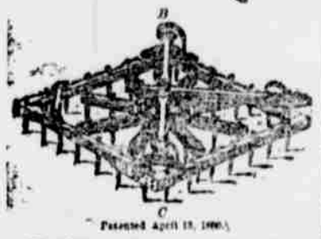
THE PENN HARROW

BEST IN THE WORLD

IT HAS NO EQUAL



Patented April 18, 1882.

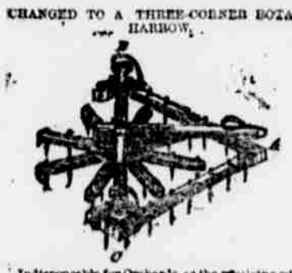
The above cut represents the Penn Harrow complete, with all its combinations of Five Harrows and a sled for each Harrow; and each succeeding change is made from this Harrow without the least additional expense. By hooking the bars to either point, B or C, the center revolves and gives the ground Two Strokes and Two Crossings in order every 8 rods, making the most effective pulverizer in the market.

THIS HARROW HAS ONLY TO BE USED TO BE APPRECIATED.

See it before purchasing and you will buy no other.

The Penn Harrow

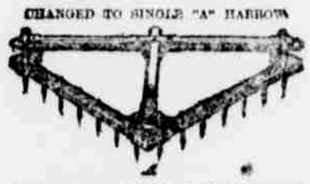
CHANGED TO A THREE-CORNER ROTARY HARROW.



Indispensable for Orchards, as the revolving wheel harrows right up to and all around the trees without touching them.

The Penn Harrow

CHANGED TO SINGLE "A" HARROW.



By removing the wing and wheel from the original you have a complete one horse "A" Harrow.

The Penn Harrow

CHANGED TO DOUBLE "A" HARROW.

Remove the wheel from the original, reverse the plow, and it makes the most complete Double "A" Harrow in the market.

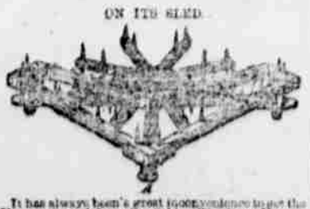
The Penn Harrow

CHANGED TO A SQUARE HARROW.

By removing the wheel from the original you have a Harrow with three points to back it. By hooking it for C you can harrow in a furrow, and harrow the lands and 'dead furrow' over a plow; and harrow the top and both sides, or you can lift either point and have three points on the ground—something that cannot be done with any other Harrow.

The Penn Harrow

ON ITS SLED.



It has always been a great recommendation to get the Harrow to and from the field. The Penn Harrow obviates this, as no matter which Harrow you wish to use in the combination, it has its own sled to haul it on.

The Penn Harrow

Is made of the best white oak, with steel teeth, well painted, in every way first-class. Formerly a Harrow was the most unsightly implement on the farm; with our improvement it is the most ornamental, will do double the work of any other harrow and save the farmer half his money, and is warranted to do all we recommend or money refunded. ORDER AT ONCE AND BE CONVINCED.

Price of the Eight Inch Combination Penn Harrow, $30. Send for a Catalogue and see what farmers say.

and buy your Machinery at

Riehl's Implement Store,

SELINSGROVE, PA.

I am offering the largest stock of Farm Machinery ever offered in this county, amongst which are the celebrated

Champion Reapers & Mowers

which every farmer knows is the most substantial machine before the farming public. Remember there is a good reason why there are over 300 Champions in the county—there is a reason why we sold more Champions last year than all others companies combined—there is a reason why we got three car-loads of Champions in Snyder county this year—when farmers buy Champions they need not be afraid of not getting repairs at any time—other agents who come around with new machines will tell you there is nothing in that, but don't believe it, for they want to sell and afterwards you must look out for repairs elsewhere. The Champion Company have in use thousands of Reapers & Mowers and have complete repair manufactory ample to supply the demand. I also offer the well known

EMPIRE THRESHER & SEPARATOR,

Hagerstown Clover Huller, Farmers Friend and Monarch Grain Drills,

with or without Fertilizers. CULTIVATORS, CORN-PLANTERS, PLOWS, CORN-SHELLERS and anything farmers want and attachments to all machines. I will sell to farmers on any time almost they may desire, except Corn planters and Repairs for the Champion Reaper are strictly cash. Call and give me a trial.
