Shake out the furs.

Kansas subscriber—We don't know.

The cold wave struck us on Monday

Argument Court was held this week.

Sleighing parties will soon be in order.

The Williamsport *Star of Hope* has "busted."

Wild turkeys are scarce in these "diggins."

Our hunters are bagging a good many rabbits.

Sausage, *Pan haus* and *Buckwheat* cakes are now in order.

York by a majority of 351 has declared itself a city.

Dr. Barber drove to Centreville and back in a sleigh on *Monday* last.

Suffocations from coal gas are reported; be careful of your stoves.

Miss Lillie Musser, of Hartleton, is visiting her sister *Mrs.* T. H. Harter.

Gather all your agricultural implements and store them away for the winter.

Miss Ida and Mr. Sherman Smith, of Lykens, are doing up Middleburg and their friends.

The days are rapidly shortening, and in a few more weeks the shortest days will be here.

A chat by the parlor stove is fast taking the place of loafing on the front steps or swinging on the gate.

——Ladies' and Gents' Trunks and Valices in every size and style at Sol. Oppenheimer's—very cheap.

At the Argument Court, Nov. 23d, a long list of cases was disposed of, bringing up the business on the Argument List to date.

Excursion tickets will be issued to-day, Wednesday, and Thursday, on the S. & L. R. R. and Main Line, good till Friday evening.

Simon Wertz, Millersville, *Pa.*, says "Of all medicines *I* have ever taken none did me as much good as Brown's *Iron* Bitters."

L. Weitzel, Wrightsville, Pa., says: "Brown's Iron Bitters is giving relief to many suffering invalids in this part of the country."

Christmas will come on Monday this year, and the little folks are already looking forward to the event with hopeful anticipations.

Curt. Bowersox lost his most valuable horse. The horse in lying down got his head under his shoulder. He lived about fifteen minutes after being released.

Two experienced hunters, of this vicinity, went out gunning the other day and mistook a guinea fowl for a partridge. They brought it to town and in good faith exhibited their "big quail." Shoo!

It snowed two inches—of snow—on Sunday.

In this connection, our devil says, and refers the matter to the school teachers—present snow, imperfect snewed, and that's correct grammar.

Another snow fell on Tuesday night to the depth of about 4 inches.

In a case just decided in Indiana the defendant, a storekeeper, was held responsible for the wounding of a child by a toy pistol sold by defendant. *If* this is to make a precedent, sellers of toy pistols will either be careful next year, or there will be a fine crop of lawsuits just after the Fourth of July.

Several gentleman of this village went out rabbit hunting the other night—they were armed with repeating guns and five dogs—they arrived home the following morning, dressed and quartered a fine, fat, big rabbit; held their eyes shut and divided it share and share alike, salted it down, put their hands in their pockets and exclaimed, Winter's beef in the cellar! Ain't we happy.

HOLIDAY GOODS AT BARBER & HASSINGER'S.

Barber and Hassinger have just received the finest lot of Holiday Goods ever brought to Snyder County. Ladies' and Gentlemen's Christmas and New Year's presents of the most appropriate and superb kind, style and quality. For old ladies and gentleman, boys and girls.

Their goods are of value, not gewgaws, and are worth preserving. Call and see.

A new decision, favorable to pension claimants, has been recently made.—Heretofore the pensioners, heirs of a missing man, had to prove death or a reasonable presumption. The department has ruled that the common law established the presumption of death after seven years, so the heirs of a missing man in action are entitled to a pension with o t proof of death.

CHRISTMAS PRESENTS.

Persons wishing to buy anything in the jewelry line, Watches, Ladies sets, Rings, Gold Pens and Pencils, Silverware, &c., should leave their orders with J. C. Bullington, or J. M. Steininger, Middleburg, Pa. No cheap *trash*, but good substantial goods, from a reliable house. Do not fail to examine their Catalogue. They have dealt with this house for three years and find all their goods as warranted.

A Good Offer.

The Chicago, Burlington & Quincy Railroad Company has just issued an illustrated treatise, "The Heart of the Continent," describing the wonderful growth of the Six Great States. The book is beautifully printed, and numerous engravings of high merit adorn its pages. Any one sending their name and address with two three-cent postage stamps will receive a copy by return mail, by applying to PERCEVAL LOWELL, General Passenger Agent, Chicago Illinois. Oct. 26, 5t

THE COMING TRANSIT.—The transit of the planet of Venus across the face of the Sun on the 6th of December next is an event which is arousing a great deal of interest in the scientific world. Until a few days ago the distance of the earth from the sun was believed to be 95,000,000 miles. This was according to the calculations made by Kelper, the celebrated German astronomer in 1761, but within the last decade from observations made of the planet Mars, the distance of that body from the earth has been ascertained. Giving the distance between the earth and one planet the distance of any or all can soon be calculated. It is now assumed that Kelper's estimate was about 2,700,000 miles too large and scientists are anxiously awaiting the result of the transit of Venus to confirm the correctness of the observation of Mars.

Letter from Kansas.

NEWTON, Kansas, Nov. 22, 1882

Friend Jere:—It may be of some interest to our Snyder county friends to learn that we are having fine weather, in Kansas this fall, and that the corn crop is being husked and stored—h crop is a good one. This part of Kansas is pretty well spinkled with Pennsylvanians, a goodly number of them Snyder countians. *My* old friend *H* Benfer is here visiting his son Peter and other friends. We were all pleased to see the 'Squire, and if we can induce him to stay among us we will certainly do so. There is plenty of room here for good citizens. I observe in the Kansas City Times the statement that Uriah Moyer will be executed. Will you be kind enough to inform us of the time of execution in The Post. Your paper is taken by all the Snyder folk here and is anxiously looked for each week—there ain't any sausage, mush, panhause &c., about it nor local matter from China and Japan Wishing The Post success let me "wind up" by saying the Snyder county people located in Kansas are prosperous and happy without a single exception. BEAVER SPRINGS, Nov. 27, 1882

The Evg. Lutheran congregation will celebrate the communion on next Sunday, preparatory services on Saturday previous.

Rev. L. Edmonds preached a very interesting sermon yesterday, based on the 37th v. of 12 chapter of St. Matt. also giving his reasons why he is leaving here.

Samuel Shirey has put up notices to tresspassers on his property—look out boys he will go according to law.

Wm. Klingler while bringing in a truck loaded with cross ties for the Shawverville R R. in making a short curve the truck jumped the track throwing Mr. K. to the ground and the ties on him wounding his head—the wound was dressed by Dr. Smith. Bill, it is a dangerous business to act as brakeman, better get it charttered.

Dr. Smith is making a branch from the Shawverville R. R. to his mines.

Our enterprising merchant J. W. Specht is erecting a dwelling house for Philip Zong—Jim knows how to build a house, he has built more houses in this place than any other man—it speaks well for him.

James Shambach is building a coach shop.

Mrs. Lillie M. Bingaman, of Georgetown, is visiting her sisters Mrs. Romig and Smith. ANON.

ALMOST AS BAD.

What the perplexed Physicians do in Cases of Emergency.

"I'll tell you the honest truth," answered the doctor. "Bright's Disease bothers the medical men almost a badly as cancer does. Having passed a certain stage, both point straight to eternity. It may be unprofessional to let out the secret, but whenever a patient comes to me with Bright's Disease or any kidney trouble acting like it, I tell him to put on a BENSON'S CAPCINE POROUS PLASTER without delay."

The doctor spoke by the card. The Capcine goes right to the spot. If you can be helped, the Capcine will do it. Look out for imitations. The word CAPCINE cut in the middle of the plaster! If so, you are all right. Price 25 cts. SEABURY & JOHNSON, Chemists, New York. 11 ghest Awards.
