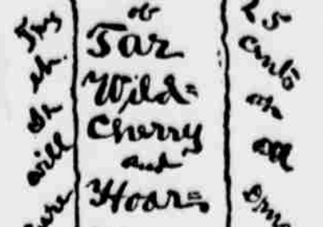
THE PENN HARROW

BEST IN THE WORLD

IT HAS NO EQUAL



C

Patented April 13, 1880.

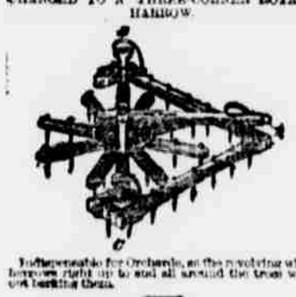
The above cut represents the Penn Harrow complete, with all its combinations of **Five Harrows and a sled for each Harrow**; and each succeeding change is made from this Harrow without the least additional expense. By looking the team to either point, Rear to the center spoolers and gives the ground Two Entire And True Coverings in passing over it once, making it the **most effective pulverizer in the market.**

THIS HARROW HAS ONLY TO BE USED TO BE APPRECIATED.

See it before purchasing and you will buy no other.

The Penn Harrow

CHANGED TO A THREE-CORNER ROTARY HARROW.



C

Indispensable for Orchards, as the revolving wheel borrows right up to and all around the trees without hurting them.

The Penn Harrow

CHANGED TO SINGLE "A" HARROW.

A

By removing the centre and wheel from the original you have a complete one-horse "A" Harrow.

The Penn Harrow

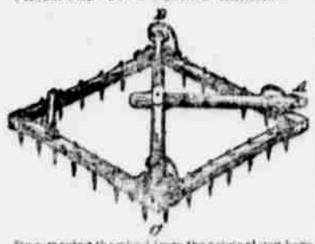
CHANGED TO DOUBLE "A" HARROW.

A

Remove the wheel from the original, reverse the wings, and it makes the most complete Double "A" Harrow in the market.

The Penn Harrow

(CHANGED TO A SQUARE HARROW.

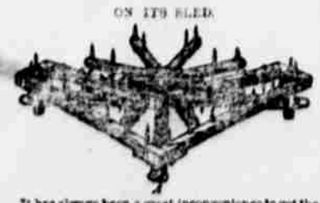


D

By removing the wheel from the original you have a Harrow with three points to lead by. By hooking to B or C you can harrow in a diagonal, and harrow the bottom and both sides, or over a ridge and harrow the top and both sides, or you can hit every point and have three points in the centre—something that cannot be done with any other Harrow.

The Penn Harrow

ON ITS SLED.



It has always been a great inconvenience to get the Harrow to and from the field. The Penn Harrow obviates this, as no matter which Harrow you wish to use in the combination, **it has its own sled to haul it on.**

The Penn Harrow

Is made of the best white oak, with steel teeth, well painted, in every way first-class. Formerly a farmer was the most unhandy implement on the farm; with our improvement it is the most convenient, will do double the work of any other harrow and save the farmer half his labor, and is warranted to do all we represent, or money refunded. **ORDER AT ONCE AND BE CONVINCED.**

Price of the light draft Combination Penn Harrow, $30. Send for a Catalogue and see what farmers say.

SELINSGROVE, PA.

—o—

I am offering the largest stock of Farm Machinery ever offered in this county, amongst which are the celebrated

Champion Reapers & Mowers

which every farmer knows is the most substantial machine before the farming public. Remember there is a good reason why there are over 300 Champions in the county—there is a reason why we sold more Champions last year than all others companies combined—there is a reason why we got three car-loads of Champions in Snyder county this year—when farmers buy Champions they need not be afraid of not getting repairs at any time—other agents who come around with new machines will tell you there is nothing in that, but don't believe it, for they want to sell and afterwards you must look out for repairs elsewhere. The Champion Company have in use thousands of Reapers & Mowers and have complete repair manufactory ample to supply the demand. I also offer the well known

EMPIRE THRESHER & SEPARATOR,

Hagerstown Clover Huller, Farmers Friend and Monarch Grain Drills,

with or without Fertilizers. CULTIVATORS, CORN-PLANTERS, PLOWS, CORN-SHELLERS and anything farmers want and attachments to all machines. I will sell to farmers on any time almost they may desire, except Cornplanters and Repairs for the Champion Reaper are strictly cash. Call and give me a trial.

Voice Building by Mail!

VOCAL DEFECTS successfully treated. Impediments of speech removed and the voice intelligently and successfully cultivated through lessons by mail. Incredible results both in singing and speaking. Compass of voice extended several notes. Volume more than double. Quality of voice made absolutely pure and resonant throughout the entire compass. For Singers the advantages are almost beyond numbering. Public speakers and Actors gain from their increased compass such richly modulated inflections, and from their enlarged volume of tone, such striking contrasts of power, that the grand faults of monotony and mannerism give place to a varied and effective delivery. To Teachers of the Voice, whether for singing or elocution, these lessons afford a thoroughly digested plan for acquiring all and each faults of throat or respiration, besides giving definitely the fundamental principles upon which artistic vocal effort must be based. Circulars of full particulars free. Sample lessons one dollar.
