The avaricious old miser who was trying to make a contract with "Old Nick" to furnish him with coal, on his way down to the "lower regions," was no more avaricious than the man who will not spend 25 cents for a bottle of Sines' Syrup of Tar, Wild Cherry and Hoarhound, when he, or any member of his family is caught with a cough or cold.

That the Orange Judd Co. can furnish this most valuable of Journals at $1.50 per annum to single subscribers and four copies for $5, is not more remarkable than the vast improvement which it has very recently undergone in its mechanical make-up, engraving, printing type and subject matter. "Our Wild Indians" by Gen. Dodge, published by A. D. Worthington & Co., Hartford, Conn., has already reached us. The work of the publishers on this book is neat, beautiful and durable. The book is intensely interesting because of the careful and unvarnished portraiture of the true character of our wild Indians; and the easy, natural style of the accomplished author makes it so very readable. It is as fascinating as fiction and highly instructive,

The Re-Union of the Association of the 28th, 147th and Knap's Battery, and the 131st Regiment Pennsylvania Volunteers which took place at Selinsgrove, on Wednesday, 13 inst., was all that soldiers and citizens could desire. The citizens of Selinsgrove, without exception, were lavish in their hospitality and entertained the multitude of strangers in excellent style. The ex-soldiers and those who came to see gave unmistakable evidence of their entire satisfaction and approval of all that transpired. It

An Unknown Woman Drowned.

On Saturday evening last an unknown woman, aged about twenty years, fell from a boat into the canal, at Schoch's wharf, in Selinsgrove, and was drowned notwithstanding the efforts of the steersman to save her. The following facts and particulars were brought out before an Inquest summoned by *Esquire J. C. Burns*: She came to Metzel's lock from Millersburg on a boat—this boat laid over and very soon Pa. Canal boat No. 169, Captain, Jacob Shiner of Beach Haven, Luzerne county, came along and she took passage on it for Selinsgrove. The boat struck Schoch's wharf and it was supposed she fell overboard—the steersman tried to save her but the current being too strong, to save himself he was compelled to leave her to fate—search was at once made for the body and it was found the next day three fourths of a mile from the wharf—it is supposed a passing boat drew her along in its current. She is described as being about 5 feet high; weight about 100 lbs.; light brown hair and eyes; two front upper teeth missing; had on a pair of walking-shoes, two white skirts, one plain, the other ruffled, calico dress, gingham apron, silk handerchief about her neck pined with gold-plated pin 1x1½ inches in dimensions. The following named gentlemen composed the jury of inquest: *Wm. H. Snyder, Esq., Walter F. Hummel, S. J. Wenrich, John J. Miller, Henry Schoch and Frederick Millhoff*—verdict accidental drowning. The Overseers of Poor of Penn township took charge of the body, and on *Monday*, at 10 a. m. had it decently and appropriately interred in the Union Cemetery.

About election times there are those who have heretofore circulated and NOW are circulating falsehoods respecting the public records, which we have taken no notice of, but we do now propose to meet all such. The records in our custody are for the public and we will take pleasure in aiding all who desire to inspect them and afford every facility in finding any official discrepancies or errors. Below we give a true and correct transcript of the records in the Moyer case with the letter of Gov. Hoyt and his Private Secretary C. N. Farr.

THE COMMONWEALTH. vs. URIAH MOYER.	INDICTMENT. Murder of Gretchen Kintzler.

Sentenced January 24th, 1882.

Writ of Error from Supreme Court received and filed Feb. 15th, 1882.

MAY 10th, 1882, Remittitur from the Supreme Court received and filed in which it appears that on May 1st, A. D. 1882, judgment of NON PROS was entered, and it was ordered that the Record be remitted to the Court of Oyer and Terminer of Snyder county for the purpose of execution.

MAY 12th, 1882, Exemplified Record sent.

EXPLANATION—On May 10, the judgment of NON PROS. was received at the Prothonotary's office, in Middleburg—on May 12 the record was transmitted to the Governor as appears on the Oyer and Terminer Docket of Snyder county, and being a public Docket may be seen at any time by such as desire.

EXECUTIVE DEPARTMENT.
OFFICE OF THE GOVERNOR.
HARRISBURG, Pa., Sept. 19, 1882.

JEREMIAH CROUSE, Esq., Prothonotary Com. Pleas, Snyder county, Middleburg, Pa.

MY DEAR SIR:—As Clerk of the Court of Oyer and Terminer, Snyder county, you transmitted to this Department the Record by which it Appears that the Writ of Error in Commonwealth vs. Uriah Moyer was NON PROSSED, by a certificate bearing date 12th May 1882. It seems to have been received here in due course of mail. By some inadvertance the date of another letter from a party in the same case, dated 7th August, 1882, has been attributed to your letter of transmittal. There is no connection between the two letters.

In answer to an inquiry as to the reasons of the delay in issuing the "death warrants" in this case, I can only say, that is a matter depending entirely upon my own discretion; and in no way to be controlled by any interference by the District Attorney of your county, or other judicial officer. As a matter of fact, however, I may say, that I await the action of the Board of Pardons, in the application of Israel Erb; when the issue of that case is determined, a final disposition will be made of the judgments in both cases. Very truly yours,

HENRY M. HOYT.
