We call the attention of our readers to the advertisement of "POOL'S SIGNAL SERVICE BAROMETER," in another column. It combines with an excellent Thermometer, a Storm Glass or Weather Indicator, or surprising accuracy, rendering it an article of great value to the farmer, and to all others who feel an interst in the important question. "What will the weather be to-morrow?" Beware of worthless imitations. None genuine without the signature of J. A. Pool on back of each instrument.

Satisfaction for Ten.

In our family of ten for over two years Parker's Ginger Tonic has cured headache, malaria and other complaints so satisfactory that we are in excellent health and no expense for doctors or other medicines. *Chronicle.* Nov.

Morris Erdley, of Franklin, has remodeled and repainted his farm residence inside and outside and it presents a neat and comfortable appearance. His house is finely located; fronting south; and standing on the front porch you see stretching south and south-east nearly a hundred acres slightly undulating, covered with grass and grain, in a high state of cultivation, under good fence, and here a lot of superior breed of hogs, there a herd of fine-bred cattle—Morris is a neat farmer and takes great pride in raising good stock.

Great Excitement.

A continuous rush is daily going on at G. C. Gutelius' Clothing Emporium, caused by the arrival of his large Fall and Winter stock of Clothing. The finest assortment ever brought to this town. Overcoats for men and boys, Dress Suits, Knit Jackets, Fine Shirts, Underwear, Gossamers, to fit the largest man and the smallest boy. Hats, Caps, Neckwear, Bycicle Shirts. We can not give a full description of the stock. Call and see for yourselves. All goods marked down to very low figures.

Republican Meeting.

Centreville, Oct. 31, 1882.

An enthusiastic Republican meeting was held at this place last evening. The meeting was held in the school house which was so crowded that all could not obtain seats. The meeting was called to order at 7.15 P. M, by B. Parks, Esq. Chairman of the County Committee.

F. Sheary was chosen President, and the following Vice Presidents: Hon. Sampsel, A. C. Walter, John Long, Jacob Sanders, F. B. Bolig, Joseph Weirick, Uriah Berger, Samuel Haas, Peter Hartman, John Mohn, Wm. Bonfer and John Stine, with H. E. Sampsel as Secretary.

Hon. I. Potter, Esq., of Selinsgrove was introduced by the President of the meeting as one of the orators of the evening. Mr. Potter in a speech of minutes presented the issues of the day in a very forcible manner so that the few who were undecided before no doubt are now "solid" Republican. The next was H. H. Grimm, candidate for District Attorney who gave a full and satisfactory answer to the unjust attempt being made concerning himself in relation to the Kistler tragedy which had been circulated over the county. The next orator was B. T. Parks, Esq., who in his usual happy manner urged the Republicans to stand firm to the principles by which this county has been governed for the last 20 years. The occasion was enlivened with music by the Centreville Brass Band. This band is rapidly becoming one of the best in the State.

REPORTER.

A superserviceable witness on his way from New Bloomfield, Pa.

Two years ago when Mr. Kreeger was a candidate for the Legislature and was defeated he swore vehemently and said that, "the Democratic party might go to hell."

Mr. Kreeger asks Republicans to vote for him because he "votes the Republican ticket oftener than the Democratic ticket."

Isaac Benjamin Wunderlich, statesman and patriot, swears HE runs the Democratic party and he will elect Kreeger or bust the party to h—. He's related to Samson

Calvin Stetler is to run the Prothonotary's office for Mr. Kreeger on condition that he can make up half his salary out of Tavern License fees, Pensioner's fees, Constable Returns and Bonds, and poor defendants.

Calvin knows all this and has already posted the new Prothonatary.

F. J. Brentheisel, Artist, is stopping in Middleburg, with rooms over THE POST printing office, He is an experienced artist and guarantees a good, lifelike picture—special attention given to copying and enlarging pictures of deceased friends and relatives. He purposes to do the very finest work in the highest perfection of the art at the most reasonable prices. Call and give him a trial.

CHARGING THE COUNTY WITH ILLEGAL FEES.

In all my terms of office I never made out a single account with the county—they were made out by my clerks, submitted to the COMMISSIONERS' ATTORNEY, EXAMINED, APPROVED and passed into their office.

They are all in the Commissioners office where the people can see them—have a right to see them.

GIVING ORDERS TO GOV. HOYT.

Mr. Myers Attorney to Commissioners and Jacob P. Aurand, Clerk, urged the Commissioners, we are informed, to give Myers $25 and expenses to accompany Mr. Reitz to Harrisburg to see why Governer Hoyt did not attend to his business. Not a lawyer in this State would have had as much cheek.

Since these charges have been made against me several hundred of my friends have imperatively demanded that I give a statement of the relations existing now and heretofore between myself and my maligners so that a fair and discriminating people may know whether these men are justified in their savage attack not only on my official conduct, but on my private character—and with a view to finding out the motives which prompt this conduct.

The universal demand of the people and the malignity of my assailants is the only apology I have to make for this departure from our usual method of meeting the like.

Loss of hair and grayness, which often mar the prettiest face, are prevented by Parker's *Hair Balsam*. Nov.

The best preparation of iron a doctor can prescribe is Brown's *Iron Bitters*, because it does not injure the teeth as other iron medicines will.

The Premium Engraving for "*Peterson's Magazine*" for 1883, beyond all question, is the most valuable ever issued. It is a copy, in line and stipple, of the extraordinary painting by the great Hungarian artist, Muncakesy, "Christ Before Pilate." The picture is so real that the spectator seems to be actually present. Never before was that ever memorable scene so vividly conceived, much less so successfully and powerfully depicted. It can be had, gratis, by getting up a club for "Peterson." Two dollars a year. Address, CHARLES J. PETERSON, 306 Chestnut Street, *Philadelphia, Pa.*

A friend to the rich and poor. A medicine that strengthens and heals, is Brown's Iron *Bitters*.

John Moyer, of Franklin twp., brought to our office a sweet potatoe weighing 4½ pounds. Who can beat it?

A Varied Performance.

Many wonder how Parker's Ginger Tonic can perform such varied cures, thinking it essence of ginger, when in fact it is made from many valuable medicines which act beneficially on every diseased organ.

Patrons of THE POST, the paper is mine and paid for, and I intend to run it as long as I am a resident of Snyder county and the paper self-sustaining. Don't let them alarm you, I never over-charge, never sue or distress any of my debtors.

We republish the following by request.

EXECUTIVE DEPARTMENT.
OFFICE OF THE GOVERNOR.
HARRISBURG, Pa., Sept. 19, 1872.

JERREMIAH CROUSE, ESQ., Prothonotary Com. Pleas, Snyder county, Middleburg, Pa.

MY DEAR SIR:—As Clerk of the Court of Oyer and Terminer, Snyder county, you transmitted to this Department the Record by which it appears that the Writ of Error in Commonwealth vs. Uriah Moyer was NON PROSSED, by a certificate bearing date 12th May 1882. It seems to have been received here in due course of mail. By some inadvertance the date of another letter from a party in the same case, dated 7th August, 1882, has been attributed to your letter of transmittal. There is no connection between the two letters.

In answer to an inquiry as to the reasons of the delay in issuing the "death warrants," in this case, I can only say, that is a matter depending entirely upon my own discretion; and in no way to be controlled by any interference by the District Attorney of your county, or other judicial officer. As a matter of fact, however, I may say, that I await the action of the Board of Pardons, in the application of Israel Erb; when the issue of that case is determined, a final disposition will be made of the judgments in both cases.

Very truly yours.
HENRY M. HOYT.

EXECUTIVE DEPARTMENT,
COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG, Sept, 19, 1882.

TO WHOM IT MAY CONCERNE:—I hereby certify that the final records in the case of Uriah Moyer were transmitted to this office in the month of May last. C. N. FARR,

CENTREVILLE, Oct. 10, '82.

J. CROUSE,
Esteemed Friend: I unhesitatingly pronounce the statements respecting us, contained in Lumbard's TRIBUNE of October 5, INFAMOUSLY FALSE—A SENSELESS, HARMLESS LIE.
PETER HARTMAN.

BEAVER SPRINGS, Oct. 10, '82.
Friend J. CROUSE.
Unsolicited, I would say to the public that Lumbard's statement, regarding us, contained in his paper of October 5th, is a deliberate lie.

I request that you say to the people of Snyder county that Lumbard's article in his paper of 5th, October so far as it relates to us IS WILFULLY AND MALICIOUSLY FALSE.

That Docket.

Since about 1869 William *Mann*, of Philadelphia, has furnished Dockets for Snyder county. The bills latterly were made out in the name of the County Commissioners. In 1877 he sent a bill for No. 4 Judgment Docket, *Justice docket* $8, and two dockets for Register & Recorder's office amounting to about $40. *I* had ordered a Justice Docket and it was included in this bill—the bill went into the Commissioner's office and was *examined*, or should have been, passed and paid. At this time I was advertising Mann's card and in payment received blotters paper and envelopes and the Commissioners took to the amount of the $8, and therefore did not charge me with the docket.

But suppose that this bill went into the Com's office and their clerk neglected to charge me, is not the blame his? I am not able to state why this was discovered at this time or how—more than five years have elapsed since this matter transpired.

Even if it was neglected by myself or the Commissioner's clerk it is not such official mismanagement, neglect or want of capacity as to condemn either.

Then again I have, through an oversight, neglected to charge the county *One Hundred and Sixteen Dollars* for the transmission of Presidential election returns to the secretary of the Commonwealth, and when I called their attention to the oversight, and after they had satisfied themselves, or some of them, that the law allowed it and that it was not charged *One of the Commissioners consented it should be paid, two of them said they would not pay but plead the statute of limitation*—it is barred by the statute of limitation and cannot recover by legal process.

MARRIED.
