, allays those severe gripings, of the Stomach and Bowels, occasioned by exposure or other causes—only 35 Cents per Bottle.

ROBERTS POULTRY POWDERS are guaranteed to cure Poultry of all diseases, if given before the fowls refuse to eat. Sure cure for Cholera. We have tried it, and advised all to use it.

It is very discouraging to the industrious farmer's wife, as well as foolish to have her Poultry to die from Cholera or other disease. When she can buy of her druggist, ROBERT'S POULTRY POWDER for 25 Cents a Package. And guaranteed to cure.

It is sad but true that many children have filled untimely graves, by the neglect of their mothers to have SIXES' SYRUP of TAR, HOAR-HOUND and WILD CHERRY on hand. Every thoughtful mother has a battle this Season of the year for immediate use.

The "WHITE" stands acknowledged King of all Sewing Machines.

Important and Cautionary Notice to all intending purchasers of sewing Machines.

Office WHITE SEWING MACHINE Co., CLEVELAND, O., May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the official SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The GENUINE "White" is to-day the most popular machine upon the market, the cheapest, and the best to own or sell. A larger number of the "White" have been made and sold since they were placed upon the market, than any other make in the same length of time since Sewing Machines were invented.
