HUMOROUS.

The man who makes light of everything is not necessarily very brilliant himself.

It's easy for the hotel clerk to keep warm. He's always changing over the register.

Why is the vowel "o" the only one ever sounded? Because all the others are in-audible.

When a married woman buys a pug dog for a low price, she gets a bargain, and her husband gets something to boot.

Mirrors are of great antiquity. When Adam found Eve, he discovered a good looking lass.

Corn is the worst of all cereals. No matter how fruitful it is, it is only grown to have its ears pulled.

Mullen Isly's quotation slightly altered from an old aphorism—"where singleness is bliss 'tis folly to be wives."

When the Sunday school superintendent asked his class why Moses smote the rock a little fellow sung out; "I reckin he missed the fellow he aimed at."

"I wonder, uncle," said a little girl, "if men will ever yet live to be 500 or 1000 years old?" No, my child" replied the old man; "that was tried once, and the race got so bad the world had to be drowned."

"I say, Paddy, that is the worst looking horse that I have ever seen in harness. Why don't you fatten him up?" "Fat him up, is it? Felix, the poor baste can scarcely carry the little mate that's on him now!" replied Paddy.

A young woman applied at the relief bureau in Galveston the other day with a paper containing the following: "This unfortunate woman is the only daughter of an childless father, and she supports several young brothers by her work.

They were watching the sea-gull whirling in graceful circles above the waters of the bay, while the rays of the sinking sun covered the landscape with a flood of gold. Finally he turned to her, and in a voice trembling with emotion, asked: "Darling, if we were sea gulls, would you fly away with me and be at rest?" To which she answered, with her gaze fixed on a far off mass of castellated clouds: "No, George; I'd let you fly away, and then I'd have all the rest I wanted here"

A shrewd rascal advertises a machine that will "add up a column of figures a foot long" in six seconds. He sends a piece of chalk with directions to use it on a barn door or other surfaces big enough to hold figures a foot long.

Miss Alice, who has just finished saying her prayers with her little brother—"Mamma, Ally wasn't thinking about God at all. He was thinking about his sled." Master Alfred, indignantly—"How do you know, miss? You can't see down my stomach.

Moriarity, who had been assaulted by Schmidt, appeared against him in a San Francisco police court. "Did he have a provocation to strike you?" the Justice asked. "Life may have had some thing of the kind concealed about his person, but it was a brick he struck me wid," replied Moriarity.

For many years, Moses, a negro, was a servant at the University of Alabama, and waited on the students very faithful, but he was a most notorious hypocrite. He was on that account commonly called "French" among the boys. One day he was passing a crowd of students, when one of them out of mischief, called to him and said: "I say, French, what are you going to do when Satan gets you?" "Wait on students," was the ready reply.

The Way They Do It.

The Oil City Derrick says that these be the mornings when the loving house wife saith to her liege lord: "Get up and build a fire in the kitchen stove, and put on the tea kettle, and grind the coffee, and get a bucket of coal and a pail of water, and cut that kindling wood and start a fire in the parlor stove, and take out the ashes, and sweep off the snow around the house, and call the children, and wait on the milkman, and go and get a beefsteak, and feed the chickens, and see if the cow is in the stable, and then come back here and stir our fire, while me my self I mair get breakfast and then I do believe

The "WHITE" stands acknowledged King of all Sewing Machines.

Important and Cautionary Notice to all intending purchasers of sewing Machines.

Office WHITE SEWING MACHINE Co.
CLEVELAND, O, May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the OFFICIAL SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The GENUINE "White" is to-day the most popular machine upon the market, the cheapest, and the best to own or sell. A large number of the "White" have been made and sold since they were placed upon the market, than any other make in the same length of time since Sewing Machines were invented. Their lightness, speed, space, beauty, quietness, durability, and price, combine to make them the machine that every family desires to own, and thoroughly satisfied when once they possess the "White."

THE REGULAR AUTHORIZED DEALER FOR Snyder and adjoining counties, is O. C. SEEBOLD Middleburg Pa., and we advise intending purchasers to patronize none other, and thereby get the genuine "White"
