HUMOROUS.

"It's a good time to change our habits," said Smith this morning, and threw aside his old hat to go and blow a cool cent in a $14 suit.

A recipe for lemon pie vaguely adds: "Then set on a stove and stir constantly." Just as if any one could sit on a stove without stirring constantly.

Lady Darger—"Your dog, sir, unbearable. He howls all night." Male Darger—"Indeed! Well, he might do worse than that—he might play the piano all day."

Mid-summer conundrum. Johnson—"Smith, what kind of a bear would you prefer to be if you had to be one?" Smith—"Well, just at this time of year I think I'd rather be a little bare."

"Is Mrs. Shoddie rich?" asked a street boy of his chum. "Rich!" exclaimed the other contemptuously "yer talking, young feller; rich!" he repeated; "ain't her mourns full o' goid?"

Boston girl No. 1—"What do you think of the revision?" Boston girl No. 2—"Oh, my! I think it is just too, awfully awful." No. 1—"Have you read it?" No. 2—"No—but it wasn't revised in Rawsting."

Blessings often come in disguise. The sailor who had the gunpowder felt it a hard blow till they were all shipwrecked on a desert island and had to draw lots to see who should be killed and eaten, when by common consent he was allowed to live.

When a six-dollars-a-week clerk straddles his nose with a pair of eyeglasses, spends a week's salary for a diamond pin and goes into the country to astonish the natives he is doubtless surprised to find that he is not as much of a curiosity as a hand organ monkey in a calico overcoat.

"Cremation is no longer popular, I see," remarked Job Shuttle this morning. "Well, I shid hope not. It's bad enough to think of your soul burning up let alone the body." "Mrs. Shuttle, I wish you wouldn't accept the word 'your' and look at me so sharply." And the meal was finished in silence.

This is the way a Vassar girl tells a joke. "Oh, girls I heard just the best thing to-day. It was too funny I can't remember how it came about, but one of the girls said to Professor Mitchell—oh, dear, I can't remember just what she said; but Professor Mitchell's answer was just too funny for any use; I forgot just exactly what he said, but it was too good for anything!"

Deardork continued: "Who was the greatest American poet?" asked Professor Sicarus. "George Washington," said the slow boy in the farther seat; "he was versed in war, versed in peace and ver—" But the professor interrupted him to say that was the verst he ever heard, and just then the lightning struck the Baptist College and, without coming to a vote the house adjourned.

Wounded; "Live! I guess he lived. Why, you couldn't kill that feller if he was as full of holes as a skimmer. He'd just go to work and breathe through the holes, that's what he'd do," and having thus ventilated his knowledge of the vitality of a veteran of the Mexican war Job Shuttle mopped the perspiration from his brow and strolled off to the next grocery to astonish another cracker barrel audience.

Said the auctioneer, "Come now, ladies and gentlemen, these goods are for sale. Well somebody give me a bid? Anything, ladies and gentlemen. All I want is an offer," "Aide," murmured an elderly woman in the crowd, "that's what I've been sighing for all my life."

A baggage agent was killed at Fishkill station, N. Y., other day, by a heavy trunk falling upon him. It was very sad; but at the same time "but at the same time "turn about is fair play." The baggage man had mashed more than one trunk, and at last the trunk mashed the baggage man.

"Hi! where did you get them trousers?" asked an Irishman of a man that was passing with a remarkably short pair of trousers. "I got them where they grew," was the indignant reply. "Then by my conscience," said Pat, "You've pulled them a year to soon!"

An elderly lady said her husband was very fond of peaches, and this was his only fault. "Fault madam," said one, "how can you call this a fault!" "Why, because there are different ways of eating them, sir, My husband takes them in the form of brandy."

The "WHITE" stands acknowledged Kng of all Sewng Machines.

Important and Cautionary Notice to all intending purchasers of sewing Machines.

Office, WHITE SEWING MACHINE Co.
CLEVELAND, O., May 27, 1880.

We particularly call your attention to the fact that we stamp a number in plain, distinct figures on the back shuttle-race slide of each machine and keep a record of such numbers. When sold, a WARRANTY FOR FIVE YEARS is given to the purchaser. This warrant bears the name of the agent who purchased the machine from us, as also the date of purchase and a number corresponding to the slide number. The warrant is signed by us, and has the OFFICIAL SEAL of our company stamped upon it. All other warrants in our name are spurious, and parties finding the SLIDE NUMBERS MUTILATED OR DEFACED, and no warranty to correspond with the above description, may know at once that sooner or later the owner will be involved in trouble, with no one to fall back upon.

The GENUINE "White" is today the most popular machine upon the market, the cheapest, and the best to own or sell. A large number of the "White" have been made and sold since they were placed upon the market than any other make in the same length of time since Sewing Machines were invented. Their lightness, speed, space, beauty, quietness, durability, and price, combine to make them the machine that every family desires to own, and thoroughly satisfied when once they possess the "White."

THE REGULAR AUTHORIZED DEALER FOR Snyder and adjoining counties, is C. C. SEEBOLD Middleburg Pa., and we advise intending purchasers to patronize none other, and thereby get the genuine "White"

Has been in constant use by the public for over twenty years, and is the best preparation ever invented for RESTORING GRAY HAIR TO ITS YOUTHFUL COLOR AND LIFE.

It supplies the natural food and color to the hair glands without staining the skin. It will increase and thicken the growth of the hair, prevent its blanching and falling off, and thus AVERT BALDNESS.

It cures Itching, Eruptions and Dandruff. As a HAIR DRESSING it is very desirable, giving the hair a silken softness which all admire. It keeps the head clean, sweet and healthy.

The State Assayer and Chemist of Mass. and leading Physicians endorse and recommend it as a great triumph in medicine.
