The advent of the Gilpin Sulky Plow marked a New era in farming in the United States. IT HAS ACHIEVED A SUCCESS more marked than any other implement ever introduced in the Western farmer. So simple is the Gilpin in its operation that the unskilled can use them as well as the skilled plowman, and with equally good results.

ONE LEVER ONLY REQUIRED, and that is only used to regulate depth of plowing and to keep the frame, as the wheels are raised out of the ground automatically by gravity working a rocker. The frame rests in all of Iron—from Beam, from Wheels BEARINGS ARE BURIALED IN CONSTRUCTION, and of as light draft to the team (carrying the draft up to the clevis) as any plow made, where no such provision is made. Ayer's *Hair Vigor,*

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair,

The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

POSITIVELY CURED BY

Benson's Capcine Porous Plasters.

Reasons Why they are Preferred to All Other Porous Plasters or External Remedies:

First.

Because they possess all the merit of the strengthening porous plaster, and contain in addition thereto the newly discovered powerful and active vegetable combination which acts with increased rubefacient, stimulating, sedative and counter irritant effects.

Second.

Because they are a genuine pharmaceutical preparation, and so recognized by the profession.

Third.

Because they are the only plasters that relieve pain at once.

Fourth.

Because they will positively cure diseases which other remedies will not even relieve.

Fifth.

Because over 8000 physicians and druggists have voluntarily testified that they are superior to all other plasters or medicines for external use.

Sixth.

Because the manufacturers have received the only medals ever given for porous plasters.
