HUMOROUS.

How old is a ship when she arrives at her anchorage?

Fowls are glutinous: they take a peck at every mouthful.

The hens will soon be raising early vegetables, with their feet.

"Not dead but gon ahead" is the inscription on a Deadwood tombstone.

Bell makers, like fish dealers, must be good judges of tongues and sounds.

Any girl has a right to look at a milliner's window and wish she had a rich husband.

It is one of the curious ways of the world that a male hair-dresser often dyes an old maid.

Why is the earth like a blackboard? Because the children of men multiply on the face of it.

Never bother a tailor long at any time. He may have pressing business to attend to.

"A bird in the hand is worth two"—dollars and a half if it happens to be a canary.

Spring time—when you sit on a tack with the sharp end up.

To have cowslips in winter drive your cattle on the ice.

There is very little difference between a tramp and a tramp—they are both good for blowing.

What politics is to a man, shopping is to a woman; while the former work up the ward, the latter work up the wardrobe.

It is bad to have a corn on the foot, but grain speculators are sometimes in a worse condition by having corn on their hands.

"I was mistaken in that house," said the beggar. "I thought I'd be able to get a warm meal there, but I only got a cold shoulder."

The young woman who used to sing so divinely, "Oh, had I the wings of a dove," is satisfied with a chicken leg now. She is married.

"Isn't your husband a little bald?" asked one lady of another, to a store recently. "There isn't a hair in his head," was the somewhat hasty reply.

It is useless for physicians to argue against short-sleeved dresses. The constitution of the United States says: "The right to bear arms shall not be interfered with."

A woman may be so sick all winter that she can't wear her new bonnet to church, but along towards the middle of April she will manage to crawl out of bed, turn the house upside down and call it "spring cleaning."

Domestic pleasantry: When a Galveston man told his wife that he feared that he would go to some place where there were no fires it make after he died, she merely replied that was where he ought to have been long ago.

One of the most difficult tasks the wood engraver has had to perform this year was to "plug" the campaign wood cuts of Hancock and English so that enterprising newspapers might palm them off as accurate portraits of the murdered Czar.

Found in Adam's scrap-book. "What I want," said a very pompous dictator, "is just a grain of common sense in this matter." "Well," retorted his opponent, quickly, "it will require the efforts of a special Providence to give it to you."

"Recently at Chicago the heart of a young girl became pushed by disease from the left to the right side." "Disease" is an odd name for a young man's case. He should have sat on the other side of her in alternate nights. That would have preserved the equilibrium, as it were.

It Was All Right.

Several people were making purchases in a Woodward avenue grocery yesterday when an old man with a cane in one hand and a bundle in the other stood in the door and asked:

"Did any of you drive up here in a wagon?"

"Yes, I did," replied one.

"Was it an old white horse?"

"Yes."

"And an old woman in the cutter?"

"Yes."

"And can she manage the horse?"

"I guess she can."

"Then it's all right," said the man of the cane and bundle. "The old horse has run away and the old woman is hanging to the dashboard and yelling murder! with all her might, but if she can manage him I'm so pleased anybody getting as good out of it. Let me inquire what the price of manuscript is today."—*Detroit Free Press.*

The "WHITE" stands acknowledged King of all Sewing Machines.

Important and Cautionary Notice to all intending purchasers of sewing Machines.

Office WHITE SEWING MACHINE Co.
CLEVELAND, O., May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the OFFICIAL SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The GENUINE "White" is to-day the most popular machine upon the market, the cheapest, and the best to own or sell. A large number of the "White" have been made and sold since they were placed upon the market, than any other make in the same length of time since Sewing Machines were invented. Their lightness, speed, space, beauty, quietness, durability, and price, combine to make them the machine that every family desires to own, and thoroughly satisfied when once they possess the "White."

THE REGULAR AUTHORIZED DEALER FOR Snyder and adjoining counties, is C. C. SEEBOLD Middleburg Pa., and we advise intending purchasers to patronize none other, and thereby get the genuine "White"

Ayer's *Hair Vigor,*

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brushy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The VIGOR cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair, The VIGOR is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.
