The "WHITE" stands acknowledged King of all Sewing Machines.

Important and Cautionary Notice to all intending purchasers of sewing Machines.

Office WHITE SEWING MACHINE Co.
CLEVELAND, O., May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the OFFICIAL SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The GENUINE "White" is to-day the most popular machine upon the market, the cheapest, and the best to own or sell. A large number of the "White" have been made and sold since they were placed upon the market, than any other make in the same length of time since Sewing Machines were invented. Their lightness, speed, space, beauty, quietness, durability, and price, combine to make them the machine that every family desires to own, and thoroughly satisfied when once they possess the "White."

THE REGULAR AUTHORIZED DEALER FOR Snyder and adjoining counties, is C. C. SEEBOLD Middleburg Pa., and we advise intending purchasers to patronize none other, and thereby get the genuine "White"
