THE POST.

Middleburg, Nov. 11, 1880.

Snyder County Courts.—The Courts of Snyder County are held on the fourth Mondays of February, May, and September, and second Monday of December.

—All communications, business letters &c., for this office, to secure prompt attention should be addressed as follows: THE POST, Middleburg, Snyder County, Pa. Advertisements, communications &c. must be handed in by Monday noon, to secure insertion in next issue

Local News, &c.

Farmers should hurry up their "outdoor work." Rougher weather cannot be very far off.

VISITORS.—Misses Martha Herrold, Laura Walter, Ida Walter, Mariah Dobbs, of Ohio, Miss Kohler of Juniata county, Pa.

Over three millions of letters and packages were sent to the dead letter office in 1879. Over three million blunders by somebody or other.

The fellow who is *borrowing* Dr. Bibighouse's corn, out of the crib, will please take notice that the Doctor has borrowed a shot-gun and will adopt *that policy* one of these nights.

Van Stone & Crosby, Wholesale and Retail Druggists, Toledo, Ohio, says:—We have sold large quantities of the Excelsior Kidney Pad, and have been surprised at the unvarying satisfaction given by them.—*See Adv.*

It is better to be uncomfortably warm than uncomfortably cool, particularly when the evenings are damp, which is of sufficient importance to health to prompt the firing up of every stove about the diggings.

H. E. *Hodge*, Cambridge, Mich., says:—I have been afflicted with Asthma for years, an 'Only Lung Pad' gave me immediate relief. *I* can recommend it as the greatest remedy ever produced.—*See Adv.*

Turkeys possessed of wisdom will now seek elevated roosting places, as Thanksgiving Day is not far distant. Winter, seems to be close at hand, when preparations for fattening turkeys are in order.

A child was recently born near Newburg, having no arms or legs. In every other respect it is robust and healthy. It is a sad case, and unfortunate for the child and its parents.—*Shippensburg News.*

Emerson Dubbs and his bride, Sallie, started for their western home on Monday afternoon last.

Mrs. Rhule, daughter of our esteemed neighbor, Michael Schoch, left for her home in the west on the same day.

Harry, aged 15 years, son of W. H. Brown formerly Superintendent of the Lewistown division of the Pennsylvania railroad, while out sailing on the Delaware river near Philadelphia on Saturday, October 16th, and in the act of drawing a bucket of water, lost his balance, fell overboard and was drowned.—*Juniata Tribune.*

Andrew Mauzer, of Clyde, Sandusky county, Ohio, formerly a citizen of this county, is visiting friends and relatives in Union and Snyder. Mr. Mauzer looks well and seems to be in a prosperous condition. He was an excellent citizen and highly esteemed by all who knew him and we have reason to believe that he has not departed from the right way. He informs us that York township, in which he now resides, will yield this year 150,000 bushels of wheat, and that Thompson ownship adjoining, Seneca county, will yield a like amount.

STARTLING!—If a man during fifty years chew every day two inches of solid plug tobacco, it will amount at the end of the half century, to 6,366 feet, or a mile and a quarter of solid tobacco, half an inch thick and two inches broad, for which he will have paid at present prices, $2,373. *If* the same man smokes three cigars per day, he consumes in that time 54,750 cigars; these at an average of four inches in length, each, would make a roll of tobacco three miles, nine hundred and thirty-six feet and eight inches long. *The* cost of these cigars, at five cents each, would amount to $2,737,50. *As* to the amount of nicotine that would be taken into the system in that time, we leave for scientists to ascertain.—*Cor. Salem Democrat.*

REUNION OF VETERANS.—The surviving veterans of the 49th Regt., Pa. Vols., we are informed, are to hold their fourth reunion at Lewistown, on Thursday, Nov. 18. The citizens have generously offered to entertain them on that occasion.

The program is an interesting one, and the prospects are that there will be an unusually large attendance.

The *P.* R. R. Company will sell tickets at excursion rates to the members of the organization upon presentation to any one of their ticket agents, of an order which can be had by *immediate application* to the Secretary, Rev. *I.* Newton Ritner, 727 *North* 17th street, Philadelphia.

These reduced rates can only be secured on presentation of above order, and are good on any of the branches as well as the main line of the *P.* R. R

Thanksgiving Day will be observed this year on the 25th of November—the last Thursday in the month.

The thirteenth number of the Humboldt Library of Popular Science is recieved. It contains Prof. Alexander *Bain's* new work entitled "Mind and Body: the Theories of their Relation."

The author brings to the examination of the immemorial problem of the philosophers the erudition of an accomplished scholar and the method of the modern scientist. His work may be regarded as the latest authentic expression of the modern scientific school upon one of the most important questions that have ever agitated the human mind. Price 15 cents. J. Fitzgerald & Co., publishers, 143 4th Avenue, New York. For sale by A. K GIFT.

INDIAN SUMMER.—Indian Summer is a period of warm, pleasant weather which usually occurs every year over the Northern portion of the United States, after Autumnal storms, and often continuing for two or three weeks. *It* is not regular in the period of its recurrence, but usually comes about the middle of November. It is characterized by a clear sky, and by a hazy or smoky atmosphere, especially near the horizon. The name is said to be derived from the custom of the Indians to use this time in preparing their stores of food for the winter. Other authorities say that it is so called by the Indians themselves, who regard this season as the gift of the God of the Southwest, who sends the Southwest winds, and to whom they believe their souls go after death.

IMPRISONED FOR BEATING HIS FATHER.—James F. Finklohn, a young man from Lower Mahanoy township, was brought to jail on Friday on the charge of seriously beating his father, who was found outside of his home in an unconscious state with his head badly cut. Mr.——Snyder had the son arrested. The young man persists in his innocence. He alleges that he discovered his father in the state he was found and that he must have received his injuries by falling on the threshing floor. It is reported that Mr Snyder, the prosecutor, has an insurance of some thousands of dollars on the injured man's life. He is still unconscious, and it is feared he will die before he can give an account of the manner in which he recieved his injuries. It is alleged that father and son have been on bad terms. The father has since died.—*Sunbury Gazette*

ANOTHER TERRIBLE WARNING TO BOYS.—On Wednesday afternoon *Thomas Reber*, a Northumberland boy was run over by an engine in the P. & E. yard at this place, and had both his legs mashed, one so badly that immediate amputation was resorted to by Dr. Martin, assisted by *Drs.* Clark and Smith. The doctors are not sure that the other leg will not also have to be taken off. The boy, who is about 15 years of age, is the only son of the widow of the late L. F. Reber, Esq. He had been over to this place to procure some papers, being a messenger, and on his way back was attempting to selfly jump on and off engines and cars. When the accident occurred he attempted to run across the turn table in front of an engine, when his foot caught in a "frog," and the engine could not be stopped in time to save him. No blame can attach to the engineer. The lad was a page in the last Legislature, which position was secured for him by Senator Wolverton.—*Sunbury Democrat.*

Every Family, without Exception.

In City, Village, and Country, will find it highly useful to constantly read the *American Agriculturist.* It abounds in *plain, practical, reliable* information, most valuable for In-door as well as Out-door work and comfort, and its 800 to 1,000 Original Engravings in every volume are both pleasing and instructive. *In* this respect it is pre-eminent and stands alone, and it should have a place in every Household, no matter how many other journals are taken. *Its* Illustrated Department for Youth and Children contains much information as well as amusement. Its Humbug exposures are invaluable to all classes. The cost is very low, only $1,50 from now to the end of 1881, or four copies for $5. Single numbers, 15 cents. One specimen 6 cents. Take our advice and subscribe *now* for volume 40 (1881). Orange Judd Company, Publishers, 245 *Broadway*, New York.

An unfortunate affair took place on the 30th ult., in this place. Charles Mabus, while under the influence of liquor, met John *Wilson*, young colored man, on the street, wheeling a barrow upon which there was a trunk. Mabus, as is natural with persons in his condition, felt a little quarrelsome, and to give physical evidence of it, pushed the trunk off the wheelbarrow. Wilson then gave Mabus a shove, landing him upon the sidewalk, when he reloaded the trunk, and trundled on. *Mabus* gathered himself up, his wrath still heating, and repaired to Mr. Koc kler's gun establishment where he procured a pistol. Thus armed, he sought and found the offender, when he fired deliberately at the widest portion of his physical economy. The charge struck a suspender buckle, however, which saved the intended victim's life, inflicting a slight wound. Mabus was soon lodged in jail, where he will probably wait until December Court, and then answer to the charge of assault and battery with intent to kill. Another instance of the terrible effects of whiskey.—*Lewisburg Chronicle.*

The Miltonian, which it will be remembered, was turned over into the Democratic camp for a single issue, is now "clothed and in its right mind," under the clear brains and steady Republican hands of Messrs. Stine & Logan. The conduct of the Democrats in the prostitution of this paper, was most shameful, and the better portion of that party in Northumberland county denounced it as a dastardly outrage. We are informed that the price of the betrayal was thirty dollars. "Thirty pieces of silver" seems to be a standard price for jobs of the character.
