Political Speakers do it. Lecturers and Ministers do it. Senators and Congressmen do it. Judges and Lawyers do it. Artists and Artists do it. Merchants and Tradesmen do it. Farmers and Mechanics do it. In the Forum, Counting-house, Workshop, Studio, and even in the Editors' Sanctum, the universal reply to the question, "What do you take for a cough or cold?" is "Singer's Syrup of Tar, Wild Cherry and Horehound."

You will find it much easier to catch a cold at this season of the year than to get rid of one, unless you use a bottle of Singer's Syrup of Tar, Wild Cherry and Horehound.

Every one is acquainted with the old remedy about the hen that hatched the ducks, and how one fine day they went swimming in the pond near by, and the inducement she offered them to keep out of the water; but it may not be generally known that whenever poultry has anything to talk about in these later and more enlightened days, their conversation always turns to the benefits their species have derived from the use of M. B. Roberts' Poultry Powder. 25 cents per package, by all druggists.

We were greatly amused some days since by seeing one of our venerable citizens, who had been bowed down by rheumatism, throw away his crutches and declare himself just as young as he used to be, and he is recommending Roberts' Embrocation to every old lady in town. Great benefit that.

Englishmen formerly supposed that American running horses were very inferior to theirs, but during the last two years Parke, Waldstein and other fast ones that were sent from this country to England, have won hundreds of thousands of dollars for such Americans as the Messrs. Lord, Lord, Lord, Gordon, Bennett, etc., have won. Englishmen have since the reason for the great success of American horses, and find that they are kept in such fine condition by the constant use of M. B. Roberts' Horse Powder.—SPORTING TIMES.

Compensation for the Injured.

Those who were injured in the "Red Hill" accident received compensation.

Joshua Hart, Esq., Treasurer of the Sanbury and Lewistown Railroad, authorized Moses Specht and the proprietor of this paper to see those who received injuries and allow and pay them a fair and just compensation for loss and damages sustained in the accident.

The accident was no fault of the Railroad company—it was caused by a broken rail and no human agency could have prevented it—and there was no liability upon the part of the company, but Mr. Hart, who is a gentleman in the true sense, and a human and generous man, voluntarily proposed to compensate the unfortunate and thus secure the approbation of "an honest and kind people" as he styles the people of Snyder county. Whilst it is true Mr. Hart cannot obliterate the scars of the unfortunate, yet this act of disinterested benevolence has won the lasting esteem of the public, for himself, and awakened a greater interest for the welfare of the S. & L. Railroad which is the pride of every good citizen.
