How far does the Free-School sentiment of the regular Democracy extend?

Messrs. Editors.—I noticed in your paper of January 25, a communication signed S. A. Newton...

It is admitted that certain 'citizens' have complained against a school law from the first...

Admitted. But does that prove that it is an 'unnecessary office'? Shall our courts of justice be abolished...

cannot perform the duties! Well, a man ought to 'break up house-keeping'...

Is it thought beneficial that some one or ones of the school law incumbents shall visit the schools? Of course, Mr. Newton...

According to his calculation, there are about 240 schools in our county, and the Superintendent cannot visit all in one term...

In some counties, there are not as many schools, in others, they commence much earlier, and are kept open five and six months...

Michigan to her Senators. A series of Resolutions were passed on the 19th inst. by the Senate of Michigan...

Resolved, That we are opposed to the further extension of Slavery, or the recognition or permission thereof in any territory...
