No parent ever had.

The Village Teachers.

A Detroit who had business in a village in Wastaw county, drove out there in a buggy, and of course went to the inn for his dinner.

The Horse.

We are the slaves of men—
The mental slaves of men!
They lash us down with murderous blows;
They fling vile insults on our track;
They know that we cannot answer back;

But Mr. Howard, stocks are rising and Chrosolite is at the head of the list, and going steadily up. I would advise holding on.

"The driver paused and looked in his listener's eyes, as if seeking resolution to go on. Howard's dark eyes were thoughtful and almost sad.

What the Women Say at Weddings.
The following remarks have mostly been said time after time at all our 'tony' weddings, and will be said again and again, on every such occasion:

Here she comes!
Pretty, isn't she?
Who made her dress?
Is it snub silk or satin?
Is her veil real lace?
She's as white as a wall!

They say her shoes are fine.
If her hair isn't parted in the middle!
Wonder what on earth she married him for?

They say her shoes are fine.
