Back Ache
 POSITIVELY CURED BY **Benson's Caprine Porous Plasters.**

Reasons Why they are Preferred to All Other Porous Plasters of External Remedies:

- First. Because they possess all the merit of the strengthening porous plaster, and contain in addition thereto the newly discovered powerful and active vegetable combination which sets with increased rapidity, stimulating, sedative and counter irritant effects.
- Second. Because they are a genuine pharmaceutical preparation, and so recognized by the profession.
- Third. Because they are the only plasters that relieve pain at once.
- Fourth. Because they will positively cure diseases which other remedies will never relieve.
- Fifth. Because over 2000 physicians and druggists have voluntarily testified that they are superior to all other plasters or medicines for external use.
- Sixth. Because the manufacturers have received the only medals ever given for porous plasters.
