Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure. For Costiveness,—Take one or two Pills, or such quantity as to gently move the bowels. Dostiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

Fon Scropula, Envirence, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The cruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. LIVER COMPLAINT, JAUNDICE, and all Bilions Liven Complaint, Jaundien, and all Bilious Affections, arise from some derangement—cither torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrons to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundiec, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and mélancholy, with sometimes inability to steep, and sometimes great drowsiness, sometimes there is severe pain in the side; the skin sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhica, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

Rusumarism, Gour, and all Infiguratory Fe-RESUMATISM, GOUT, and all Informatory Ferms, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulas which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the lowels gently, but freely.
