Poetry.

Somebody's Lovers.
BY PHOENIX CARY.
Too weak by half was him who came
A wooing me one morn,

and sad and hopeless.
At this time it was that Gabriel Mercer urged his suit.

Fortunately for the success of Marian's plan, the men were thirsty, and drank greedily.

MEDICAL SCIENCE.
The domain of science is extending, and every fact established by the investigations of nature's laws is a stimulus to new discoveries.

medical vocabulary is classic, and classic learning facilitates every step in the study of medicine.

head of the swath with cheery words and a gamey air, bidding the boys to come on and on and see if they could keep up with him.

No Time for Hating.

By A. J. H. DUGANNE.
Begone with feud away with strife;
Our human hearts unmingled!

"Nonsense!" exclaimed her husband impatiently. "I'll be all right, and I shall be back in three days."

Marian saw through the whole thing at once.
Her husband's covetousness had become aroused by the possession of money, and he had taken this method of stealing it.

A man of one idea, is a little man, or a little part of a man, stunted, bigoted, and a laughing stock among men of a generous culture.

From the knowledge thus treasured he may establish the great principles of organic and physiological law, the causes of pathological conditions and changes, and learn the nature and application of remedies hidden in the earth, or growing in ocean depths, by gurgling streams, or on mountain tops.

Pastimes Long Ago.
So much of our life is made up from books and papers that we can scarcely imagine what people did in the old times before they had any such things.

Gabriel Mercer.

Marion Hastings was the only daughter of a wealthy countryman, and at the age of eighteen she married agreeably to the wishes of her father, Captain Gabriel Mercer.

They beat the door from its hinges.
They were three stalwart fellows with masks over their faces.

The goat is a native of vacant lots about the city, and there are lots of them.
The goat is omnivorous. He will eat anything that he sees and will seize anything that he may go at.

ZEAL.
A man may be industrious, temperate, prudent, honest, and reliable, and win the good reputation which these qualities justly confer, yet if he lacks in zeal in the prosecution of his business, he will fail to make the most of his opportunities.

It will sweep the dust from the heart and make all things look bright.
It will take a face yellow and wrinkled and paint it as fresh as a rose.

TO CONSUMPTIVES.
The advertiser, having been personally cured of that dread disease, offers a simple remedy, he wishes to make known to all who desire it, he will send the medicine free of charge, if the directions for preparing and using the medicine are sent to him.
