THE GILPIN SULKY PLOW WORKS AUTOMATICALLY.

THE SINGLE LEVER SULKY, KING OF THE TURF.

DRAWS LIGHTER THAN THE HAND-PLOW.

OVER 10,000 MADE AND SOLD ANNUALLY.

ALL IRON AND STEEL.

The advent of the Gilpin Sulky Plow marked a new era in plowing in the United States. IT HAS ACHIEVED A SUCCESS more marked than any other implement ever introduced to the Western farmer. Pitched entirely upon the true test of merit, and its machinery the utmost simplicity consistent with the perfect performance of its work is essential. So simple is the Gilpin in its operation that the unskilled can use it as well as the skilled plowman and with equally good results.

ONE LEVER ONLY REQUIRED, and that is only used to regulate depth of plowing and to level the frame, as the plows are raised out of the ground automatically by simply touching a spring.

The frame work is all of iron—from Beam, Iron Wheels STRONG AND DURABLE IN CONSTRUCTION, and of as light draft to the team (carrying the driver on an easy seat, where he has full view of work and control of team, as the ordinary hand-plow doing the same work.

ITS SUPERIOR WORK over that done by the ordinary hand-plow will pay its cost in a single crop, by reason of its uniform depth attained, and the freedom from unplowed spots, as the plow is locked firmly in the ground and can not be thrown out by hard spots or rank growth of weeds or vines. TWENTY PER CENT. MORE WORK can be accomplished daily than by any other system.

POSITIVELY CURED BY

Benson's Capcine Porous Plasters.

Reasons Why they are Preferred to All Other Porous Plasters or External Remedies!

First.

Because they possess all the merit of the strengthening porous plaster, and contain in addition thereto the newly discovered powerful and active vegetable combination which acts with increased rubefacient, stimulating, sedative and counter irritant effects.

Second.

Because they are a genuine pharmaceutical preparation, and so recognized by the profession.

Third.

Because they are the only plasters that relieve pain at once,

Fourth.

Because they will positively cure diseases which other remedies will not even relieve.

Fifth.

Because over 8000 physicians and druggists have voluntarily testified that they are superior to all other plasters or medicines for external use,

Sixth.

Because the manufacturers have received the only medals ever given for porous plasters.
