HUMOROUS.

Doctors lives by pillage.

A passing event—playing euchre.

Nothing puts on so many airs as the wind.

The motto of the giraffe—neck or nothing.

When you make light of a man do you cremate him?

This is a sanguinary age—Even the children's dresses are gored.

Is onion there is more strength just now than any other time of year.

Why is the world like a piano? Because it is full of sharps and flats.

Bad drinking water brings a man to his bier quicker than anything else.

Why is a ride-saddle like a four-quart jug? Because it holds a gallon.

When there is trouble with the carpenter's chest the doctor usually finds it a plane case.

A babe is said to be a mother's anchor. This is the reason, probably, that it is so often weighed.

That was a bright little child who inquired: "Ma, when cows die, do they go to the 'milky way'?"

A man advertises: "Hands wanted on boys' pants." Hands won't do any good this way; it takes a leather strap.

A burglar who was arrested the other night while breaking into a bank, said he was only making an opening for capital.

A editor in Cincinnati pulling air-tight coffins: "No person having once tried one of these coffins will ever use any other."

If a lady in a red cloak were to cross a field in which there was a goat, what wonderful transformation would probably take place? The goat would turn to butter and the lady into a scarlet runner.

An Oshkosh girl refused to marry a man because he scratched matches on the heel of his boot. If she thinks she's going to get a man who'll consent to wear out his trousers by scratching matches on 'em she'll be disappointed.

The growing season. "How things do grow this weather," said the deacon to Brother Amos. "Yes, they do," replied the brother. "Last night I heard you say you caught forty fish and this morning I heard tell Mr. Smith it was one hundred and fifty.

"Then you recognize," said a judge, "this handkerchief as the one which was stolen from you?" Yes your Honor." And it isn't the only handkerchief of the sort in the world. See this one I have is exactly like it." Very likely, Your *Honor*; I had two stolen."

When Jones' boy was kicked out of a saloon by his father he remarked that there appeared to be an active temperance movement on foot. —*Modern Argo.*

Our only fear now is that the American race-horse will be excluded from the crumbling monarchies of the Old World on the ground that he has trichinæ.

The proper time to run a lawn mower is about five o'clock, a. m. Then you not only cut the grass, but prevent the neighbors from oversleeping and being late to breakfast, and the fact they hope you will get your fingers cut off don't hurt you any.—*Boston Post.*

Underground work—An earthquake.

Women's rites—Marriage ceremonies.

"Let's shake!" as the Jersey ague said to the earthquake.

What would you call a young physician? A patient waiter.

A Brooklyn girl speaks of one of her follows as her night-blooming serious beau.

Isn't there a seeming incongruousness in describing a total-abstinence lecturer as at work in the moral vineyard?

The inhabitants of the Cannibal islands say that the flesh of American politicians tastes exactly like mule meat.

An English girl writes that no man will stare long at a woman who does not stare back. That sounds very well, but if she does not stare back how is she to know whether the man has stopped staring or not?

The "WHITE" stands acknowledged King of all Sewing Machines.

Important and Cautionary Notice to all intending purchasers of sewing Machines.

Office WHITE SEWING MACHINE Co.
CLEVELAND, O. May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the OFFICIAL SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The genuine "White" is to-day the most popular machine upon the market, the cheapest, and the best to own or sell. A large number of the "White" have been made and sold since they were placed upon the market, than any other make in the same length of time since Sewing Machines were invented. Their lightness, speed, space, beauty, quietness, durability, and price, combine to make them the machine that every family desires to own, and thoroughly satisfied when once they possess the "White."

THE REGULAR AUTHORIZED DEALER FOR Snyder and adjoining counties, is C. C. SEEBOLD, Middleburg Pa., and we advise intending purchasers to patronize none other, and thereby get the genuine "White"

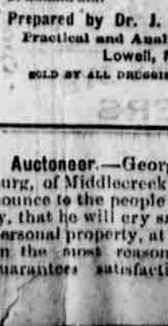
THE BEST REMEDY FOR Diseases of the Throat and Lungs



Diseases of the pulmonary organs are so prevalent and fatal, that a safe and reliable remedy for them is invaluable to every community. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merits the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is the most reliable remedy for diseases of the throat and lungs that science has produced. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it without difficulty. In the treatment of ordinary **Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup, and Catarrh,** the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household, for the protection it affords in sudden attacks. In **Whooping-cough and Consumption** there is no other remedy so efficacious, soothing, and helpful.

The marvellous cures which AYER'S CHERRY PECTORAL has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its wonderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints.

Eminent physicians in all parts of the country, knowing its composition, recommend AYER'S CHERRY PECTORAL to invalids, and prescribe it in their practice. The test of half a century has proved its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.
