HUMOROUS.

The Burlington *Hawkeye* man says: "There seems to be great anxiety and impatience on the part of the people to see the revised edition of the Bible, that they may see what changes have been made. The trouble with most people will be that they don't know enough about the old Bible to recognize the change when they see it. We heard a man say that he considered this unauthorized meddling with the e hanging of the sacred book little less than blasphemy. And at the time of making the remark was hunting all through the book of Job to find the quotation, "Make hay while the sun shines'"

The Rev. Dr. Hall said every blade of grass was a sermon. The next day he was amusing himself by clipping his lawn, when a parishioner said: "That's right, doctor; cut your sermons short."

A village pedagogue, in despair with a stupid boy, pointed out the letter A, and asked him if he knew it. "Yes, sir." "Well, what is it?" "I know him by sight, but hang me if I can remember his name."

"Why, Franky?" exclaimed a mother at a friend's table, "I never knew you to ask for a second piece of pie at home." "I knew 'twant no use," replied Frank, quietly, as he proceeded with his pie-eating."

Late the other evening a merchant was playing cards with a railroad official, who was rather sleepy at the time "I pass," said the merchant. The railroad man was awake in an instant. "No you don't," said he, "not on this line. You pay your fare or walk."

An American tourist was visiting Naples, and saw Vesuvius during an eruption. "Have you anything like that in the New World?" was the question of an Italian spectator. "No," replied Jonathan "but I guess we have a mill dam that would put it out in about five minutes!"

Hell is a Texas town that deserves its name, judging by the brutality of three recent murders.

The man who picked up a "well filled pocketbook" the other day was disgusted to find it full of tracts c honesty.

There are two things wanting to make New York's world's fair a success. One is a change of site, and the other is a sight of "change."

A question of identity: "Did the prisoner at the bar strike you?" "Eye think so," replied the man with the decorated optic. "Eye see," said the justice, "eye-dentisty established; three dollars and trimmings."

An exchange calls a miner's labor a "vein effort." It is equally true that a brick-maker's labor is often a few-tile effort.

A Chicago paper tells of a man who was complaining that he had invested a rather large sum of money in Wall street and lost it all. A sympathizing friend asked him whether he had been a bull or a bear. He replied, "Neither, I was a jackass."

A man having fallen down in a fit in a tailor's shop, an envious rival said; "That's the only fit ever seen in that establishment."

A neighbor with a coffee cup in his hand, called on Uncle Mose yesterday, remarking, "Uncle Mose, I want to borry a cup ob parched coffee from you for breakfas' till to morrow." "Go right to de box on de shelf and help yerself." The neighbor did as requested, but found the box to be as empty as the head of a legislator. "Uncle Mose, I dar's no pearched coffee in this heah box.' "Does yer know why dar ain't no coffee in dat ar box," said the old man solemnly, "bekase dat ar am de returned coffee box. If yer had brung back all de coffee yer borrowed last year it would be plum full."

A few days ago a letter was mailed in New Orleans, addressed as follows:

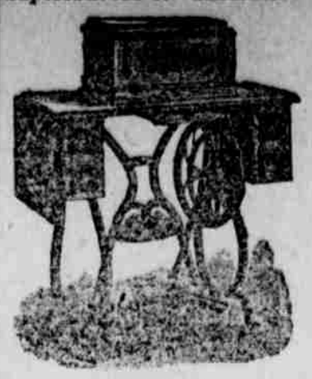
"Swift as the train pursue your way,
Stop not for flag nor banner,
Until you reach Miss Sophie May,
In Clinton, Louisiana."

Bad roads and weather made this sweet missive miscarry, and when it it was set right again by the postmaster at Port Hudson, he wrote on it:

"Go on! go on! You must not stay!
Since mail facilities are great!
But when you reach Miss Sophie May,
You'll only be five days too late."

Probably the whole letter was written in the same strain. But General Garfield has his eye on that Port Hudson postmaster, who had written "the very idea of March."

Superlativein its attributes!



The "WHITE" stands acknowledged King of all Sewing Machines.

Important and Cautionary Notice to all intending purchasers of sewing Machines.

Office WHITE SEWING MACHINE Co.
CLEVELAND, O. May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the OFFICIAL SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The GENUINE "White" is to-day the most popular machine upon the market, the cheapest, and the best to own or sell. A large number of the "White" have been made and sold since they were placed upon the market, than any other make in the same length of time since Sewing Machines were invented. Their lightness, speed, space, beauty, quietness, durability, and price, combine to make them the machine that every family desires to own, and thoroughly satisfied when once they possess the "White."

THE REGULAR AUTHORIZED DEALER FOR Snyder and adjoining counties, is C. C. SEEBOLD Middleburg Pa., and we advise intending purchasers to patronize none other, and thereby get the genuine "White"

THE BEST REMEDY
FOR
Diseases of the Throat and Lungs

Diseases of the pulmonary organs are so prevalent and fatal, that a safe and reliable remedy for them is invaluable to every community. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merits the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is the most reliable remedy for diseases of the throat and lungs that science has produced. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it without difficulty. In the treatment of ordinary **Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup, and Catarrh,** the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household, for the protection it affords in sudden attacks. In **Whooping-cough and Consumption** there is no other remedy so efficacious, soothing, and helpful.

The marvellous cures which AYER'S CHERRY PECTORAL has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its wonderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints.

Eminent physicians in all parts of the country, knowing its composition, recommend AYER'S CHERRY PECTORAL to invalids, and prescribe it in their practice. The test of half a century has proved its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.

The world-renowned author, in this admirable Lecture, clearly proves from his own experience that the awful consequences of Self-Abuse may be effectually removed without dangerous surgical operations, bougies' instruments, rings, or cordials; pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture will prove a boon to thousands and thousands.
